

## PRODUCT WARRANTY REGISTRATION

Register warranty information online and/or directly with the manufacturer for the products in your home by using the links and documents provided below, referencing your Color Selection sheet for your home's specific products.

Products may need to be accompanied by a quantity, model numbers, and/or style when registering warranties. Your Color Selection sheet will have this information and can be found in the Documents portal in Buildertrend.

For any questions, please reach out to your Harbor Homes Warranty Coordinator.
