RANCH-STYLE CONDOMINIUM HOMES

— THE RESERVE AT —
Wrenwood

LUXURY. LOCATION. CONVENIENCE.

The Reserve at Wrenwood is in The Village of Germantown and offers convenient access to Hwy 41/45. The neighborhood is a mix of single-family homes and condominium homes.

Germantown is a family-friendly community with excellent schools. The Village maintains nine public parks and a wilderness area that spans 400 acres, giving residents and visitors access to outdoor activities all year round. An abundance of park amenities includes an archery range, community garden, tennis and basketball courts, athletic fields, ice skating rink, fishing pond, outdoor shelters, playgrounds, and much more.

Harbor Homes is building twin and quad condos that include shared landscape maintenance and snow plowing services. The Reserve at Wrenwood features a clubhouse and recreational amenities exclusive to condominium owners. Walking paths and a central park area are only steps away.

Designed for luxury living, each unit includes solid surface countertops, maple cabinetry, stainless steel dishwasher and microwave. Spacious floorplans feature a stone fireplace and 9ft ceilings. The private owner's suite with attached bathroom includes double bowl vanity and large walk-in closet.

Directions: Hwy 41/45 to Mequon Rd exit. Take Mequon Road, East to Country Aire Dr., North on Country Aire Dr. to entrance on the left.
