

# *the* CYPRESS

*Elevation A - Street Side*

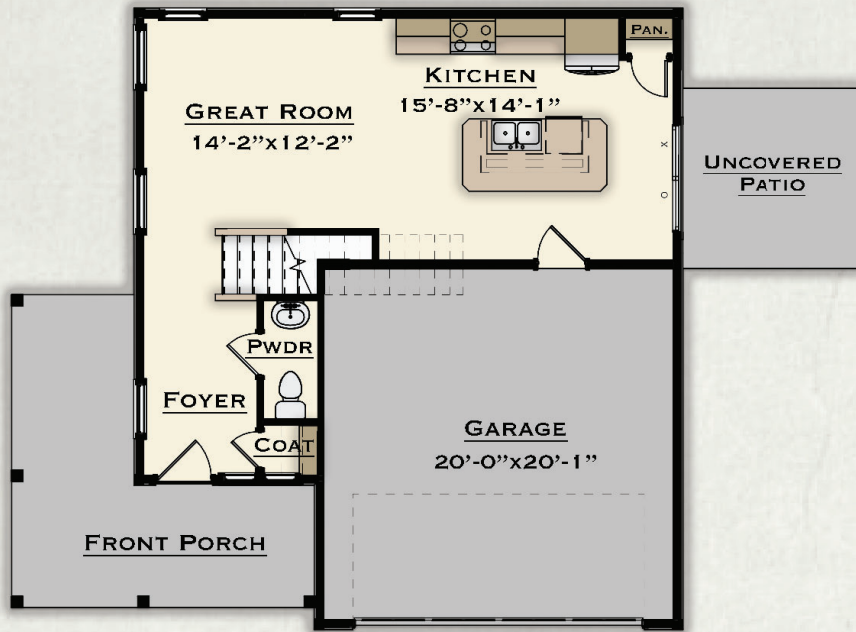

•••

*Our homeowners **LOVE** this plan because...*

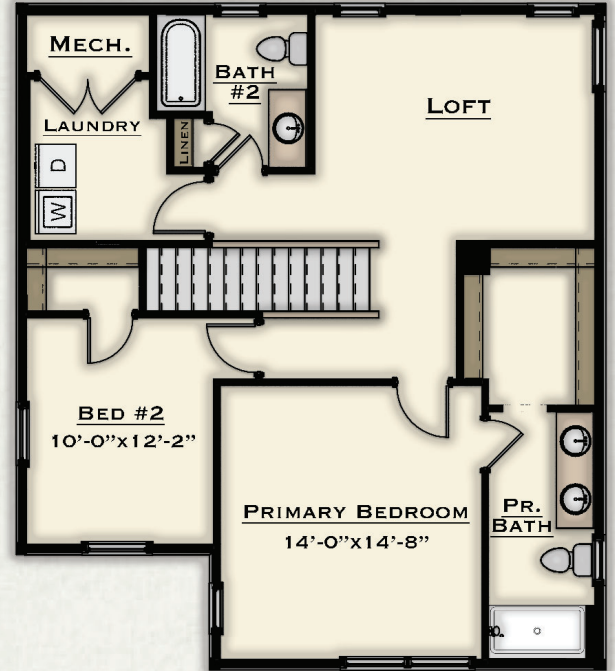

- the entertaining areas are on the main floor, apart from the bedrooms, which are located on the second floor.
  - both bedrooms include spacious walk-in closets.
- the second floor loft can be used in a variety of ways; it would be ideal for a playroom or media room, and it could even be used as an office.
