4.13.6. Development Rights and Special Declarant Rights as set forth herein.

4.14. **Restrictions on Alterations.** No Party Walls or Common Improvements shall be altered or changed except by mutual-written agreement of the Owners of the adjoining Lots and the Association and only then in accordance with plans prepared by a licensed engineer or architect, the cost of which shall be borne by the Owner(s) requesting the alteration or change. No Owner of a Lot shall have the right to destroy, remove, or make any changes, extensions, or modifications (structural or otherwise) to a Common Improvement, yard, flatwork, or landscaping without the written agreement of the Association.

4.15. **Yard Maintenance and Landscaping.** As an expense included in the General Assessment, the Association will be responsible for the mowing and trimming of yards/lawns of all Lots and the Common Elements; provided, however, that neither the Association, nor its agents, will be responsible for the removal, relocation, or replacement of any personal property, objects or items (including, but not limited to, furniture, decorations, toys, equipment, landscaping features, or any other personal belongings) (collectively, "Personal Property") left in or on the yards/lawns. It is the sole responsibility of the Owner to ensure that all such items are removed from the lawn prior to the scheduled mowing service. In the event that such items are not removed, the Association or its agent, may, at its discretion, and without any liability to the Owner, exclude the affected area from mowing services, or move such Personal Property in order to provide the mowing services. Similarly, the Association, or its agent, may, in its discretion, and without any liability or notice to Owner, delay or suspend mowing services if any child(ren) and/or pet(s) are

on any yard/lawn to be mowed at the time of service. Each Owner, on behalf of themselves and their invitees and tenants (if applicable), hereby agrees to indemnify, defend, and hold harmless the Association, its agents, the Board, and individual Directors, from any loss, claim, damage, cost, or expenses sustained by an Owner (or their invitee or tenant) relating to the mowing services provided by the Association to the Unit.

Except for mowing and trimming of Lots, which is the responsibility of the Association as provided above, the repair, replacement, and maintenance of all yards/lawns will be the exclusively responsibility of each Owner at his or her sole cost. Such repair, replacement, and maintenance of all yards/lawns includes, but is not limited to, weeding, mulching of all planting beds located on the Lots, watering, maintaining, repairing, and replacing fences, and keeping all planting beds, flora, and landscaping features in a good, sightly condition.

4.16. **Reservation of Easements.** Declarant and Association hereby have reserved easements for, and the right to grant easements on, over and across certain Lots for open space, cluster mailbox units, landscaping mounting and monument areas, and for the installation, maintenance, use, repair and replacement of fencing, lighting fixtures, underground utilities, irrigation systems, public utilities, sidewalk/walk ways, hiking trails, water detention basins, irrigation lines, storm sewer, sanitary sewer and surface water drainage easements, water mains, preservation areas and private drainage easements, and building setbacks, specifically as shown on the Record Plat now or hereinafter recorded, and to cut and grade slopes in and along Lot boundaries at streets and drives built within the Property.

4.17. **Run With the Land.** All easements and rights described in the Declaration are easements appurtenant, running with the land, perpetually in full force and effect, and always will inure to the benefit of and be binding upon the Declarant, its successors and assigns, and any Owner, purchaser, mortgagee, and other party now or hereafter having an interest in the Property, or any part or portion thereof. After the Development Period, the Association will be deemed to be the successor of Declarant and as such will be deemed to be the grantee of said easements as provided in this Article, and will hold such easements for the use, benefit, and enjoyment of all Owners in the subdivision. All notes on the Record Plat that are pertinent to the specific easements set forth herein are incorporated herein by reference.

4.18. **Easement for Services.** A non-exclusive easement is granted to all police, fire fighters, ambulance operators, mail carriers, delivery persons, garbage and trash removal personnel and all persons performing similar functions, and to the local governmental authorities and the Association, but not to the public in general, to enter upon the Property in the performance of their duties.

4.19. **Encroachments.** If, by reason of the construction, reconstruction, repair, settlement, shifting, or other movement of any of the Dwelling Units, or by reason of the partial or total destruction and rebuilding of the Dwelling Units, Common Improvements or any part of the Common Improvements, or any part of the Common Elements, encroaches upon any part of a Lot or any part of a Dwelling Unit on a Lot encroaches upon any part of the Common Elements or on another Lot; or, if by reason of the design or construction of any Common Improvements, utility systems, any main pipes, ducts or conduits serving one Lot encroach upon any part of any other

Lot, then valid easements for the maintenance of such encroachments are established. These easements shall exist for the benefit of the affected Lot(s) and the Common Elements, as the case may be, so long as the encroachments exist. However, in no event shall a valid easement for any encroachment be created in favor of any Owner if the encroachment occurred due to the willful conduct of that Owner.

4.20. **Repairs for Damage.** Any damage to the Common Elements, Common Improvements, Lot, or Dwelling Unit due to the access granted to the Declarant, the Association, or an Owner under this Declaration is the responsibility of the Declarant, Owner, or the Association that caused the damage. The party responsible for the damage will promptly repair the same in a good and workmanlike manner, and if not reparable, such party will be liable for the value of the damaged property as it existed immediately prior to that damage.

ARTICLE 5 **ASSESSMENTS**

5.1. **Establishment of Assessments.** There are hereby established for the benefit of the Association, its successors, and assigns, as a charge on each Lot, certain Assessments for Common Expenses and other expenses as provided herein. Each Owner, by acceptance of a deed, covenants and agrees to pay such Assessments.

5.2. **Purpose of the Assessments.** The Assessments are established for the benefit and use of the Association and shall be used in covering the costs of its Common Expenses and for other such purposes as hereinafter set forth.

5.3. **Annual General Assessment.** There is hereby established an Annual General Assessment (the "Annual General Assessment" or "General Assessment") levied against all Lots for the purpose of covering the Common Expenses of the Association. The Common Expenses shall be for the purpose of, but not limited to: (1) operation, maintenance, repair and replacement as required by this Declaration; (2) the cost of all insurance coverages for the Association as required by this Declaration; (3) reasonable reserves for contingencies and replacement; (4) administrative, accounting, legal and management fees; and (5) all other costs and liabilities incurred by the Association in the exercise of its powers and duties pursuant to the Organizational Documents.

5.4. **Individual Assessment.** The Association shall have the right to assess an individual Lot, for any of the following:

5.4.5. any other costs, fees, or charges permitted by the Organizational Documents to be charged or assessed as an individual Assessment, including, without limitation, any utility services paid by the Association for the benefit of any Dwelling Unit which is separately metered or sub metered to such Unit, plus all third party charges and fees in connection therewith as described in Section 4.6.1, failing to pay for Common Improvements as described in Section 7.3.1, and owner's insurance as described in Section 8.4.

5.4.6. any and all costs, expenses and charges incurred by, or paid by the Association, for, or that relate to, services provided to and/or benefitting the assessed Lot, which services include but are not limited to trash collection services.

5.4.7. the foregoing items identified in subsections 5.4.1 – 5.4.6. are each an "Individual Assessment" and collectively, "Individual Assessments."

5.5. Procedures for Imposing an Individual Assessment for Damages or Enforcement.

5.5.1. **Notice.** Prior to imposing an Individual Assessment related to damages or the enforcement of the Organizational Documents, the Board shall give the Owner written notice containing: (a) A description of the property damaged, the required maintenance or the violation; (b) The amount of the proposed charge or individual Assessment; (c) A statement that the Owner has a right to a hearing before the Board to contest the individual Assessment; (d) A statement setting forth the procedures to request a hearing pursuant to this Declaration; and (e) A reasonable date by which the Owner must cure the violation to avoid the individual Assessment, if such opportunity to cure is applicable. No notice is required for any Individual Assessment under Sections 4.6.1., 6.1.22, 7.3.1, or 8.4.

5.5.2. **Hearing.** An Owner may request a hearing by delivering written notice of such request no later than the tenth (10th) day after receiving the notice provided in Section 5.5.1 above. If the Owner fails to make a timely request for a hearing, the right to such hearing shall be considered waived, and the Board may immediately impose the individual Assessment referenced in the notice provided or may allow a reasonable time to cure the violation before imposing an individual Assessment. If an Owner requests a hearing, the Board shall not levy the individual Assessment before holding a hearing and will, at least seven (7) days prior to the hearing, provide the Owner with a written notice of the date, time, and location of the hearing. Within thirty (30) days following a hearing at which the Board imposes an individual Assessment, the Board shall deliver a written notice of the individual Assessment to the Owner.

5.5.3. **Manner of Notice.** Any notice required under this Section 5.5 to be served:

5.5.3.1. Upon the Owner shall be delivered: (a) personally to the Owner or Occupants at the Dwelling Unit Lot, or (b) by electronic mail to an email address provided by an Owner to the Association, or (c) to the Owner via the Association's online portal, if any, or (d) mailed (by certified mail, return receipt requested is through the U.S. Postal Service or by a commercially recognized overnight delivery service without the need for signature) to the Owner at the address of the Dwelling Unit, provided that if the Owner has provided the Association with an alternative address, any such notice shall be served to the Owner at such alternative address.

5.5.3.2. Upon the Association shall be delivered personally to any officer of the Association or to any on-site representative of any professional management company hired by the Association; or mailed (by certified mail, return receipt requested if through the U.S. Postal Service or by a commercially recognized overnight delivery service without the need for signature) to any officer of the Association or to the management company hired by the Association.

5.6. **Working Capital Fund; Initial Assessment.** At the time of closing of a Lot from the Declarant or a Builder to the first new Owner, and upon each subsequent closing of a Lot from an Owner to a new Owner, the new Owner of said Lot shall be assessed an "Initial Assessment" as an initial capital contribution to the working capital fund of the Association; provided, however, a transfer of a Lot by an Owner to a spouse, trust, an entity controlled by the Owner, or in the event of death to a beneficiary shall not be required to pay the Initial Assessment. The beginning Initial Assessment shall equal \$450.00. Beginning in January 2026, and continuing each calendar year thereafter, the Board may increase the Initial Assessment by no more than ten percent (10%) per year on a cumulative basis, over the prior calendar year. The Initial Assessments shall be used by the Association for its operating expenses. The Initial Assessment is not an advance payment of the Annual General Assessment, and it will not be held in any sort of trust or reserve account. Neither the Declarant nor any Builder, nor any Affiliate (as defined herein) of Declarant or Builder shall be required to pay an Initial Assessment. For purposes of the Organizational Documents, an "Affiliate" means with respect to the Declarant or Builder, a Person that directly or indirectly controls, is controlled by, or is under common control with the Declarant or Builder.

5.7. **Special Assessment.** There may be established a special assessment for the purpose of repairing or restoring damage or destruction to the Common Elements or other capital improvements for any lawful purpose as determined by the Association.

5.8. **Computation and Payment of Annual General Assessment.** The Annual General Assessment shall be computed and levied in accordance with the budget adopted by the Board pursuant to the Bylaws. Except as provided below, the General Assessment shall be effective as to each Lot on the first (1st) day of the Association's fiscal year. Notwithstanding anything to the contrary contained herein, the Annual General Assessment as to each Lot shall commence on the first (1st) day of the month following the date a Lot is conveyed to an Owner other than a Builder or the Declarant. The initial Annual General Assessment shall be prorated

monthly to the end of the Association's fiscal year and shall be collected at the closing of a sale of a Lot from the Builder to a third party. So long as there has been no default in payment of the Assessment, it shall be payable in monthly installments due on the first (1st) day of each fiscal year. The Board shall have the power from time to time to adopt such billing, collection, charges and payment procedures and other payment time schedules, as it deems appropriate. Notwithstanding anything to the contrary contained herein, no Builder shall be responsible for any application fees and costs, review fees or any other fees, costs, assessments or capital contributions to the Declarant or the Association and neither the Declarant nor a Builder, nor any Affiliate of Declarant or Builder will be required to pay the Annual General Assessment.

5.9. **Allocation of Assessments.** All Common Expenses L and the Annual General Assessment shall be allocated equally to each Lot. The other Assessments shall be allocated as applicable to the respective Lots and as determined by the Organizational Documents and the Board.

5.10. **Lien for Assessments.** The Association shall have a lien for any Assessment levied against a Lot for fines imposed against an Owner or Occupant, and for interest, costs and reasonable attorney fees.

5.10.1. **Creation.** The lien for Assessments is created by this Declaration and shall be a charge and a continuing lien on each Lot which shall run with the land. All persons or entities acquiring an interest in a Lot after the filing of this Declaration take such interest subject to the lien.

5.10.2. **Effective Dates.** The lien for the liability for Common Expenses for each Lot, as set forth in the Annual General Assessment, shall be effective on the first (1st) day of the fiscal year of the Association. The lien for other Assessments shall be effective, as to the applicable Owner, on the first (1st) day of the month following the notice of its levy on the Owners affected.

5.10.3. **Perfection.** Recording of this Declaration constitutes notice and perfection of the lien.

5.10.4. **Notice of Lien.** The Association shall file a notice of lien with the land records of the County and in accordance with the requirement of the Act, if any.

5.10.5. **Priority of the Lien.** The lien created by this Section 5.10 shall have priority over to all liens and encumbrances recorded subsequent to this Declaration, except the lien for real estate taxes and assessments and the lien of any bona fide first mortgage filed of record.

5.10.6. **Subordination and Mortgagee Protection.** Notwithstanding any of the provisions hereof to the contrary, the lien of any Assessment levied pursuant to this Declaration (and any late charges, interest, costs and attorney fees) shall be subordinate to, and shall in no way affect the rights of the holder of a first mortgage made in good faith for value received; provided, however, that such subordination

shall apply only to Assessments, or installments thereof, which have become due and payable prior to the date of sale of such Lot pursuant to a foreclosure or the date of a deed in lieu of foreclosure. Such sale or transfer shall not relieve the mortgagee or the purchaser of a Lot at such sale from liability for any Assessments thereafter becoming due, nor from the lien of any such subsequent Assessment. Mortgagees are not required to collect Assessments on behalf of the Association. Failure to pay Assessments shall not constitute a default under any mortgage insured by FHA/VA.

5.10.7. **Extinguishment of the Lien.** A lien for unpaid Assessments is extinguished unless proceedings to enforce the same is instituted within five (5) years after the full amount of the Assessment becomes due. If an Owner of a Lot subject to a lien files a petition for relief under the United States Bankruptcy Code, then the period of time to enforce the Association's lien shall be tolled until thirty (30) days after the automatic stay under Section 362 of the Bankruptcy Code is lifted.

5.10.8. **Estoppel Certificate.** Upon request of any mortgagee or Owner and upon payment in full of all Assessments and other charges permitted by this Declaration that are due to the Association, the Association shall execute and deliver to such mortgagee or Owner an Estoppel Certificate. Such certificate shall be in recordable form and shall note the payment of the outstanding Assessments and charges and that the Association is estopped from the enforcement of its lien with respect to Assessments and charges becoming due and payable prior to the date of the Estoppel Certificate. The Association may charge a reasonable fee for the preparation of such certificate.

5.11. **Delinquency and Acceleration.** Any installment of an Assessment provided for by this Declaration shall become delinquent if not paid on the due date as established by this Declaration or by the Board. With respect to each installment of an Assessment not paid within five (5) days of its due date, the Board may, at its election, require the Owner to pay a reasonable late charge, costs of collection, reasonable attorney fees and interest as reasonably determined by the Association, but not to exceed the interest rate permitted by applicable law. Interest shall be calculated from the date of delinquency to the date full payment is received by the Association. If any installment of an Assessment is not paid within thirty (30) days of its due date, the Board may, at its election, declare all the unpaid balance of the Assessment immediately due and payable without further notice or demand to the Owner. The Association may enforce the collection of the full Assessment and all charges thereon in any manner authorized by law or this Declaration. The filing of any petition for relief pursuant to the United States Bankruptcy Code by an Owner whose Assessment has been accelerated shall operate as a restoration of the Assessment to its prior status as if it has not been accelerated.

5.12. **Remedies Cumulative.** A suit to recover money judgment for unpaid Assessments and charges may be maintained without foreclosing or waiving the right to enforce the lien. A foreclosure may be maintained notwithstanding the pendency of any suit to recover a money judgment.

5.13. **Personal Obligation.** The Assessments, including fines, if any, payable by each Owner, together with any penalty, interest, costs, and reasonable attorney fees shall be the personal obligation of the Owner of the Lot at the time incurred. The personal obligation shall not pass to any successors in title unless expressly assumed by them.

5.14. **Statement of Unpaid Assessments.** The Association shall upon written request of the Owner, contract purchaser or first mortgagee, furnish a statement setting forth the amount of unpaid Assessments against the applicable Lot. This statement must be furnished within ten (10) business days after receipt of the request and is binding on the Association, the Board, and every Owner. The Association may charge a reasonable amount for the preparation of this statement.

5.15. **No Waiver of Liability for Common Expenses.** No Owner may exempt himself or herself from liability for payment of the Common Expenses by waiver of the use or enjoyment of the Common Elements or by abandonment of the Lot against which the Assessments are made.

5.16. **Declarant Subsidies.** It is the intent of the Declarant that the Assessments collected pursuant to this Article be sufficient to pay the cost to maintain, repair and replace the Common Areas of the Association. In the event that the capital of the Association is insufficient to cover the cost as set forth in its yearly budget and the Declarant determines in its sole and absolute discretion that it is in the best interest of the Association to subsidize said budget, then any subsidy paid by the Declarant shall be considered a loan to the Association and repaid to the Declarant at such time as the Association has sufficient funds or is turned over to the Owners of the Lots.

ARTICLE 6

COVENANTS AND RESTRICTIONS OF USE AND OCCUPANCY

6.1. **Use and Occupancy.** The following restrictions are applicable to all Lots with respect to the use and occupancy thereof and of the Property (as applicable and appropriate). Other restrictions may be set forth in any Supplemental Declaration. No structure shall be erected, altered, placed, or be permitted to remain on any Lot other than a Building and no part of the Property (other than Common Elements) shall be used for other than a Dwelling Unit.

6.1.1. **Compliance with Laws.** No improper, offensive, or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental agencies having jurisdiction thereof shall be observed. All laws, orders, rules, regulations, or requirements of any governmental agency having jurisdiction thereof relating to any portion of the Property shall be complied with, by and at the sole expense of the Owner.

6.1.2. **Harmful Discharges.** There shall be no emissions of dust, sweepings, dirt, cinders, odors, gases or other substances into the atmosphere (other than normal residential chimney emissions), nor production, storage or discharge of hazardous waste on the Property or discharges of liquid, solid waste or other harmful matter into the ground or any body of water, if such emission, production, storage or discharge may adversely affect the use or intended use of any portion of the Property or may adversely affect the health, safety or comfort of any person. No waste nor any substance or materials of any kind shall be discharged into any public sewer or the

Storm Water Facilities serving the Property or any part thereof in violation of any regulation of any public body having jurisdiction over such public sewer, or Storm Water Facilities.

6.1.3. Noise. No Person shall cause any unreasonably loud noise anywhere on the Property, nor shall any person permit or engage in any activity, practice or behavior causing annoyance, discomfort or disturbance to any person lawfully present on any portion of the Property.

6.1.4. Signs. Subject to guidelines, rules, and regulations adopted by the Declarant during the Declarant Control Period, or the Association after the Declarant Control Period, no signs of any character will be erected, posted or displayed upon the Property, except: (i) marking signs installed by the Declarant or any Builder while actively marketing the Lots or Dwelling Units for sale; (ii) street and indemnification signs installed by the Association or the Declarant; (iii) one temporary real estate sign not to exceed six (6) square feet in area advertising that such Lot is on the market; and (iv) safety signs and alarm signs in the mulch bed locate at the front of the Unit or behind the ear corners of the Unit provided such signs do not exceed 8.5 inches x 11 inches. Further, all signs must comply with all applicable laws, ordinances, and regulations.

6.1.5. Trade or Business. No trade or business of any kind may be conducted in or from any Lot or Dwelling Unit, except that an Owner or Occupant of a Dwelling Unit may conduct such business activity within the Dwelling Unit so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from the exterior of the Lot or Dwelling Unit; (b) the business activity conforms to all zoning requirements for the Property; and (c) the business activity is consistent with the residential character of the Property. The terms "business" and "trade" as used in this Section 6.1.5 shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation or other form of consideration, regardless of whether (i) such activity is engaged in full-time or part-time; (ii) such activity is intended to or does generate a profit; or (iii) a license is required thereof. The term "trade" or "business" for purposes of this restriction shall not: (i) include the construction, operation, marketing, promotion, and/or maintenance of any model Dwelling Unit or Dwelling Unit for sale or sales offices by any Builder.

6.1.6. Trash. Except in connection with construction activities, no burning of any trash and no accumulation or storage of litter, refuse, bulk materials, building materials or trash of any other kind shall be permitted on any Lot. No incinerator shall be kept or maintained upon any Lot. All Owners will comply with the trash service requirements set forth under all applicable laws, ordinances, and regulations. No Lot will have more than two (2) standard residential size garbage containers. Garbage containers must always be stored in the garage of a Dwelling Unit, except during garbage collection hours. No containers are permitted on the exterior side of a Unit that faces a street or the Private Roadway. The Association may contract trash pick-up services for all Lots and the Owners shall pay such service provider directly. If the Association contracts with a trash service provider all Owner will use such provider. If the Association does not contract with a trash service provider for services at the Property, Owners will only contract with a trash service provider that is approved by the Association.

6.1.7. Parking; Vehicle Repairs. Except in connection with construction activities of any Builder, no trucks, trailers, mobile homes, trailers, campers, recreational vehicles, boats, commercial vehicles, and other large vehicles may be parked on the Property unless parked within a garage. No junk or derelict or inoperable vehicle or other vehicle on which current registration plates are not displayed shall be kept upon any portion of the Property. Vehicle repairs and storage of vehicles are permitted on the Property only if in garages. All Occupants will park in the driveway or within the garage serving the Dwelling Unit and not in the designated parking areas of the Private Roadway. Occupants will not be permitted to park on the Private Roadways. The designated parking spaces on the Private Roadways are reserved for temporary vehicle parking (less than 24 hours) for guests of Occupants and third-party service vehicles. It is the intent of this restriction to limit parking in the driveways and designated parking areas of the Private Roadway to personal non-commercial vehicles (except for temporary service vehicles). Parking shall not be permitted on the Private Roadways, except in those areas designated for parking and only in accordance with this Section 6.1.7.. Parking on non-paved surfaces shall not be permitted. For purposes of this Section 6.1.7, the word "truck" shall include and mean every type of motor vehicle other than passenger cars, pick-up trucks which do not exceed 3/4 tons and mini vans which are used as a principal vehicle by an Owner of a Dwelling Unit or his/her family. The Declarant and/or the Board may adopt further rules and regulations regarding parking on and at the Property and may enforce such rules and regulations or restrictions by levying fines or enforcement charges, having such vehicles towed away, or taking such other actions as it, in its sole discretion, deems appropriate.

6.1.8. Animals. Subject to rules and regulations that may later be promulgated or adopted by Declarant or the Board, and as the same may be amended from time to time, the maintenance, keeping, boarding, or raising of animals, livestock, poultry, or reptiles of any kind, regardless of number, is prohibited on any Lot. The keeping of guide animals and up to three (3) orderly domestic pets (e.g., dogs, cats, or caged birds, but specifically excluding pot belly pigs) is permitted. Any pet causing or creating a serious nuisance and unreasonable disturbance (as defined below) or noise may be permanently removed from the Property upon ten (10) days written notice from the Board. Pets shall not be permitted in the Common Elements unless accompanied by someone who can control the pet and the pet is carried or leashed. Any Owner or Occupant who keeps or maintains a pet on any portion of the Property shall be deemed to have indemnified and agreed to hold the Association harmless from any loss, claim or liability of any kind or character whatever arising by reason of keeping or maintaining such pet within the Property. All pets which may leave the Dwelling Unit or Lot must be inoculated as required by law. For the purposes of this section, the term "serious nuisance and unreasonable disturbance" shall mean any animal that: (a) damages the property of anyone other than its owner, including the Common Elements; (b) repeatedly intimidates neighbors, pedestrians or passersby by lunging at fences, chasing, or acting aggressively towards such person, unless provoked by such person; (c) makes disturbing noises, including, but not limited to, continued and repeated howling, barking, whining, or other noise which causes unreasonable annoyance, disturbance, or discomfort to neighbors or others; (d) defecates on any public or private property without the consent of the owner of such property,

No exterior antennas, aerials, satellite dishes, or other apparatus for the reception or transmission of television, radio, satellite, or other signals of any kind shall be placed, allowed or maintained upon any portion of the Property, including any Dwelling Unit, without the prior written approval of and in accordance with any guidelines established by the Declarant or the Board and all applicable ordinances, regulations and codes. Nothing herein shall be construed to be in conflict with current Federal Communications Commission's rules and regulations for antennas. Notwithstanding the foregoing, only one satellite or microwave dish may be installed. The location and screening of any solar or satellite or microwave dish must be approved in writing by the Declarant or the Board, as applicable, prior to installation.

6.1.12. **Air Conditioning and Heat Equipment.** No through the wall or in window air conditioning or heating units of any kind shall be permitted on the Property.

6.1.13. **Awnings.** No metal or plastic awnings for windows, doors or patios may be erected or used.

6.1.14. **Mailboxes.** Individual or cluster mailboxes will be located within the community as approved by, and at the sole discretion of the Declarant until the Declarant Control Period expires and then at the discretion of the Association. No other mailboxes are permitted at the Property.

Nothing may be affixed to the exterior of a Dwelling Unit except improvements installed during the initial construction of the Building and a smart doorbell adjacent to the front door and one rear security camera adjacent to rear door, without the prior written approval of the Association. Each Owner shall install and maintain professionally manufactured blinds or curtains which shall be white or light tan in color and placed in the front windows of a Dwelling Unit. Notwithstanding the foregoing, the Declarant during the Declarant Control Period and then the Association after expiration of the Declarant Control Period may establish rules and regulations concerning: (a) the color, style, size, materials, and location of window coverings inside a Dwelling Unit to establish a uniform exterior appearance that is architecturally appropriate to the design and purpose of the Property; (b) uniform maintenance and painting of patio and/or porch areas, the specifications applicable for the replacement of doors (including hallway entry doors) or windows that are broken or otherwise need to be replaced, the size; (c) the type and condition of furniture or other items placed on patios, porches, or decks or exterior portions of Lots, including flowers and plants in pots and planters, gardens, bird baths, bird houses, frog ponds, lawn sculptures or similar types of accessories and lawn furnishings, or other miscellaneous gardening or lawn structures; and (d) other matters relating to the exterior appearance of Lots in order to maintain a uniform exterior appearance and uniform standards. Neither the Declarant nor any Builder, nor any Affiliate (as defined herein) of Declarant or Builder shall be subject to the restrictions contained in this Section 6.1.18.

6.1.19. Structures, Alterations, or Improvements. No Structures, alterations, or any type of improvements shall be placed, erected, or installed upon any Lot unless expressly permitted under the terms of the Declaration. No exterior additions, alterations, or modifications of existing improvements, including exterior flat work and yard areas, are permitted. The restrictions in this Section 6.1.19 will not apply to the Declarant or any Builder. Notwithstanding anything contained herein, the Declarant will have exclusive control over new construction withing the Property. Nothing in the Organizational Documents that related to new construction may be adopted without the Declarant's consent.

6.1.20. Lot Maintenance. Except as specifically provided herein, it shall be the responsibility of each Owner of a Lot to prevent the accumulation of litter, trash, packing crates, or any other accumulations which shall create an unkempt condition of the Buildings or grounds on a Lot and/or which shall otherwise tend to substantially decrease the beauty of the Property as a whole or the specific area. No loose trash will be permitted to be strewn about the Property at any time. All personal use items shall be stored inside when not in use. These items include, but are not limited to, yard tools, sprinklers, wheelbarrows, and children's toys which would create a nuisance for the community. All improvements on the Lot shall be kept in a good and sightly condition and within reasonable neighborhood standards as determined by the Declarant or the Board. Except as provided herein, the Declarant shall have the right to assess an Owner for the cost of mowing, maintaining, removing or clean up in the event the Owner fails to do so.

6.1.21. Rentals and Leasing. No Dwelling Unit shall be rented by Owners for transient purposes, which shall be defined as: (a) rental for an initial period less than twelve (12) consecutive months (i.e. 1 year), unless a shorter period is otherwise approved by the Board; or (b) rental to roomers or boards, that is, rental to one (1) or more persons of a portion of a Dwelling Unit only. Notwithstanding the foregoing, a Dwelling Unit that is owned or operated by a reputable, professional real estate management company, as determined by the Board in its sole discretion, may rent or lease a Dwelling Unit that is fully furnished by the Owner for an initial period of no less than three (3) consecutive months. All leases of any Dwelling Unit shall be in writing and shall provide that they are subject to all provisions of the Organizational Documents and that the failure of the lessee to comply with the Organizational Documents shall be a default under the lease. Whether or not such provisions are included in a lease, any tenancy of a Dwelling Unit shall be subject to termination for a violation of any covenant, condition and restriction contained in the Organizational Documents, as lawfully amended from time to time. If a tenant or other Occupant of a Dwelling Unit violates the Organizational Documents for which a fine is imposed, such fine may be assessed against the Owner as an Individual Assessment.

Prior to the commencement of any lease, the Owner is responsible for providing the Association with the following: (i) a copy of the fully executed lease agreement; (ii) the name and address of the tenants and any other Occupants; (iii) the name, address, email address, and telephone number of the Owner other than at the Lot and/or any property manager overseeing or managing the Dwelling Unit; and (iv) such other information as the Association may reasonably request. The purpose of this Section 6.1.22. is to provide for the preservation of values and amenities, to help maintain the aesthetic quality and owner-occupied residential nature of the community.

Notwithstanding anything contained in the Organizational Documents, any amendment to this Section requires the affirmative vote of 95% of the voting power of the Association.

6.1.22. Flags. No flags will be displayed upon the Property except: (a) the United States flag; (2) the State of Ohio flag; (3) the POW/MIA flag; or (4) any service flag approved by the United States Secretary of Defense. The Declarant during the Declarant Control

Period, and then the Association after expiration of the Declarant Control Period may establish rules and regulations concerning the way the foregoing flags are displayed.

6.2. **Remedies for Breach of Covenants and Restrictions.** The violation of any covenant, easement or restriction contained in this Declaration or the Organizational Documents shall give the Board the authority to enforce the covenants, restrictions, rules, and regulations in accordance with this Section.

6.2.1 **Actions.** The Board may take any or all the following actions:

6.2.1.1. levy a fine against the Owner, which shall also be an Individual Assessment under Section 5.4;

6.2.1.2. to enter upon a Lot or portion thereof upon which or, as to which, such violation or breach exists and to summarily abate and remove at the expense of the Owner, any structure, thing, or condition that may exist thereon contrary to the intent and meaning of the provisions of this Declaration, and the Board or its agents shall not be thereby deemed guilty in any manner of trespass or wrongful act;

6.2.1.3. to institute appropriate legal proceedings to enjoin, abate or remedy the continuance of any breach;

6.2.1.4. if any Assessment, or portion or installment thereof, remains unpaid for thirty (30) days after it becomes due and payable, then the Board may suspend the delinquent Owner's voting rights and the Owner's or Occupant's privileges to use one or more of the Common Elements, if any, except for necessary ingress and egress to the Owner's Lot, shall be suspended until such Assessment is paid.

6.2.2. **Notice and Opportunity to be Heard.** Prior to any action, the Board shall give the Owner reasonable notice of the violation and an opportunity to be heard in accordance with the notice provisions set forth herein. Such notice and opportunity shall not be required in emergency situations or for repeated or continuing violations.

6.2.3. **Individual Actions.** Each Owner is empowered to enforce the covenants contained herein by appropriate legal proceedings or alternative dispute resolution methods.

ARTICLE 7

MAINTENANCE, REPAIR AND REPLACEMENT; UTILITIES

7.1. **Adoption of Standards.** The Board may adopt maintenance standards pertaining to the maintenance, repair, and appearance of all Lots, Dwelling Units, and/or Common Elements (the "Maintenance Standards"). The costs and expenses of the Association to comply with the Maintenance Standards with respect to the Common Elements will be part of the Common Expenses.

7.2. **Association Responsibilities.** Subject to the exceptions and provisions contained herein, and subject to the approval of the Board, the Association shall maintain, repair, and make all necessary replacements to the Common Elements and any improvements thereon. The Association shall also repair, maintain, and make necessary replacements of the following located on the Lots and/or Dwelling Units:

7.2.1. The sidewalks/walkways running along the Property that do not exclusively lead to a Dwelling Unit; provided, however, this responsibility shall not include snow removal;

7.2.2. The yard/lawn trimming and mowing set forth in Section 4.15 above;

7.2.3. The fence installed by the Declarant along the perimeter of the Property (if any); provided, however, that the Association will have no responsibility or liability for any fencing limited to and for the sole purpose of enclosing any Lot; and

7.2.4. All pipes, lines, wires, and utility components that serve common areas or more than one Dwelling Unit, up to the point of connection at which point such pipe, line, wire, or component serves one Dwelling Unit.

7.3. **Owner Responsibilities.** Each Owner will maintain, repair, and replace, and keep in good condition and repair, and in a slightly condition, all at Owner's expense, such Owner's Lot and Dwelling Unit, including all Common Improvements, and the Lot's yard/lawn and landscaping (as set forth and described in Section 4.15 above). Each Owner shall maintain in good order and repair the exterior of the Dwelling Units, including exterior lighting fixtures, and keep exterior surfaces neat and clean, painted as applicable (matching the original color), and free from dirt and debris, algae, and mineral buildup, or any other substances that alter the original color of the exterior surfaces. Owners will be responsible for watering and keeping in good order and in a slightly condition the lawns and landscaping on the Owner's Lot.

7.3.1 **Common Improvements.** The Owners of adjacent Lots in the Subdivision shall endeavor to reasonably cooperate with each other with respect to the decisions and the costs and expenses of periodic reasonable repair, maintenance, reconstruction, and replacement of Common Improvements to the extent such activities affect more than one (1) Unit in the Building. Unless otherwise specified in this Declaration, the cost of reasonable repair and maintenance of Common Improvements shall be shared equally by the Owners of the adjoining Units.

Should a Common Improvement be damaged or destroyed by causes other than the intentional act or negligence of an Owner (or its agent, contractor, employee, family member, licensee, guest or invitee), then the damaged or destroyed Common Improvement shall be promptly, and with due diligence, repaired or rebuilt and the costs of reasonable repair and maintenance of the Common Improvements shall be paid equally by the Owners of the Units adjoined by the Common Improvements. Notwithstanding the foregoing, an Owner (or its agent, contractor, employee, family member, licensee, guest, or invitee) who by their negligence or willful act causes a Common Improvement to be damaged shall bear the entire cost to repair the

same to substantially similar condition in which it existed immediately prior to such damage or destruction (subject to any insurance proceeds available pursuant to this Declaration).

If Owners are unable to agree as to the necessary repairs, replacement and/or the allocation of the costs of such repairs or replacement to Common Improvements, the Owner requesting the repair or replacement shall submit a written request to the Board to determine whether the repair or replacement is necessary and the allocation of the such costs, along with an administrative fee, as reasonably determined by the Board, to cover the administrative time, costs and expenses of making this determination, which may include obtaining third party reports and estimates for the repair or replacement. As soon as reasonably practical, the Board shall make a determination as to (a) whether such repair or replacement is necessary and/or, if applicable, whether such repair or replacement affects only one or both Lots; and (b) the allocation of the cost of the repair or replacement between or among the Owners. If any Owner fails to pay their allocated share of the repair or replacement cost in a timely manner, the Association may (but has no obligation to do so) pay such amount and the non-paying Owner's share of the cost shall then constitute an Individual Assessment upon the Lot owned by the non-paying Owner. Neither the Board nor the Association will have any responsibility or liability with respect to any determination made by the Board as described in this Section. Notwithstanding the foregoing, if an Owner fails to maintain, repair, and replace, and keep in good condition and repair the Common Improvements or pay his or her share of the costs, the other Owner(s) of adjacent Units shall be entitled to bring suit for contribution from the defaulting Owner(s) and pursue any other rights or remedies available at law or in equity.

7.3.2. Exterior Improvements. All exterior improvements must be maintained, repaired or replaced, by Owner, as originally installed. This includes, but is not limited to, light fixtures, decks, privacy fences, landscaping, grass utility meters, concrete flatwork, roofing, exterior cladding, windows, garage doors, doors, gutters, fascia boards, trim and the like. Notwithstanding anything contained herein, any exterior maintenance, repair, or replacement to be performed by an Owner hereunder shall be subject to the prior approval of the Association. Any exterior maintenance, repair, or replacement to be performed by an Owner hereunder shall require that upon completion the Dwelling Unit shall be restored to a condition, specifications, and appearance as the same existed when the Unit was first constructed. All repairs and replacements must be performed in an expeditious manner. The Board may adopt guidelines or other criteria setting forth standards for such maintenance, repair, or replacement. Pursuant to such standards the Board may require that only certain types and/or manufacturers be used for replacements to the exterior surfaces to assure similarity and conformity.

7.4. Periodic Inspection. The Association may periodically inspect each Lot to determine whether the Lot and Dwelling Units are maintained in compliance with the Organizational Documents.

7.5. Failure to Maintain. In the event that an Owner shall fail to provide maintenance, repair, and/or replacement as required by the Organizational Documents, in a manner that is satisfactory to the Association, and such Owner has failed to comply for ten (10) days after being notified of such failure and upon being provided an opportunity to be heard concerning the same, then the Association shall have the right, but not the obligation, through its agents and employees

to enter upon said Lot and repair, maintain and/or restore the Lot. If such failure poses a material health, safety, or security risk, then no notice or hearing need be given. The cost of such maintenance and repair shall be assessed against the subject Lot in accordance with Section 5.4.

ARTICLE 8

LIABILITY AND OTHER INSURANCE

8.1. **Liability Insurance.** The Association, as a Common Expense, shall insure itself, the Board of Directors, Owners, Members, and family members who reside at the Property, and their resident tenants, if any, at the Dwelling Unit, against liability for bodily injury, disease, illness or death and for injury to or destruction of property occurring upon, in or about, or arising from destruction of property occurring upon, in or about, or arising from the Common Elements caused by the Association, such insurance to afford protection to a limit of not less than One Million Dollars (\$1,000,000.00) per occurrence. Such policy shall not insure against liability for personal injury or property damage arising out of or relating to the individual Lots or Dwelling Units located thereon if caused by the Owner, its occupants, guests or invitees of such Lot or Dwelling Unit.

8.2. **Property Insurance Common Elements.** The Association, as a Common Expense, shall have the authority to obtain blanket "all-risk" property insurance, and shall obtain the same if reasonably available, for all insurable improvements on the Common Elements and such other property as the Association is obligated to maintain and insure. If blanket "all-risk" coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. The face amount of such insurance shall be sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

8.3.

8.4. **Other Insurance.** As a Common Expense, the Association may obtain such insurance as the Board of Directors considers necessary, including without limitation, fidelity bonds for anyone who either handles or is responsible for funds held or administered by the Association.

8.5. **Owner's Insurance.** In addition to an individual policy each Owner may purchase for the Dwelling Unit, each Owner shall obtain a policy to cover such Owner's (and its permitted Occupants) liability toward third parties with a combined single limit of at least \$300,000 per policy year. The Board may require the Owners to furnish copies or certificates of such insurance to the Association.

8.6. **Sufficient Insurance.** In the event that the improvements on the Common Element, shall suffer damage or destruction from any cause or peril insured against and the proceeds of any policy or policies insuring against such loss or damage and payable by reason thereof shall be sufficient to pay the cost of repair or restoration or reconstruction, then such repair, restoration or reconstruction, shall be undertaken by the Association, and the insurance proceeds shall be applied by the Association in payment therefor.

8.7. **Insufficient Insurance; No Insurance.** In the event that the improvements on the Common Element, shall suffer damage or destruction from any cause or peril which is not insured against by the Association, or, if insured against by the Association, the insurance proceeds from which shall not be sufficient to pay the cost of repair, restoration or reconstruction of the Common Element improvements then such repair, restoration or reconstruction may be undertaken by the Association at the expense of all the Owners in the same proportions in which they shall share in the Annual Assessments. Should any Owner refuse or fail after reasonable notice to pay such Owners share of such cost in excess of available insurance proceeds, the amount thereof may be advanced by the Association and the amount so advanced by the Association shall be assessed to such Owner and such assessment shall have the same force and effect, and if not paid, may be enforced in the same manner as hereinbefore provided for the non-payment of assessments.

ARTICLE 9 CONDEMNATION

9.1. Whenever all or any part of the Common Elements shall be taken (or conveyed in lieu of and under threat of condemnation by the Board) by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof. No Owner, however, shall have the right to participate in the proceedings incident thereto, unless otherwise required by law. The award made for such taking shall be payable to the Association and for the use and benefit of the Owners.

ARTICLE 10 SPECIAL DECLARANT RIGHTS

10.1. **Use for Sale Purposes.** Declarant reserves for itself, its successors and assigns, and any Builder the right to maintain sales offices and models on the Lots.

10.2. **Signs and Marketing.** The Declarant reserves the right for itself and any Builder to post signs and displays on the Property to promote sales of Lots, and to conduct general sales activities, in a manner as to not unreasonably disturb the rights of Owners; provided, however, that Declarant and any Builder shall have the absolute right to place and maintain signage for the purposes of identifying and marketing their Lots or Dwelling Units. All such signs under this Section 10.2 shall only be permitted on the Property in compliance with applicable laws, ordinances, and regulations.

10.3. **Control of the Association.**

10.3.1. **Appointment of Directors and Officers.** The Declarant reserves the right to appoint and remove members of the Board and the officers of the Association during the Declarant Control Period, which period shall commence upon the recording of this Declaration and shall terminate no later than the earlier of:

10.3.1.1. The time at which one hundred percent (100%) of the Lots have been conveyed to Owners other than Declarant; or

10.3.1.2. Such other date as Declarant, in its sole and absolute discretion, determines.

10.4. **Early Termination of Control.** The Declarant may voluntarily surrender the right to appoint and remove Directors and officers before the termination of the Declarant Control Period. In such event, the Declarant may require, for the remaining duration of the Declarant Control Period that specific actions of the Association or the Board be approved by Declarant before they become effective. Such voluntary termination shall be evidenced by a recorded instrument executed by the Declarant setting forth the termination of the Declarant Control Period and the actions which require Declarant's approval.

10.5. **Declarant's Personal Property.** The Declarant and any Builder reserves the right to retain all personal property and equipment used in sales, management, construction and maintenance of the premises that has not been represented as property of the Association. The Declarant and Builder reserve the right to remove, within one (1) year after the sale of the last Dwelling Unit Lot, to an owner from the Property any and all goods and improvements used in development, marketing and construction, whether or not they have become fixtures.

10.6. **Right to Amend Documents.** Notwithstanding anything to the contrary contained herein, prior to the end of the Declarant Control Period, this Declaration may be amended at any time without the vote or approval of the Owners, the Association, or the Board by a written instrument executed by the Declarant for the purpose of eliminating or correcting any typographical or other inadvertent error herein; eliminating or resolving any ambiguity herein; making nominal changes; clarifying Declarant's original intent; making other changes in Declarant's reasonable discretion; and making any change necessary, or desirable, to meet the requirements of any institutional lender, including but not limited to, the Veteran's Administration, the Federal Housing Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, title insurer, or any other agency which may insure or purchase loans on a Lot or to the extent reasonably necessary to enable Declarant to meet any other reasonable need or requirement in order to complete the development of the Property and to facilitate the making and marketing of first mortgages upon any of the Lots. No such amendment, however, shall materially and adversely affect any Owner's use of their Lot nor their interest in the Association or the Common Elements. Each Owner and his mortgagees, by acceptance of a deed to a Lot or a mortgage encumbering such Lot, shall be deemed to have consented to and approved of the provisions of this Section 10.6. and the amendment of this Declaration by Declarant as provided in the immediately preceding sentence. All such Owners and their mortgagees, upon request of the Declarant, shall execute and deliver from time to time all such instruments and perform all such acts as may be deemed by the Declarant to be necessary or proper to effectuate the provisions of this Section.

10.7. **Temporary Construction Easement.** The Declarant reserves for itself and any Builder a temporary construction easement of five (5) feet around the boundary of each Lot to facilitate grading, drainage, and general construction activity on a neighboring Lot. If an Owner of a Lot places an obstacle within this temporary construction easement, then that Owner shall be

responsible to remove the obstacle at his or her expense. This easement allows for dirt to be added or removed, as needed, to allow for proper transition between adjoining Lots and construction of drainage swales, as needed.

10.8. **Declarant's Rights.** Any or all the special rights and obligations of the Declarant set forth in this Organizational Documents may be transferred to other persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained in the Organizational Documents. Nothing in this Declaration shall be construed to require the Declarant or any transferee to develop any of the property adjacent to or contiguous with the Property. Notwithstanding any provisions contained in this Declaration to the contrary, so long as construction and initial sales of Lots and/or Dwelling Units shall continue, it shall be expressly permissible for the Declarant and any Builder and any Affiliate of Declarant or any Builder to maintain and carry on upon portions of the Common Elements and public or private streets such facilities and activities as, in the sole option of the Declarant, may be reasonably required, convenient or incidental to the construction or sale of such Lots and/or Dwelling Units, including, but not limited to, business offices, signs, model Units, sales offices, and rental Units. The Declarant, and any Builder authorized by the Declarant, shall have easements for access to and use of such facilities as well as vehicular access for construction along the Private Roadway. The right to maintain and carry on such facilities and activities shall specifically include, without limitation, the right to Lots and/or Dwelling Units owned by the Declarant and any Common Elements or other facilities which may be owned by the Association, as models, sales offices, or rental Units. In addition, notwithstanding any provision of the Organizational Documents, the Declarant shall have the right to replat or revise the Record Plat relating to any portion of the Property without the consent of any Owner other than the Owner(s) of the Lot(s) in which the boundaries are altered. So long as Declarant or an Affiliate of Declarant owns any land within the Property, Declarant may, without the express written consent of any Owner, the Board, or the Association, include in any contract or deed hereafter executed covering all or any portion of the Property, any additional covenants or restrictions applicable to such land, so long as they are consistent with and do not lower the standards set forth in this Declaration and do not violate any covenants or restrictions then in effect and recorded against the Property. So long as the Declarant continues to have rights under this Article, no person or entity shall record any declaration of covenants, conditions and restrictions, or similar instrument affecting any portion of the Property without Declarant's review and written consent. Any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or similar instrument being void and of no force and effect unless subsequently approved in writing and signed by the Declarant and subsequently recorded in the County public records.

10.9. **Easements to Serve Additional Property.** The Declarant and its duly authorized agents, representatives, and employees, as well as its successors, assigns, licensees and mortgagees, shall have and is hereby reserved, an easement over the Common Elements for the purpose of enjoying, using, accessing and developing the Additional Property, whether or not such Additional Property is made subject to this Declaration, and such easement includes, but is not limited to, a right of ingress and egress over the Common Elements for construction of roads and for tying in and the installation of utilities on the Additional Property. Declarant agrees that it, its successors, or assigns, shall be responsible for any damage caused to the Common Elements because of vehicular traffic connected to the development of the Additional Property.

ARTICLE 11

ENFORCEMENT

11.1. **Curing Defaults; Lien.** If any Default occurs with respect to any Lot under the provisions of this Declaration, the Board shall give written notice to the Owner, setting forth in reasonable detail the nature of the Default and the specific action(s) required to remedy the Default, except that no notice of Default shall be required before the Board takes any of the actions set forth in this Declaration for nonpayment of Assessments. If the Owner fails to timely take the specific action(s) after the mailing of the notice, the Board may, but shall not be required to, exercise any or all its rights in this Declaration or otherwise available at law or in equity. The Board may exercise without notice any of its rights with respect to any Default if it determines that an emergency exists requiring immediate action.

11.2. **Remedies.** Nothing contained in this Section 11 shall be deemed to affect or limit the rights of Declarant, the Association, any Owner or Occupant or their legal representatives, heirs, devisees, successors or assigns, by appropriate judicial proceedings, to enforce the provisions of this Declaration or recover damages for any Default. It is declared that irreparable harm will result to beneficiaries of this Declaration by reason of a Default, and, therefore, each beneficiary shall be entitled to relief by way of injunction or specific performance to enforce the provisions of this Declaration as well as any other relief available at law or in equity.

11.3. **Costs and Attorney's Fees.** Costs incurred by the Association in exercising any of its rights with respect to any Lot, together with court costs, reasonable attorneys' fees, and other costs of enforcement, shall be a binding personal obligation of the Owner and shall be payable on demand. If the Owner fails to pay costs within thirty days of demand, the Association may file a notice of lien in the same manner, and which shall have the same priority as the liens for Assessments provided in Article 5.

11.4. **Charge for Damages or Enforcement Assessment.** The Board will have the authority to impose a reasonable enforcement assessment for violations of the Organizational Documents, pursuant to Ohio Revised Code Section 5312.11. An such assessment will be due and payable on the same terms and conditions as an Individual Assessment as provided in this Declaration.

11.5. **No Waiver.** The failure of Declarant, the Association, any Owner or Occupant or their legal representatives, heirs, devisees, successors, or assigns, in any one or more instances to exercise any right or privilege conferred in the Organizational Documents, shall not constitute or be construed as the waiver of such right or privilege, including the right to cure any Default but the same shall continue and remain in full force and effect as if no forbearance had occurred.

11.6. **Right and Easement of Entry.** The Association, through its authorized officers, employees, and agents, shall have the right and easement to enter upon any Lot at all reasonable times and to do anything thereon necessary to perform the action or actions specified in the notice to the Owner to abate, remedy, extinguish, remove or repair a Default, without the Association or such officer, employee or agent being deemed to have committed a trespass or wrongful act solely

by reason of each entry or such action or actions as are carried out in accordance with the provisions of Article 11.

ARTICLE 12 DURATION AND AMENDMENTS

12.1. **Duration.** This Declaration, and its provisions, shall be covenants running with the land and shall be binding on the Property and shall (regardless of whether any such beneficiary owns an interest in any Lot) inure to the benefit of and be enforceable by Declarant, the Association, and each Owner, Occupant and their legal representatives, heirs, devisees, successors and assigns and shall continue in full force and effect for ten (10) years from the date on which this Declaration is recorded. Thereafter, this Declaration shall be automatically renewed for successive ten (10) year periods, unless amended or terminated as provided in this Article.

12.2. **Amendment.** Except as otherwise provided herein, prior to the end of the Declarant Control Period, any provision of this Declaration may be amended, in whole or in part, by a recorded instrument executed by the Declarant (a) without the approval of any other party for any matters consistent with Section 10.6., or (b) as approved by a vote of at least seventy five percent (75%) of the voting power of the Association so long as no such amendment shall (i) impair or terminate any of the rights of Declarant hereunder, or (ii) materially and adversely affect the Lots owned by Declarant, unless Declarant consents, in writing, to such amendments or termination.

12.2.1. Except as provided in this Section 12.2., after the end of the Declarant Control Period, any provision of this Declaration may be amended, in whole or in part, by a recorded instrument approved by the Owners of at least seventy five percent (75%) of all Lots.

12.2.2. Prior to the end of the Declarant Control Period, and subject to Section 10.6. and Section 12.2., all amendments shall be executed by the Declarant, and any Builder, if required, and shall be executed by a duly elected officer of the Association. After the end of the Declarant Control Period, all amendments shall be executed by a duly elected officer of the Association. Any such amendment shall certify that the proper notices were sent and that the requisite vote was obtained. Amendments need not be signed by the Owners.

12.3. **Nonliability of Declarant.** Declarant, the Board, the officers, and their successors and assigns shall not be liable for any claim whatsoever arising out of or by reason of the exercise of discretion or authority (or its decision not to exercise such discretion or authority) pursuant to the Organizational Documents, whether or not the claims shall be asserted by any Owner, the Association, or any person or entity claiming through any of them; or shall be on account of injury to person or damage to or loss of property wherever located and however caused.

12.4. **Termination.** This Declaration, and the regime created thereby, may be terminated only in accordance with this Section 12.4.

12.4.1. **Consent Required.** This Declaration shall be terminated only upon consent of the Owners of one hundred percent (100%) of the Lots, and if during the Declarant Control Period, by consent of the Declarant.

12.4.2. **Agreement to Terminate.** No termination shall be effective unless an agreement to terminate is filed for record in the public records of the County to terminate This agreement to terminate shall be executed in the same manner as an amendment. The agreement shall provide for disposition of the Common Elements, disposition of Association funds and other resolutions and provisions necessary to terminate the regime and wind up the affairs of the Association.

ARTICLE 13 **MISCELLANEOUS**

13.1. **No Reverter.** No covenant, condition, restriction, or reservation of easement contained in this Declaration is intended to create, or shall be construed as creating, a condition subsequent or a possibility of reverter.

13.2. **Invalidity.** The determination by a court of competent jurisdiction that any provision of this Declaration is invalid for any reason shall not affect the validity of any other provision.

13.3. **Headings.** The headings of the Sections and subsections are for convenience only and shall not affect the meaning or construction of the contents of this Declaration.

13.4. **Gender.** Throughout this Declaration, where the context so requires, the masculine gender shall be deemed to include the feminine and neuter, and the singular shall include the plural, and vice versa.

13.5. **Availability of Documents.** The Association shall make available to Owners, lenders, and to holders, insurers, or guarantors of any first mortgage on a Lot, current copies of the Declaration, the Bylaws and other Rules and Regulations concerning the Property. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances.

13.6. **Non-Liability of Declarant.** Neither the Declarant nor its representatives, successors or assigns shall be liable for any claim whatsoever arising out of or by reason of any actions performed pursuant to any authorities granted or delegated to them by or pursuant to the Organizational Documents, whether or not such claims shall be asserted by an Owner, Occupant, the Association, or by any person or entity claiming through any of them; or shall be on account of injury to person or damage to or loss of property wherever located and however caused. Without limiting the generality of the foregoing, the foregoing enumeration includes all claims for, or arising by reason of, the Property or any part thereof becoming out of repair or by reason of any act or neglect of any Owner, Occupant, the Association and their representative, agents, employees, guests and invitees or by reason of any neighboring property or personal property located on or about the Property, or by reason of the failure to furnish or disrepair of any utility services (heat,

air conditioning, electricity, gas, water, sewage, cable television, etc.), except as provided by any written warranty provided by the Declarant to an Owner or the Association.

13.7. **Notices.** Any notice required or permitted to be given to an Owner or Occupant by the Board pursuant to the provisions of the Organizational Documents shall be deemed given when transmitted pursuant to the notice provisions set forth in the Bylaws to such person's last address as it appears on the records of the Association.

13.8. **Covenants Running with the Land.** This Declaration and all amendments hereto shall be, and shall be construed as, covenants running with the land, shall be binding upon Declarant, Builder, any mortgagee, the Association, its Members; each Owner, each Occupant and all claiming under each Owner or Occupant, and shall (regardless of whether or not any such beneficiary owns an interest in any Lot) inure to the benefit of and be enforceable by (i) Declarant, (ii) Builder, (iii) the Association, and (iv) each Owner and all claiming under each Owner.

13.9. **Construction.** The Board shall have the right to construe the provisions of this Declaration, and, in the absence of an adjudication by a court of competent jurisdiction to the contrary, such construction shall be final and binding as to all persons and entities benefited or bound by the provisions of this Declaration, except the Declarant.

13.10. **Invalidity.** The determination by a court of competent jurisdiction that any provision of this Declaration is invalid for any reason shall not affect the validity of any other provision hereof.

EXHIBIT C**Bylaws****BYLAWS
OF
ANDERSON PLACE HOMEOWNERS ASSOCIATION, INC.****ARTICLE I
GENERAL**

1.1. **Name and Nature of the Association.** Anderson Place Homeowners Association, Inc. (the "Association") was formed as a non-profit corporation pursuant to and in accordance with the Ohio Revised Code Chapter 1702, as the same may be amended from time to time.

1.2. **Applicability.** These Bylaws of Anderson Place Homeowners Association, Inc. (the "Bylaws") are binding on all present and future Lot Owners (i.e. Owners) and Occupants of the Property and Additional Property (collectively, the "Property"), along with all other persons using any improvements or facilities located on the Property in any manner. Upon the acquisition, rental, use, or other act of occupancy of any Lot, or any other portion of the Property by any person, these Bylaws will be deemed accepted and ratified by that person.

1.3. **Definitions.** All capitalized terms used in these Bylaws that are not defined, will have the same meaning as that term is used in the "Declaration of Covenants, Conditions and Restrictions and Reservation of Easements for Anderson Place" (the "Declaration").

**ARTICLE II
MEMBERS AND VOTING RIGHTS**

2.1. **Membership.** Each Owner, upon acquisition of title to a Lot, will automatically become a member of the Association (a "Member"). Such membership will terminate upon the sale or other disposition by such Member of his or her Lot ownership, at which time the new Owner(s) of such Lot will automatically become a Member of the Association.

2.2. **Voting Rights.** Each Lot will have one vote with regard to matters submitted to the Members for a vote. If a Lot has multiple Owners, and only one of the Owners is present at a meeting of the Association, the present Owner is entitled to cast the vote allocated to that Lot. If more than one of the Owners is present, the vote allocated to that Lot may be cast only in accordance with the agreement of a majority in interest of the Owners. There will be deemed majority agreement among the multiple Owners of a Lot if anyone one of the Owners casts a vote allocated to that Lot without protest being made promptly to the person presiding over the meeting by any of the other Owners of the Lot. The Association may adopt rules regarding deadlocks. No votes allocated to a Lot owned by the Association may be cast.

2.2.1. *Declarant Voting Rights.* Notwithstanding the foregoing, or anything else in the Bylaws, during the Declarant Control Period, Declarant will be entitled to four (4) votes for

each Lot owned by Declarant. In addition, during the Declarant Control Period, Declarant will have an additional number of votes equal to four (4) times the total number of Lots that could be placed on the Additional Property and subjected to the Declaration pursuant to the terms of the Declaration, but have not yet been so added. After the Declarant Control Period, Declarant's voting rights will be the same as the other Owners.

2.3. Revocation of Voting Rights. Any Member who is in Default, as that term is defined in the Declaration, or has been issued a notice of default pursuant to the Bylaws, or who has had his or her right or privilege of use and enjoyment of the Common Elements suspended pursuant to the Declarations, or is otherwise in default under the Declarations or Bylaws, will not be in good standing and will not be entitled to vote during any period in which the default or suspension continues.

2.4. Proxies. A vote allocated to a Lot may be cast pursuant to a proxy duly executed by an Owner. If a Lot is owned by more than one person, the Owners of the Lot may vote by a proxy duly executed by a majority of the Owners of the Lot. An Owner may revoke a proxy given pursuant to this Section only by actual notice of revocation to the person presiding over a meeting of the Association. A proxy is void if it is not dated or purports to be revocable without notice. Except as hereinafter provided, a proxy will terminate one (1) year after its date, unless it specifies a shorter time. If a first mortgagee has been designated a proxy under the terms of a first mortgage covering the Lot, its presentation to the Board of a copy of the mortgage will be notice of the proxy designation, and if the mortgage so states, of the irrevocability of that designation. Written notice to the Board or notice in a meeting of a revocation of a proxy designation will not affect any vote or act previously taken. Each proxy will automatically cease upon conveyance of the Lot, if such proxy is not earlier revoked.

ARTICLE III MEETINGS

3.1. Place of Meetings. Meetings of the Association will be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board of Directors either in Butler County, Ohio, Hamilton County, Ohio or as convenient thereto as possible and practical.

3.2. Annual Meeting. The annual meeting of the Members for the purpose of electing Directors and for the transaction of such other business as may properly come before the meeting will be held on such date in the month of April of each year or at such other date as may be determined by the Directors.

3.3. Special Meetings. The Secretary of the Association will call a special meeting of the Members: (i) when directed by the President of the Association; (ii) upon the resolution of a majority of the Board of Directors; or (iii) upon the presentation to the Secretary of the Association of a petition signed by Members holding at least thirty-three percent (33%) of the total votes of the Association.

3.4. **Notice and Waiver.** Written notice of each meeting of Members will be given not less than seven (7) days nor more than sixty (60) days before it is to be held. Each notice will specify the date, time, and place of the meeting, and, in case of a special meeting, will specify the purposes of the meeting. The notice will be posted in a visible place on a Common Element and will be delivered personally or mailed, postage prepaid, to all Members of record. Any Member may waive notice of a meeting by doing so in writing before or after the meeting. Attendance at a meeting, either in person or by proxy, will constitute a waiver of notice and of any and all objections to the place or time of such meeting or the manner in which it has been called or convened, unless a member attends the meeting solely for protesting the lack of proper notice relating to such meeting.

3.5. **Quorum.** Except as otherwise provided in these Bylaws or in the Declaration, those Members present in person or by proxy holding at least twenty-five percent (25%) of the total votes outstanding of the Members of the Association will constitute a quorum for any annual meeting or special meeting. Those present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that any action taken will be approved by at least a majority of Members required to constitute a quorum.

Whether or not a quorum is present, the Members entitled to exercise a majority of voting power represented at a meeting may adjourn that meeting without notice other than by announcement at the meeting.

3.6. **Conduct of Meetings.** The President will preside over all meetings of the Association, and the Secretary will keep the minutes of the meeting and record in the minute book all resolutions adopted, as well as a record of all transactions occurring thereat.

3.7. **Action Without a Meeting.** Any action which may be authorized or taken at a meeting of the Members, except the election of Board members, may be authorized or taken without a meeting with the affirmative vote or approval, and in writing or writings signed by, the Members holding at least fifty percent (50%) of the total votes outstanding of the Members of the Association.

ARTICLE IV **BOARD OF DIRECTORS**

4.1. **Board of Directors.** Except as otherwise provided by law, the Articles of Incorporation (the "Articles"), the Declaration, or these Bylaws, all of the authority of the Association will be exercised by or under the direction of the Board of Directors (i.e. the Board).

4.2. **Number and Qualification of Directors.** The initial Board of Directors in the Association consists of three (3) persons and are named in the amended Articles filed with the Ohio Secretary of State and made effective as of April 14, 2025 (the "Initial Directors"). Except those appointed by the Declarant, or named in the amended Articles, all Directors must be Owners. The spouse of an Owner is qualified to act as a Director if both the Owner and the spouse occupy the Lot. No person and his or her spouse may serve on the Board at the same time.

4.3. **Term.** The term of the initial Board of Directors will expire as of the date of that the special meeting held after the end of the Declarant Control Period at which time three (3) new Directors will be elected. At such special meeting, one Director will be elected for a term of one (1) year and until his or her successor is elected and qualified; one (1) Director will be elected for a term of two (2) years and until his or her successor is elected and qualified; and one (1) Director will be elected for a term of three (3) years and until his or her successor is elected and qualified. Thereafter, all successor Directors will be elected for a term of one (1) year. Each of the new Directors will be a Member, a spouse of a Member, or a principal, member, owner, partner, director, officers, trustee, or employee of an Owner that is not an individual.

4.4. **Election of Directors.** Directors will be elected by the Members in person or by proxy at each annual meeting or at a special meeting called for the purpose of electing Director(s). At a meeting of the Members of the Association at which Directors are to be elected, only persons nominated as candidates will be eligible for election as Directors, and the candidates receiving the greatest number of votes will be elected. The Board may adopt rules regarding nominations and procedure for elections. Election to be a Director will be by secret ballot. At each such election, the Members or their proxies may cast, in respect to each vacancy, such voting power as they are entitled to exercise under the provisions of the Declaration.

4.5. **Resignation; Removal, Vacancies.** A Director may resign at any time by giving written notice to the Board, the President, or the Secretary. The resignation will take effect on the date of receipt of such notice or at any later time specified therein, and unless specified therein, the acceptance of such resignation will not be necessary to make it effective.

A Director appointed by Declarant may be removed by Declarant at any time, with or without cause. An elected Director may be removed, with or without cause, by a majority vote of the Members voting at a meeting of the Members (this provision is not applicable to any Initial Director). Additionally, any elected Director who has three (3) unexcused absences from Board meetings or who is delinquent in the payment of an Assessment for more than twenty (20) days may be removed by a majority vote of the Directors at a meeting, a quorum being present (this provision is not applicable to any Initial Director). Notwithstanding the foregoing, or anything else in these Bylaws, the Members may not remove any Initial Director, and an Initial Director may not be removed due to unexcused absences from Board meetings.

If a vacancy is created because of resignation, removal, or death, a successor will be appointed or elected to serve for the unexpired term of the departed Director. For a vacancy created because Declarant removed a Director, Declarant will appoint a successor for any appointed Director or initial Director. If a vacancy is created because the Members removed a Director, then the Members will elect a successor for any elected Director using the procedure set forth in Section 4.4 above.

4.6. **Compensation.** Directors will serve without compensation except that Directors may be reimbursed for actual expenses incurred on behalf of the Association; provided, however, such expenses were approved in advance by the Association in writing, and the Director provides written receipts for reimbursement no more than thirty (30) days after expenses were incurred.

4.7. **Annual Organizational Meeting.** The annual organizational meeting of the Board of Directors will take place immediately after each annual meeting of the Members, at the time and place fixed from time to time by the Board.

4.8. **Regular Meetings.** Regular meetings of the Board of Directors may be held at such time and place as will be determined from time to time by a majority of the Directors, but at least four (4) such meetings will be held during a fiscal year with at least one (1) per quarter.

4.9. **Special Meetings.** Special meetings of the Board of Directors will be held when called by written notice signed by the President or Secretary of the Association, or by any two Directors. The notice will specify the time and place of the meeting and the nature of any special business to be considered.

4.10. **Conduct of Meetings.** The President will preside over all meetings of the Board of Directors, and the Secretary will keep the minutes of the meeting and record in the minute book all resolutions adopted, as well as a record of all transactions occurring thereat.

4.11. **Notice of Meetings; Waiver.** Notice of the time and place of each meeting of the Directors, whether annual, regular or special, will be given to each Director at least seventy-two (72) hours before the time set for the meeting. Waiver of notice of meetings of the Directors will be deemed the equivalent of proper notice. Any Director may, in writing, waive notice of any meeting of the Board of Directors, either before or after the holding of such meeting. Such writing will be entered into the minutes of the meeting. Attendance of any Director at any meeting without protesting, prior to or at the commencement of the meeting, the lack of proper notice, will be deemed to be a waiver by the Director of notice of such meeting.

4.12. **Quorum of Board of Directors.** At all meetings of the Board of Directors, a majority of the Directors will constitute a quorum for the transaction of business, and the votes of a majority of the Directors present at a meeting at which a quorum is present will constitute the decision of the Board. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of any Director, if any action taken is approved by at least a majority of the required quorum for the meeting. Notice of adjournment of a meeting need not be given if the time and place to which it is adjourned are fixed and announced at such meeting. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted.

4.13. **Open Meeting.** All meetings of the Board of Directors will be open to all Members of the Association, but Members other than the Directors may not participate in any discussion or deliberation unless expressly so authorized by a majority of a quorum of the Board.

4.14. **Executive Session.** The Board of Directors, with approval of a majority of a quorum, may adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, matters involving specific Members of the Association (ex. matters involving a specific Member's failure

to pay Assessments), or orders of business of similar nature. The nature of any and all business to be considered in executive session will first be announced in open session.

4.15. **Action Without a Meeting.** Any action which may be authorized or taken at a meeting of the Board of Directors may be authorized or taken without a meeting with the affirmative vote or approval, and in writing or writings signed by all Directors. Any such writing will be entered into the minute book of the Association.

ARTICLE V

POWERS AND DUTIES

5.1. **Association.** The Association, through its Board of Directors, will do both of the following:

a. Cause to be kept a complete record of all its acts and corporate affairs, and to present a statement thereof to the Members at the annual meeting of the Members, or at any special meeting when such statement is requested in writing by Members representing thirty-three percent (33%) of Members who are entitled to vote;

b. Supervise all Officers (defined below), agents and employees of the Association, and to see that their respective duties are properly performed, with the Board having full power to make all personnel decisions;

c. As more fully provided in the Declarations, to: (i) establish, enforce, levy, and collect Assessments as provided in the Declarations; (ii) give written notice of each Assessment to every Member subject thereto within the time limits set forth therein; (iii) foreclose the lien against any property for which Assessments are not paid within a reasonable time after they are authorized by the Declarations to do so, or bring an action at law against the Member(s) personally obligated to pay the same, or both;

d. Issue, or cause an appropriate Officer to issue, upon demand by any person, a certificate setting forth whether or not an Assessment has been paid. A reasonable charge may be made by the Board for issuance of these certificates. If a certificate states an Assessment has been paid, such certificate will be conclusive evidence of such payment;

e. Procure and maintain insurance as provided in the Declarations, and as the Board deems advisable;

f. Cause the property subject to the Association's jurisdiction to be maintained within the scope of authority provided in the Declarations;

g. Cause the restrictions created by the Declarations to be enforced; and

h. Take all actions deemed necessary or desirable to comply with all requirements of law and the Declarations.

5.2. **The Board of Directors.** The Board will exercise all powers and authority, under law, and under provisions of the Declaration, that are not specifically and exclusively reserved to the Members by law or by other provisions thereof, and without limiting the generality of the foregoing, the Board will have the right, power and authority to:

a. Hire and fire managing agents, attorneys, accountants, and other independent professionals and employees that the Board determines are necessary or desirable in the management of the Property and the Association;

b. Commence, defend, intervene in, settle, or compromise any civil, criminal, or administrative action or proceeding that is in the name of, or threatened against, the Association, the Board of Directors, or the Property, or that involves two (2) or more Owners and relates to matters affecting the Property;

c. Enter into contracts and incur liabilities relating to the operation of the Property;

d. Enforce all provisions of the Declarations, these Bylaws, covenants, conditions, restrictions, and the Articles (as amended) governing the Lots and Common Element(s);

e. Adopt and enforce rules and regulations that regulate the maintenance, repair, replacement, modification, and appearance of Common Element(s), and any other rules as the Declarations provide;

f. Acquire, encumber, and convey or otherwise transfer real and personal property, subject to Ohio Revised Code Chapter 5312;

g. Hold in the name of the Association the real property and personal property;

h. Grant easements, leases, licenses, and concessions through or over the Common Element(s);

i. Levy and collect fees or other charges for the use, rental, or operation of the Common Element(s) or for services provided to Owners;

j. Pursuant to Ohio Revised Code Chapter 5312, levy the following charges and Assessments: (i) interest and charges for the late payment of Assessments; (ii) returned check charges; (iii) enforcement assessments for violations of the Declarations, these Bylaws, and the rules and regulations of the Association; and (iv) charges for damage to the Common Element(s) or other Property;

k. Adopt and amend rules and regulations that regulate the collection of delinquent Assessments and the application of payments of delinquent Assessments;

l. Impose reasonable charges for preparing, recording, or copying the Declarations, these Bylaws, amendments to the Declarations and Bylaws, resale certificates, or statements of unpaid Assessments;

m. Authorize entry to any portion of the Property by designated individuals when conditions exist that involve an imminent risk of damage or harm to the Common Element(s), another Dwelling Unit, or to the health or safety of the occupants of that Dwelling Unit or another Dwelling Unit;

n. Subject to division (A)(1) of Section 5312.09 of the Ohio Revised Code, borrow money and assign the right to Assessments or other future income to a lender as security for a loan to the Association;

o. Suspend the voting privileges and use of recreational facilities of an Owner who is delinquent in the payment of Assessments for more than thirty (30) days;

p. Purchase insurance and fidelity bonds the Directors consider appropriate and necessary;

q. Invest excess funds in investments that meet standards for fiduciary investments under the laws of Ohio;

r. Exercise powers that are any of the following: (i) conferred by the Declarations or Bylaws; (ii) permitted to be exercised in Ohio by a non-profit corporation; (iii) necessary and proper for the government and operation of the Association.

5.3. Professional Management Contracts. The Association may delegate all or any portion of its authority, subject to the Board of Directors supervision, to discharge its responsibilities herein to a manager or managing agent. Any management agreement will not exceed three (3) years and will provide for termination by either party without cause and without payment of a termination fee on ninety (90) days or less written notice.

5.4. Rules and Regulations. The Board may adopt and amend rules and regulations (the "Rules and Regulations") for the maintenance, use conservation, and beautification of the Property and for the health, comfort, safety, and general welfare of Members and their families, tenants, and invitees. The Board, or any committee created by the Board, may impose fines on a Member who violates, or whose family members, tenants, or invitees violate, the Rules and Regulations. The Board may establish a schedule of fines for particular violations of the Rules and Regulations to be paid by any Member who violates such Rules and Regulations. Any fines assessed by the Board will be due and payable on the date the next installment of any Assessment is due. In the event that a Member will fail to pay when due any fines assessed by the Board under this Section, then the amount of the assessed fines, in addition to any and all expenses incurred by the Board in enforcing this Section, including reasonable attorneys' fees to the extent permitted by Ohio law, may be levied as a special assessment against the Owner in question and his or her Lot. The levying of a fine against a defaulting or delinquent Member will not operate as a waiver of any other rights that the Board may have against such Member pursuant to the Declarations or

these Bylaws. In the event such Rules and Regulations conflict with any provisions of the Declarations or these Bylaws, the provisions of the Declarations and these Bylaws will govern.

5.5. **Annual Review.** The Board may arrange annually for a certified public accountant to review the Association's books. Upon written request, the Board will provide a first mortgagee with a copy of any annual review report.

5.6. **Budget.** The Board of Directors will prepare and propose a budget covering the estimated common expenses and the various expenses of the Association for each coming fiscal year. The budget will include a capital contribution or reserve in accordance with a capital budget separately prepared by the Board. After adoption of the budget by the Members at a meeting of the Members, the Board will cause the summary of the budget and the Assessments to be levied against each Lot for the following year to be delivered to each Owner. The budget and Assessments will take effect on the first day of the fiscal year. The failure or delay of the Board to prepare and propose a budget, or the failure or delay of the Members to adopt a budget, as provided herein, will not constitute a waiver or release of the obligation of an Owner to pay the Assessments. In such event, the Assessments based upon the budget last adopted will continue until such time as the Association adopts a new budget.

ARTICLE VI

OFFICERS

6.1. **Officers.** The officers of the Association will be a President, Secretary, and Treasurer (collective, the "Officers"). The Board of Directors may elect such other Officers, including one or more Vice-Presidents, assistant Secretaries, and one or more assistant Treasurers, as it will deem desirable, such officers to have the authority to perform the duties prescribed from time to time by the Board. Any two or more offices may be held by the same person, excepting the offices of President and Secretary. The President and Treasurer will be elected from among members of the Board of Directors.

6.2. **Election; Term of Office; Vacancies.** The officers of the Association will be elected annually by the Board of Directors at the first meeting of the Board following each annual meeting of the Members, as set forth in these Bylaws. A vacancy of any office arising because of death, resignation, removal or otherwise may be filled by the Board for the unexpired portion of the term.

6.3. **Removal.** Any officer may be removed by the Board of Directors whenever, in its judgment, the interests of the Association would be served thereby.

6.4. **Powers and Duties.** The officers of the Association will each have such powers and duties as generally pertain to their respective offices, as well as such powers and duties as may from time to time be specifically conferred or imposed by the Board. The President will be the chief executive officer of the Association. The Treasurer will have the primary responsibility for the preparation of the budget and may delegate all or part of the preparation and notification duties to a finance committee, as management agent or both.

6.5. **Resignation.** Any officer may resign at any time by giving written notice to the Board, the President, or the Secretary. Such resignation will take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation will not be necessary to make it effective.

ARTICLE VII COMMITTEES

7.1. **General.** The Board may appoint and disband such committees as it chooses from time to time.

ARTICLE VIII INDEMNIFICATION

8.1. **Indemnification.** The Association will indemnify every person who is or has been a Director, Officer, agent or employee of the Association and those persons' respective heirs, legal representatives, successors and assigns, against expenses, including reasonable attorneys fees, and judgments, decrees, fines, penalties, loss, costs, damages, and amounts paid in settlement actually and reasonably incurred in connection with any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, and whether in an action or proceeding by or in the right of the Association, or otherwise in which such person was or is a party or is threatened to be made a party by reason of the fact that person was a Director, Officer, employee or agent of the Association, or is or was serving in such capacity at the request of the Association, provided that person: (i) acted in good faith and in a manner that person believed to be in, or not opposed to, the best interest of the Association, and (ii) in any matter the subject of a criminal action or proceeding, had no reasonable cause to believe the questioned conduct was unlawful, but provided that in the case of any threatened, pending or completed action or suit by or in the right of the Association to procure a judgment in its favor against any such person by reason of that person serving in such capacity, no indemnification will be made in respect of any claim, issue or matter as to which such person will have been adjudged to be liable for gross negligence or misconduct in the performance of a duty to the Association unless and only to the extent that the court in which such action was brought will determine upon application that in view of all the circumstances of the case that person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Unless ordered by a court of competent jurisdiction, the determination of indemnification, pursuant to the foregoing criteria, will be made: (a) by a majority vote of a quorum of Directors of the Association who were not and are not parties to or threatened with any such action, suit, or proceeding, or (b) if such a quorum is not obtainable, or if a majority of a quorum of disinterested Directors so direct, in a written opinion by independent legal counsel other than an attorney or a firm having associated with it an attorney, who has been retained by or who has performed services for the Association or any person to be indemnified within the past five (5) years, or (c) by a majority vote of a quorum of Members, or (d) by the court of competent jurisdiction in which such action, suit or proceeding was brought.

Any indemnification as provided above will not be deemed exclusive of any other rights to which such person may be entitled under law, any agreement, or any insurance purchased by the Association, or by vote of the members of the Association, or otherwise.

ARTICLE IX

CONFLICTS AND AMENDMENTS

9.1. **Conflicts.** If there are conflicts or inconsistencies between the provisions of Ohio law, the Articles, the Declarations and these Bylaws, the provisions of Ohio law, the Articles, the Declarations, and these Bylaws, in that order will prevail.

9.2. **Amendment.** These Bylaws may be amended at any meeting of the Members duly called and held for that purposes. During the Declarant Control Period, the amendment must be adopted by the Declarant and Members holding at least seventy-five percent (75%) of the total votes of the association; at all other times, the amendment must be adopted by the Members holding at least seventy-five percent (75%) of the total votes of the Association.

ARTICLE X

MISCELLANEOUS

10.1. **Fiscal Year.** The Association will adopt any fiscal year as determined by the Board of Directors.

10.2. Books and Records.

a. *Inspection by Members.* The membership book, account books, and minutes of the Association, the Board, and any committee will be made available for inspection and copying by any Member or by his or her duly appointed representative at any reasonable time and for a purpose reasonably related to his or her interest as a Member at the office of the Association or at such other place within Hamilton County, Ohio, as the Board will prescribe. Without limiting the foregoing, unless approved by the Board, a Member (or Owner) may not examine or copy any of the following from books, records, or minutes: (i) information that pertains to Property-related personnel matters; (ii) communications with legal counsel or attorney work product pertaining to potential, threatened or pending litigation, or other Property-related matters; (iii) information that pertains to contracts or transactions currently under negotiation, or information that is contained in a contract or other agreement containing confidentiality requirements and that is subject to those requirements; (iv) information related to the enforcement of the Declaration, these Bylaws, or rules and regulations of the Association against other Owner(s); or (v) information the disclosure of which is prohibited by state or federal law.

b. *Rules for Inspection.* The Board will establish reasonable rules with respect to: (i) notice to be given to the custodian of the records by the Members desiring to make the inspection; (ii) hours and days of the week when such inspection may be made; and (iii) payment of the cost of reproducing copies requested by a Member.
