## GEORGETOWN

Two Story | 2 or 3 Bedrooms | 1 or 2 Full Baths | Optional Half Bath

BUILT BY McBRIDE HOMES, INC.

\* Due to the evolutionary changes in our design improvements process, there may be variations between these plans and the "as built" floor plans, including layout and room sizes, square footage of the residence itself, and the location and size of doors, windows, openings, door swings, and other building components, including the location of posts and beams.
