

the ROSEMARY

3 Bedroom Interior Unit

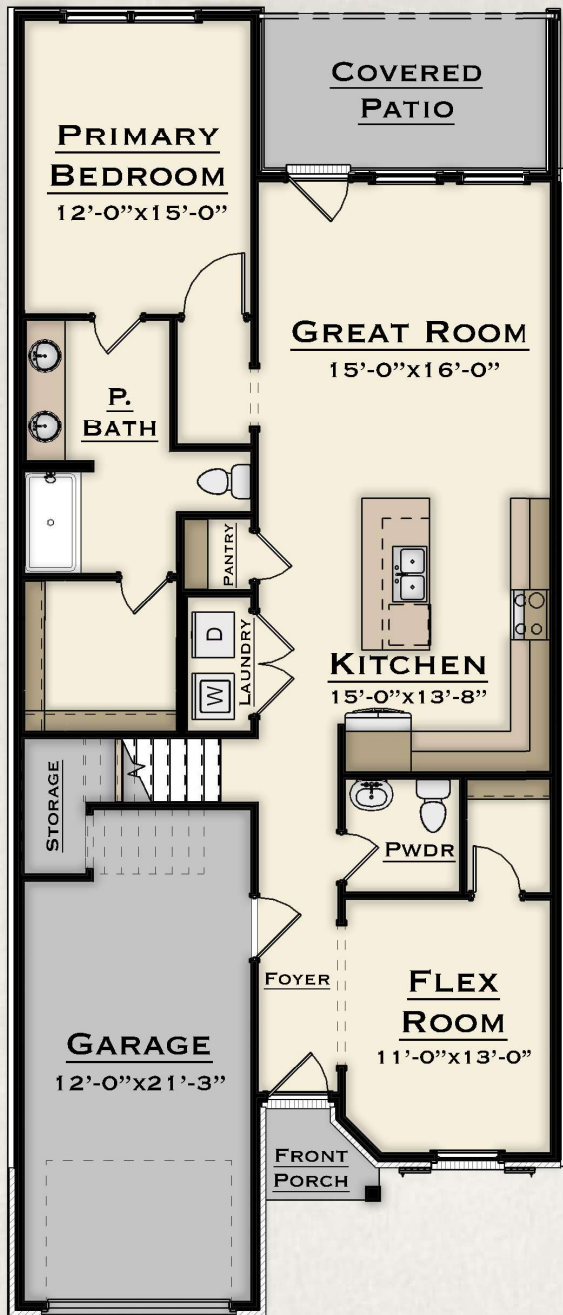

...

*Our homeowners **LOVE** this plan because...*

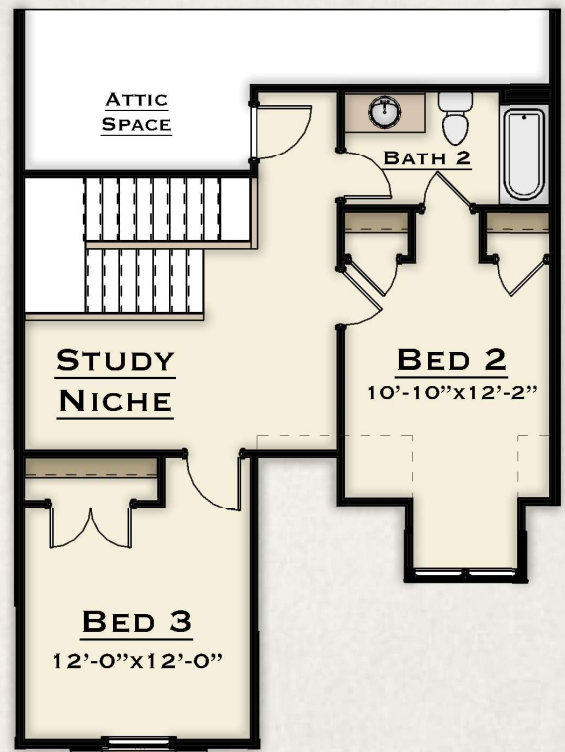

- the flex room off the front foyer would be best suited as a dining room or home office.
- the one-car garage allows homeowners to enter their home without having to walk outside.
- the primary bedroom en suite features double vanities, a walk-in shower, and a spacious closet.
- bedrooms two and three are on the second level, along with a large study niche and a shared bathroom.
