◆ Technology

★ ENERGY STAR qualified products are more energy efficient without sacrificing performance

◆ The U.S. Environmental Protection Agency (EPA) WaterSense products save water without sacrificing performance or quality

Although all features may not apply to all plans due to design configurations and architectural styling, you will find a wealth of luxury features included in every Elliott Home. Please consult your Sales Representative for a complete options list and to determine if a particular feature is offered in the home you desire. Special features and decorator items in model homes are not included (wallpaper, mirrors, wall treatments, furniture and special walk-finishing).
