**Plan Description:** The Venice home sparkles inside and out with lots of room for entertaining and relaxation. The right wing of the home features a library/media room which leads to a circular stairway below to the wine cellar, media room with bathroom, oversized recreation room and indoor pool. The private master suite enjoys access downstairs and outdoors to the open patio with a viga ceiling. Other highlights include a circular dining room with 13 foot ceilings, a cozy kitchen nook with bay windows and great room. For that special overnight guest theres a secluded casita to the left of the courtyard.
