THE PRESCOTT

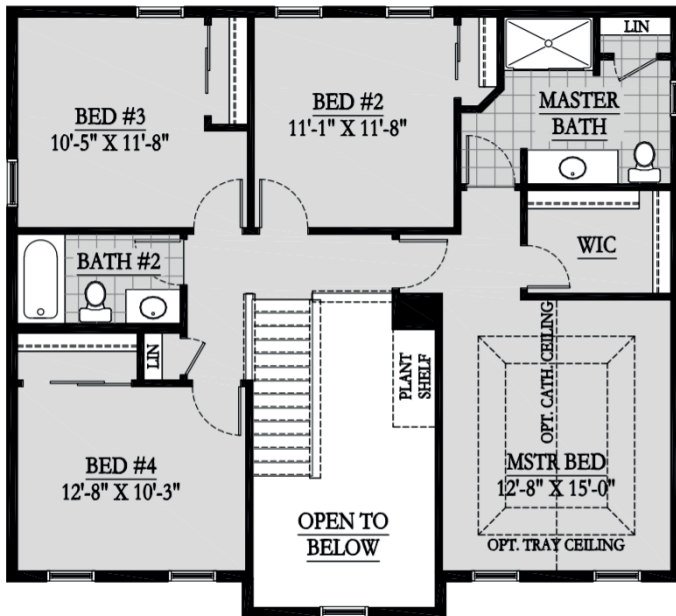

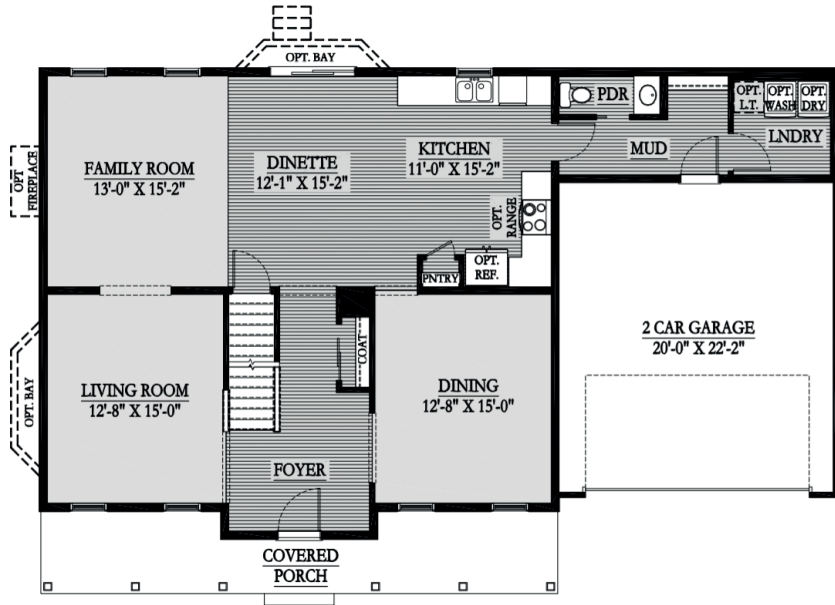

2,368 SF | Style: Two-Story | 4 Bedrooms | 2.5 Bathrooms

The Prescott home plan greets you with a pretty covered porch along the entire front of the house. The foyer is flanked by a formal living and dining room. Continue through the front hall into the kitchen and dinette with optional bay window and connected great room. Individual mud and laundry rooms are located with entrance through the garage. Upstairs, the master suite has a walk-in closet, full bathroom, and linen closet. The three additional bedrooms upstairs share a second full bath.

Renderings and floor plans are the artist's conception. Details and dimensions may vary from actual plans. Halen Homes reserves the right to modify or change plans without notice.
