**DECLARATION
OF PROTECTIVE COVENANTS
FOR
THE CROSSING AT MT. CARMEL
SUBDIVISION**

THIS DECLARATION is made on the date hereinafter set forth by Green Lite Development, LLC, an Alabama limited liability company, (hereinafter sometimes called "Declarant").

**BACKGROUND
STATEMENT**

Declarant is the owner of the real property described in Article II, Section 1, of this Declaration.

Declarant desires to subject the real property described in Article II, Section 1, hereof to the provisions of this Declaration to create a residential community and to provide the mechanism for the subjecting of other real property to the provisions of this Declaration.

Declarant intends by this Declaration to impose mutually beneficial restrictions under a general plan of improvement for the benefit of all owners of property subject to, or hereinafter subject to these protective covenants. Declarant desires to establish a method for the maintenance, preservation, use, and enjoyment of the property that is now or hereafter subjected to this Declaration.

Declarant hereby declares that the real property described in Article II, Section 1, of this Declaration, including the improvements constructed or to be constructed thereon, is hereby subjected to the provisions of this Declaration and shall be held, sold, transferred, conveyed, used, occupied, and mortgaged or otherwise encumbered subject to the covenants, conditions, restrictions, easements, assessments, and liens, hereinafter set forth, which are for the purpose of protecting the value and desirability of, and which shall run with the title to, the real property hereby or hereafter made subject hereto, and shall be binding on all persons having any right, title, or interest in all or any portion of the real property now or hereafter made subject hereto, their respective heirs, legal representatives, successors, successors-in-title, and assigns and shall inure to the benefit of each and every owner and occupant of all or any portion thereof.

The Declarant has heretofore caused the Association, as defined below, to be formed as an Alabama non profit corporation for the purpose of making the Assessments, as defined below, and otherwise taking all action which the Association is authorized to take.

ARTICLE I
Definitions

Unless the context shall prohibit, certain words used in this Declaration shall have the definition meaning set forth in Exhibit "A", attached hereto and by reference made a part hereof.

ARTICLE II
Property Subject to This Declaration

Section 1. Property Hereby Subjected To This Declaration. The real property which is, by the recording of this Declaration, subject to the covenants and restrictions hereinafter set forth and which, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied, and mortgaged or otherwise encumbered subject to this Declaration is the real property described in Exhibit "B", attached hereto and by reference made a part hereof.

Section 2. Other Property. Only real property described in Section 1 of this Article II is hereby made subject to this Declaration; provided, however, by one (1) or more Supplementary Declarations, Declarant has the right, but not the obligation, to subject real property to this Declaration, as hereinafter provided in Article X.

Section 3. Mutuality of Benefit and Obligation. The provisions of these Covenants are made (a) for the mutual and reciprocal benefit of each Lot and Common Area within the Community and are intended to create mutual, equitable servitudes upon and in favor of each Lot, (b) to create reciprocal rights and obligations between the respective Owners and all future and subsequent Owners of any Lot within the Community, and (c) to create a privity of contract and estate between the Owners, their respective heirs, successors and assigns.

ARTICLE III
Association Membership and Voting Rights

Section 1. Membership. Every Owner shall be a Member of the Association. There shall be only one membership per Lot. If a Lot is owned by more than one person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in this Declaration and in the By-Laws, and all such co-Owners shall be jointly and severally obligated to perform the responsibilities of Owners. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, partner or trustee, or by any individual designated from time to time by the Owner in a written instrument delivered to the secretary of the Association. Membership shall be appurtenant to and may not be separated from ownership. Those Owners of property, if any, which is exempt from assessments as provided in Article IV, Section 11, hereof are Members of the Association and are subject to the provisions of this Declaration, but are not Owners of Residences and shall not, therefore, be entitled to vote.

Section 2. Voting. The Association shall have two classes of membership, Class "A" and Class "B."

(a) Class "A". Class "A" Members shall be all Owners except the Class "B" Member, if any. Class "A" Members shall have one equal vote for each Lot/Residence in which they hold the interest required for membership under Section 1; provided, however, there shall be only one vote per Lot. Notwithstanding the above, the Owner of two contiguous Lots, as shown on the final subdivision plat recorded in the Public Records, on which one residential dwelling is constructed which crosses the boundary line separating Lots, shall have only one vote for such Lots. All Class "A" votes shall be cast as provided below.

(b) Class "B". The sole Class "B" Member shall be the Declarant. The rights of the Class "B" Member, including the right to approve, or withhold approval of, actions proposed under this Declaration, the By-Laws and the Certificate, are specified in the relevant sections of this Declaration, the By-Laws and the Certificate. The Class "B" Member may appoint all or a Majority of the members of the Board of Directors, as determined in the By-Laws, during the Class "B" Control Period which shall continue until the last to occur of the following:

- (i) when Declarant no longer owns a Lot in the Community;
- (ii) two years from the date of execution of this Declaration; or
- (iii) when, in its discretion, the Class "B" Member so determines and voluntarily relinquishes such right.

After termination of the Class "B" Control Period, the Class "B" Member shall have a right to veto actions of the Board and committees as provided in the By-Laws. The Class "B" membership shall terminate upon the earlier of:

- (i) once all Lots have obtained certificates of occupancy;
- (ii) two years after expiration of the Class "B" Control Period; or
- (iii) when, in its discretion, the Declarant so determines and declares in a recorded instrument.

Upon termination of the Class "B" membership, the Declarant shall be a Class "A" Member entitled to Class "A" votes for each Lot/Residence which it owns.

Any Owner of a Residence not occupied by the Owner may, in the lease or other written instrument, assign the Owner's voting right appurtenant to that Residence to the Occupant, provided that a copy of such instrument is furnished to the Secretary within the time period prescribed by the Secretary. In the event of such assignment, the Occupant may vote the Owner's vote on all issues upon which the Owner would be entitled to vote.

An Owner's right to vote may be suspended as provided in Article XII, Section 2, of this Declaration.

ARTICLE IV Assessments

Section 1. Purpose of Assessment. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefits, and enjoyment of the Owners and Occupants in the Community, including the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

Section 2. Type of Assessments. Each Owner of any Residence, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) General Assessments; (b) Special Assessments, such assessments to be established and collected as hereinafter provided in Article IV, Section 5; and (c) Specific Assessments against any particular Residence and/or Lot which are established pursuant to the terms of this Declaration, including, but not limited to, those assessments established by Article IV, Section 10, and Article V, Section 2, hereof and reasonable fines as may be imposed in accordance with the terms of the Declaration and By-Laws. General Assessments shall be levied for Association Expenses determined by the Board to benefit all Owners and Occupants. General Assessments shall be allocated among all Lots in the Community.

Section 3. Creation of Lien and Personal Obligation for Assessments. All assessments, together with late charges, interest at a rate equal to the lesser of fifteen (15%) percent or the maximum lawful rate, costs, and reasonable attorney's fees actually incurred shall be a charge on the land and shall be a continuing lien upon the Lot against which each assessment is made. Each such assessment, together with late charges, interest, costs, and reasonable attorney's fees actually incurred, shall also be the personal obligations of the Person who was the Owner of such Lot at the time the assessment fell due. Each such Owner shall be personally liable for his or her portion of each assessment coming due while he or she is the Owner of a Lot, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of its grantor shall not apply to any first Mortgage holder taking title through foreclosure proceedings or deed in lieu of foreclosure.

General Assessments and other assessments, unless otherwise provided by the Board, shall be paid in annual, semi-annual, or quarterly installments as the Board determines.

Section 4. Budget. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year, which may include a capital contribution or reserve.

The Board Shall cause the budget and the assessments to be levied against each Lot for the following year to be delivered to each Lot Owner at least thirty (30) days prior to the end of the current fiscal year. The Board may not, without the vote or written assent of at least a Majority of the total Association vote entitled to vote thereon, impose a General Assessment per Lot which is more than one hundred twenty (120%) percent of the General Assessment for the immediately preceding fiscal year. In the event that the Board fails for any reason so to

determine the budget for the succeeding year, then and until such time as a budget shall have been determined, as provided herein, the budget in effect for the current year shall continue for the succeeding year. Notwithstanding the foregoing, the initial annual dues for each Lot shall be Two Hundred Fifty and 00/100 Dollars (\$250.00) per year and will continue until such time as they may be increased by the Board as set forth above.

Section 5. Special Assessments. In addition to the other assessments authorized herein, the Board may levy Special Assessments in any year. So long as the total amount of Special Assessments allocable to each Lot does not exceed the amount of the current General Assessment in any one (1) fiscal year, the Board may impose the Special Assessment. Any Special Assessment which would cause the amount of Special Assessments allocable to any Lot to exceed this limitation shall be effective only if approved by a majority of the total Association vote entitled to vote thereon and, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article X hereof, the consent of Declarant. Special Assessments shall be paid as determined by the Board, and the Board may permit Special Assessments to be paid in installments extending beyond the fiscal year in which the Special Assessment is imposed.

Section 6. Lien for Assessments. All sums assessed against any property subject to this Declaration pursuant to this Declaration, together with late charges, interest, costs, and reasonable attorney's fees actually incurred, as provided herein, shall be secured by a lien on such property in favor of the Association. Such lien shall be superior to all other liens and encumbrances on such property, except for (a) liens of ad valorem taxes; and (b) liens for all sums unpaid on a first Mortgage.

All other Persons acquiring liens or encumbrances on any property subject to this Declaration after this Declaration shall have been recorded in the records of the Office of the Judge of Probate, Madison County, Alabama shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

Section 7. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessments which are not paid in full by the date specified by the Board, ("due date"), shall be delinquent. Any assessment delinquent shall incur a one time late charge of fifty and no/100 (\$50.00) dollars, or such other amount as the Board may from time to time determine. If the Owner's payment of dues (along with the initial late fee and any attorneys' fees) is not received by the Association within 60 days from the due date, in addition to the initial late fee, the Owner shall be charged monthly for the collection fee which is then being charged by the Association until all amounts are paid in full, including the late fees and collection fees. The amount of such collection fee may be changed from time to time by the Association without notice to any Owner. Such collection fee shall be due and payable immediately and shall be for the purpose of helping to pay the extra cost to the Association for handing and collecting delinquent payments. If the assessment is not paid when due, a lien, as herein provided, shall attach and, in addition, the lien shall include the late charge, interest on the principal amount due, and all collection fees (which may also be referred to from time to time as "late charges") from the date first due and payable, all costs of collection, reasonable attorney's fees actually incurred, and any other

amounts provided or permitted by law. In the event that the assessment remains unpaid after ninety (90) days, the Association may, as the Board shall determine, institute suit to collect such amounts and/or to foreclose its lien. Each Owner, by acceptance of a deed or as a party to any other type of a conveyance, vests in the Association and its agents the right and power to bring all actions against him or her, personally, for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting through the Board and on behalf of the Owners, shall have the power to bid at any foreclosure sale or to acquire, hold, lease, mortgage, or convey foreclosed property. No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration, but not limitation, by non-use of Common Property, or abandonment of the Lot. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay assessments being a separate and independent covenant on the part of each Owner.

All payments shall be applied first to costs and attorney's fees, then to late charges, then to interest and then to delinquent assessments.

Section 8. Date of Commencement of Assessments. As long as the Declarant and/or Pearson Homes, Inc. ("Builder") is maintaining all common areas and paying all costs associated with the Association, then assessments provided for herein shall be abated until such time as the Declarant elects to turn over control of the Association to the Class A Members. In the event that the Declarant's rights are transferred, pursuant to Article III of this Declaration, then the assessments shall immediately commence as to each Lot subject to this Declaration previously conveyed and, as to all other lots, upon conveyance of the Lot by Declarant to an Owner who is not a Builder. An Assessment shall be adjusted according to the number of months remaining in the fiscal year during which the Lot became subject to assessment. At no time shall any Lot owned by the Declarant be subject to the payment of any assessments due hereunder until title to the subject Lot has been sold and conveyed to a third party and the requisite time period has passed. Furthermore, in the event that a Lot is sold to a Builder for the purpose of resale, the Lot will not be subject to general assessments until such time as it is sold as a residence or is leased by Builder.

Section 9. Exempt Property. The following property shall be exempt from General Assessments and Special and Specific Assessments: all property dedicated to and accepted by any governmental authority or public utility, including, without limitation, public streets, public parks, conservation areas, roads, rights-of-way, streets and easements.

ARTICLE V
Maintenance: Conveyance of Common Property
by Declarant to Association

Section 1. Association's Maintenance Responsibility. The Association shall maintain and keep in good repair the Common Property. In the event the Association ceases to exist, or otherwise fails to perform as specified herein, each Owner shall be liable for their pro rata share of said maintenance based upon the ratio of Lots they owned divided by all Lots in the Community. This maintenance shall include, without limitation, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and improvements situated on the Common Property. In addition, if the following property exists in the Community, the Association may, as determined by the Board, maintain part or all of such property, regardless of whether it is Common Property: grass and other landscaping along dedicated rights-of-way; sedimentation ponds; Community entrance features; and lakes and dams.

The Association shall also have the right, but not the obligation, to maintain and provide services for other property not owned by the Association, whether located within or without the boundaries of the Community, and to enter into leases, easements and covenants and to share costs agreements regarding such property (and any other property) where the Board has determined that this would benefit Owners.

The foregoing maintenance costs shall be assessed as a part of the General Assessment or Specific Assessments, as determined by the Board in accordance with this Declaration.

Section 2. Owner's Maintenance Responsibility. Each Owner shall maintain or cause to be maintained in a safe, clean and attractive condition all property subject to this Declaration which is owned directly or indirectly by such Owner in a manner consistent with the Community-Wide Standard and this Declaration. Such maintenance obligation shall include, without limitation, the following: Prompt removal of all litter, trash, refuse, and waste; lawn mowing on a regular basis; tree and shrub pruning; watering landscaped areas; keeping improvements, exterior lighting, and maintenance facilities in good repair and working order; keeping lawn and garden areas alive, free of weeds, and attractive; keeping driveways in good repair; complying with all governmental health and police requirements; and repair of exterior damages to improvements.

In the event that the Board determines that (a) any Owner or designee of the Owner, as designee is defined below, has failed or refused to discharge properly his obligations with regard to the maintenance, repair or replacement of items for which he is responsible hereunder; or (b) that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, his or her family, guests, lessees, invitees, or designee then, the Association may perform the repair, replacement or maintenance and shall, except in the event of any emergency situation, give the Owner or designee written notice of the Association's intent to provide such necessary maintenance, repair, or replacement, at the Owner's or the Owner's designee's sole cost and

expense. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner or his designee shall have ten (10) days within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at Owner's sole cost and expense, and all costs shall be treated as a Specific Assessment against the Owner and the property owned by the Owner.

The foregoing maintenance shall be performed consistent with the Community-Wide Standard and shall conform to any applicable municipal ordinances and regulations.

Section 3. Party Walls and Party Fences.

(a) General Rules of Law to Apply. Each wall, fence, driveway or similar structure built as a part of the original construction on the Lots which serves and/or separates any two adjoining Lots shall constitute a party structure. To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto. This shall not apply to fences constructed along a Lot boundary by a single owner unless the adjoining owner has made use of the fence to enclose all or a portion of his own property.

(b) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party structure shall be shared equally by the Owners who make use of the party structure. Provided, however, that any painting or staining of a fence shall not be considered a maintenance item. The painting or staining (after the initial required stain/paint is applied) of a fence shall be the sole expense of the party wishing to stain or repaint).

(c) Damage and Destruction. If a party structure is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the structure may restore it. If other Owners thereafter use the structure, they shall contribute to the restoration cost in equal proportions. However, such contribution will not prejudice the right to call for a larger contribution from the other users under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

Section 4. Conveyance of Common Property by Declarant to Association. The Declarant may transfer or convey to the Association any personal property and any improved or unimproved real property, leasehold, easement, or other property interest which is or may be subjected to the terms of this Declaration. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the

Association. Declarant shall have the right, without limitation, to include Lakes and Dams in the property that may be conveyed by Declarant and which shall be accepted by the Association.

Section 5. Additional Improvements. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section including, without limitation, dredging or otherwise removing silt from any lake that may be conveyed.

Section 6. Agreements. Subject to the conditions, restrictions and other provisions of these Covenants, all agreements, actions and determinations lawfully authorized by the Board with respect to the Property shall be binding upon all Owners, their heirs, executors, personal representatives, administrators, successors and assigns and all others having any interest in the Community. In performing its responsibilities hereunder, the Association, through the Board, shall have the right and authority to delegate to such persons of its choice such duties of the Association hereunder as may be determined by the Board. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the property operation of any portion of the Community, whether such personnel are furnished or employed directly by the Association or by independent contract with the Association. During the term of any such management agreement entered into by the Association with a third party, such manager may if all of the duties of the Association hereunder, excepting any of such powers or duties specifically and exclusively reserved to the Board or the officers of the Association by these Covenants, the Certificate of Formation or the Bylaws. Such manager may be an individual, corporation or other legal entity and may be bonded in such manner as the Board may require, with the costs of such bond to be a Common Expense. In addition to the foregoing, the Association may pay for and the Board may hire and contract for such legal and accounting services as are necessary or desirable in connection with the operation of the Community, or the enforcement of these Covenants, the Certificate of Formation, the Bylaws, or any rules and regulations of the Association.

Section 7. Management by Declarant or its Affiliates. In addition to the rights and authority granted to the Association in Section 6 of this Article, Declarant or one of its affiliates or members, may, but shall not be obligated to, be employed as the manager of the Association and the Community for so long as Declarant owns any Lot in the Community, or until such earlier date as Declarant elects, in Declarant's sole discretion, to relinquish such right, at such compensation and on such terms as would be usual, customary and obtainable in an arms-length transaction with any third party providing comparable services for any real estate development in the southeastern United States of the size, quality and nature of the Community. Each Owner, by acceptance of a deed to or other conveyance of a Lot shall be deemed to ratify the provisions of this Section 7 and specifically be deemed to have approved any management agreement entered into by the Association or Declarant.

Section 8. Governmental Interests. For so long as the Declarant owns any property which is subject to this Declaration, the Declarant may designate sites within the Community for fire, police, and utility facilities, public schools and parks, streets, and other public or quasi-

public facilities. The sites may include Common Areas, in which case the Association shall take whatever action is required with respect to such site to permit such use, including conveyance of the site, if so directed by Declarant. The sites may include other property not owned by Declarant provided the owner consents.

Section 9. Dedication of Common Area. The Association may dedicate portions of the Common Area to Madison County, Alabama, or to any other local, state, or federal governmental or quasi-governmental entity.

ARTICLE VI Use Restrictions and Rules

Section 1. General. This Article, beginning at Section 2, sets out certain use restrictions which must be complied with by all Owners and Occupants. These use restrictions may only be amended in the manner provided in Article XIII, Section 4 and in Article XV, hereof regarding amendment of this Declaration. In addition, the Board, by a two-thirds (2/3) vote, may, from time to time, without consent of the Members, promulgate, modify, or delete other use restrictions and rules and regulations applicable to the Community. This authority shall include, but shall not be limited to, the right to limit the type and size of vehicles within the Community and to set the maximum and minimum speeds of vehicles on private streets within the Community and to impose all other necessary traffic and parking regulations and to restrict the maximum noise levels of vehicles in the Community. The Board may also restrict certain portions of the recreational facilities administered by the Association to adults only. Such use restrictions and rules shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled, or modified in a regular or special meeting by a Majority of the total Association vote entitled to vote thereon and, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article X hereof, the consent of Declarant.

Section 2. Residential Use. All Lots shall be used for single-family residential purposes exclusively. No business or business activity shall be carried on in or upon any Residence at any time except with the written approval of the Board. Leasing of a Residence shall not be considered a business or business activity. However, the Board may permit any Residence to be used for business purposes so long as such business, in the sole discretion of the Board, does not otherwise violate the provisions of the Declaration or By-Laws, does not create a disturbance. The Board may issue rules regarding permitted business activities.

Section 3. Signs. No sign of any kind shall be erected by an Owner or Occupant within the Community without the prior written consent of the Architectural Review Committee. Notwithstanding the foregoing, the Board shall have the right to erect reasonable and appropriate signs, and "For Sale" and "For Rent" signs consistent with the Community-Wide Standard may be erected upon any Lot. The provisions of this Section shall not apply to any Person holding a Mortgage who becomes the Owner of any Lot as purchaser at a judicial or foreclosure sale conducted with respect to a first Mortgage or as transferee pursuant to any proceeding in lieu

thereof. Political signs not larger than 2' x 3' may be displayed in such numbers and in such manner as may be determined by the Board from time to time.

Section 4. Vehicles and Garages. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, dune buggies, ATVs, tractors, scooters, go-carts, trucks, campers, buses, vans, and automobiles and similar vehicles. Unless and except to the extent that the Occupants of a Residence shall have more vehicles than the number of parking areas serving their Residence, all vehicles shall be parked within such parking areas. Where the Residence contains a garage, "parking areas" shall refer to the number of garage parking spaces.

No motor homes, farm equipment, heavy machinery, boats, trailers, moving vans, recreational vehicles, towed vehicle, inoperable vehicles, campers, semi-tractor trucks, buses, taxicabs, or other commercial vehicle of any nature or the like shall be permitted to be kept in the Community except to the extent and circumstances permitted in this Section 4. Commercial vehicles shall be deemed to include cars, vans, SUVs and trucks in styles normally used for private purposes but painted with or carrying commercial advertising, logos, or business names exceeding four square feet per side or containing visible commercial materials, cargo, tools or equipment on the exterior of the vehicle or that extend beyond the length or width of the vehicle. No oversized/commercial vehicle (a vehicle wider than and or longer than a standard parking space, or any vehicle that has more than two axles) may park in the Community. Any such items, other than boats, motor homes and campers, may be temporarily allowed in the Community for reasonable periods of time in order to allow for typical construction/repair activities, servicing for a Residence, and the moving of furniture and appliances.

No vehicle may be left upon any portion of the Community (including public alleys and/or right-of-ways), except in a garage or other area designated by the Board, for a period longer than five (5) days if it is unlicensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five (5) day period, such vehicle shall be considered a nuisance and may be removed from the Community.

No inoperable vehicle, towed vehicle, boat, recreational vehicle, motor home, or mobile home may stored in the Community or temporarily kept in the Community, unless it is kept in a garage or other area designated by the Board. If such vehicle(s) remains in the Community for a period longer than twenty-four (24) hours each shall be considered a nuisance and may be removed from the Community. Trucks with mounted campers which are an Owner's or Occupant's primary means of transportation shall not be considered recreational vehicles, provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal.

No motorized vehicles shall be permitted on pathways or unpaved Common Property except for public safety vehicles and vehicles authorized by the Board.

All Residences shall contain, as a minimum, a one-car garage; carports shall not be permitted. Garage doors shall be kept closed at all times, except during times of ingress and egress from the garage. Other than an Owner's standard means of transportation, e.g., car, truck,

SUV, or van, no vehicle should be in view from the street (they should either be parked in a garage or in the rear yard in an ARC approved parking area and be screened by an ARC approved fence). An Owner with more vehicles than parking spaces in a garage may park the extra vehicles (or the vehicles of guests, children, domestic employees, etc.) in their driveway.

No parking whatsoever is permitted in the front yard.

Provided that specific Board approval is obtained, towed vehicles, *i.e.*, boats, trailers and campers and the like, may be permitted in the rear yard of a Residence, provided that it is located on a concrete paved area and such vehicle is screened so as to not be visible from ground level by an ARC approved fence.

Section 5. Leasing. Intentionally omitted.

Section 6. Occupants Bound. All provisions of the Declaration, By-Laws, and of any rules and regulations, use restrictions or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants even though Occupants are not specifically mentioned. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not paid timely, the fine may then be additionally levied against the Owner.

Section 7. Animals and Pets. No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any Lot, with the exception of dogs, cats, or other usual and common household pets in reasonable number, as determined by the Board; provided, however, those pets which are permitted to roam free, or in the sole discretion of the Board, endanger health, make objectionable noise, (including, but not limited to barking dogs) or constitute a nuisance or inconvenience to the Association members or Occupants or the owner of any property located adjacent to the Community may be removed by the Board. No pets shall be kept, bred or maintained for any commercial purpose. Dogs which are household pets shall at all times whenever they are outside a Residence be on a leash or otherwise confined in a manner acceptable to the Board. Without prejudice to the Board's right to remove any such household pets, no household pet that has caused damage or injury may be walked in the Community. Animal control authorities shall be permitted to enter the Community to patrol and remove pets. Pets shall be registered, licensed and inoculated as required by law. The Board shall have the right from time to time to promulgate rules and regulations governing keeping the pets within the Community, including the right to assess fines for violations of such rules and regulations.

Section 8. Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any

Person using any property within the Community. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Community.

Section 9. Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

Section 10. Architectural Standards. No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the Community, except such as is installed by the Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. No exterior construction, addition erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, and location shall have been submitted in writing to and approved by an Architectural Review Committee ("ARC") established by the Board. The following items, without limitation, will be submitted to the Architectural Review Committee for new home construction: house plans, site plans, landscaping plans, and exterior color and material schedule. The Board may employ for the Architectural Review Committee architects, engineers, or other Persons necessary to enable the Committee to perform its review. The Architectural Review Committee may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified persons, which shall have full authority to act on behalf of the committee for all matters delegated and in the event of such delegation, the applicant shall be required to pay any fees charged by such architects or other qualified persons. Builder is not subject to Section 10 for initial construction.

In the event that the Architectural Review Committee fails to approve or to disapprove submitted plans and specifications within thirty (30) days after the plans and specifications have been submitted to it, approval will not be required, and this Section will be deemed to have been fully complied with. As a condition of approval under this Section, an Owner, on behalf of himself and his successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the Architectural Review Committee, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of himself and his successors-in-interest. The Architectural Review Committee shall be the sole arbiter of such plans and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. Any member of the Board or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these restrictive covenants have been or are being complied with. Such Person or Persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may, as provided in Article XIII, Section 1, hereof, record in the appropriate land records a notice of violation naming the violating Owner.

Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications neither the Architectural Review Committee, the members thereof, nor the Association assumes liability or responsibility therefore, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the Architectural Review Committee, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans or specifications and every Owner agrees that he will not bring any action or suit against Declarant, the Association, the Architectural Review Committee, the Board, or the officers, directors, members, employees, and agents of any of them to recover any such damages and hereby releases, remises, quit-claims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

Each Owner and Occupant acknowledges that this provision benefits all Owners and Occupants and each Owner and Occupant agrees to comply with this provision despite the fact that the erection of an outdoor antenna or similar device would be the most cost-effective way to transmit or receive the signals sought to be transmitted or received. The erection of small satellite dish may be permitted, however, the size and location must be approved by the Architectural Review Committee.

Section 12. Tree Removal. No trees shall be removed without the express consent of the Board or its designee, except for (a) diseased or dead trees; (b) trees less than six (6) inches in diameter; (c) trees needing to be removed for safety reasons; or (d) trees in the immediate location of building approved by the Architectural Review Committee.

No Owner or Occupant may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains except with the permission of the Architectural Review Committee or the Board. Declarant hereby reserves a perpetual easement across all Community property for the purpose of altering drainage and water flow. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

Section 14. Site Distance at Intersections. Intentionally omitted.

Section 15. Clotheslines, Garbage Cans, Woodpiles, Etc. All clotheslines shall be located or screened so as to be concealed from view of neighboring streets and property. Section 16. Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the Board or its designee. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations.

Section 17. Guns. The use of firearms in the Community is prohibited. The term "firearms" includes "B-B" guns, pellet guns, and firearms of all types.

Section 18. Fencing. No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any portion of the Community, including any Residence, without the prior written consent of the Architectural Review Committee or its designee. Fences will be compatible with home and have architectural interest. No chain link fence will be allowed within the subdivision. Fences, regardless of construction, will not be permitted any nearer to the front lot line than the mid line of the dwelling except in special circumstances.

Section 19. Lakes. Intentionally omitted.

Ground level landscape lighting may be permitted as approved by the Architectural Review Committee.

Section 26. Driveways. Except as may be permitted by the Board or its designee, driveways shall be constructed with concrete.

Section 30. Lake and Park Lot Restrictions. Intentionally omitted.

Section 31. Mailboxes. Only approved mailboxes can be installed in the community. Each mailbox must be the designated model of the Board.

Section 32. Landscaping. Any landscape guidelines will be established and/or amended by the Architectural Review Committee as needed.

Section 33. Screening of Heating and Cooling Units. Screening of exterior heat and air conditioning compressors or air handlers is encouraged on all sides of the equipment, more particularly on the front and side of the equipment. Homeowners are encouraged to use either vegetation, brick or stone, or fencing as approved by the Architectural Review Committee.

Section 34. Storage Tanks. Any storage tank must be approved by the architectural control committee and, if approved, must be buried, or, if they are less than fifty-gallon capacity, may, with the architectural control committee's approval, be installed above ground, if properly screened.

Section 41. Variances. The ARC, in its sole and absolute discretion, shall have the exclusive right to grant variances and exceptions with respect to the provisions of this Declaration with respect to any Lot. Any request for a variance or exception submitted to the ARC shall be in writing and, upon approval of the same by the ARC, shall be evidenced by a written document executed by either the chairman or vice chairman of the ARC. **No exception granted by the ARC shall constitute a waiver of the restriction in any manner unless the exception is explicitly made on a Community wide basis or made, by resolution, to affect one or more particular subdivision(s) within the Community.**

Section 42. Involvement of Board. The Board may, but shall not be required, to take any formal action to abate any nuisances or to take any action with regard to a violation of the restrictions, particularly when the violations are minor or involve pets. Nothing in this provision shall prohibit an Owner from either taking action or filing suit against another Owner in order to protect his/her/its rights under this Declaration.

ARTICLE VII Prohibition of Timesharing

Timesharing shall be prohibited in the Community. The term "timesharing" shall include, without limitation, timeshare estate, timeshare use, and timeshare interval programs.

ARTICLE VIII
Insurance

The Association's Board of Directors or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements on the Common Property.

The Board shall obtain a public liability policy applicable to the Common Property insuring the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents in such amounts as they deem appropriate. If available at reasonable cost, as determined in the sole discretion of the Board, the Board shall also obtain directors' and officers' liability insurance.

Article IX
Condemnation

Whenever all or any part of the Common Property shall be taken (or conveyed in lieu of and under threat of condemnation by the Board, acting on its behalf or on the written direction of all Owners subject to the taking, if any) by any authority having the power of condemnation or eminent domain, the Association shall represent the Owners. The award made for such taking shall be payable to the Association as trustee for all Owners.

ARTICLE X
Withdrawal of Property

The Declarant reserves the right to amend this Declaration so long as it owns property in the Community for the purpose of removing any portion of the properties from the coverage of this Declaration, provided such withdrawal is not contrary to the overall, uniform scheme of development for the Community. Such amendment shall not require the consent of any Person other than the Owner of the Property to be withdrawn, if not the Declarant. If the property is Common Area, the Association shall consent to such withdrawal.

ARTICLE XI
Mortgagee Provisions

The following provisions are for the benefit of holders of first Mortgages on Lots in the Community. The provisions of this Article apply to both this Declaration and the By-Laws notwithstanding any other provisions contained therein.

Section 1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage, who provides written request to the Association (such request to state the name and address of such holder, insurer, guarantor and the Lot number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;

(b) any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Lot of any obligation under the Declaration or By-Laws of the Association which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of eligible holders.

Section 2. Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least two-thirds (2/3) of the first Mortgagees or at least two-thirds (2/3) of the total Association vote entitled to vote thereon consent, the Association shall not:

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Property which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Property shall not be deemed a transfer within the meaning of this subsection);

(b) change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner of a Lot (A decision, including contracts, by the Board or provisions of any Supplementary Declaration regarding assessments for Parcels or other similar areas shall not be subject to this provision where such decision or Supplementary Declaration is otherwise authorized by this Declaration.);

(c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Residences and of the Common Property (The issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision.);

(d) fail to maintain insurance, as required by this Declaration; or

(e) use hazard insurance proceeds for any Common Property losses for other than the repair, replacement, or reconstruction of such property.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Property and may pay overdue

premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

Section 3. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

Section 4. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

Section 5. Amendment by Board. Should the Veterans Administration, the Federal National Mortgage Association, or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause amendments to this Article to be recorded to reflect such changes.

Section 6. Veterans Administration Approval. Intentionally Omitted.

Section 7. Applicability of Article XI. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Alabama law for any of the acts set out in this Article.

Section 8. Failure of Mortgagee to Respond. Any Mortgagee (or insurer or guarantor of a Mortgage) who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

ARTICLE XII Easements

Section 1. Easements for Encroachment and Overhang. There shall be reciprocal appurtenant easements for encroachment and overhang as between each Lot and such portion or portions of the Common Property adjacent thereto or as between adjacent Lots due to the placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than two (2) feet, as measured from any point on the common boundary between each Lot and the adjacent portion of the Common Property or as between adjacent Lots, as the case may be, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, Occupant, or the Association.

Section 2. Easements for Use and Enjoyment of Common Property. Intentionally omitted.

Section 3. Reserved Easements for the Provision of Services to the Community.

There is hereby reserved to the Declarant, its successors and assigns blanket easements upon, across, above and under all property within the Community for access, ingress, egress, installation, repairing, replacing, maintaining, and removing rights-of-way, drainage facilities, floodway easements, and all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, and any other similar service such as, but not limited to, a master television antenna system, cable television system, video system, or security system which the Declarant might decide to have installed to serve the Community or any portion thereof. It shall be expressly permissible for the Declarant and its successors and assigns to install, repair, replace, maintain, and remove or to authorize the installation, repair, replacement, maintenance, or removal of such wires, conduits, cables and other equipment related to the providing of any such utility or service. Declarant and its successors and assigns shall full rights of ingress and egress at all times over all portions of the Community for the installation, operation, maintenance, repair, or removal of any of the foregoing utilities or services and shall have the right to remove any unauthorized obstruction placed in or on any of the foregoing easements that would, in the sole discretion of Declarant or its successors and assigns, interfere with the use of the above installation of the foregoing utilities or services. In no event shall the foregoing prohibit paving or landscaping within such easements. Declarant shall have the right to assign and convey, in whole or in part, the easements reserved by it hereunder to one or more public utility companies, quasi-public service companies, or relevant governmental authorities. All utilities except drainage installed within the above described easements shall be installed underground. This reserved easement may be assigned by Declarant by written instrument to the Association, and the Association shall accept such assignment upon such terms and conditions as are acceptable to Declarant. Rights exercised pursuant to such reserved easements shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

Section 4. Reservation of General Access Easement. Declarant does hereby establish and reserve for itself, the ARC, and the Association, their respective agents, employees, representative, invitees, successors and assigns, a permanent and perpetual nonexclusive easement over, across, through and upon each Lot for the purpose of providing ingress to and egress from each Lot for (a) inspecting each Lot and any Improvements thereon in order to determine compliance with the provisions of these Covenants, and (b) the performance of the respective duties of Declarant, the ARC, and the Association hereunder, including, without limitation taking any action required or permitted to be taken by Declarant, the ARC or the Association pursuant to any of the terms or provisions of these Covenants; provided, however, that upon completion and occupancy of any Lot, then except in the event of emergencies, the foregoing easement shall be utilized only during normal business hours and then, whenever practicable, only upon advance notice to the Owner or Occupant of such Lot directly affected thereby.

Section 5. Easement for Lake Maintenance. Intentionally omitted.

Section 6. Easement for Property Maintenance Along Lake. Intentionally omitted.

Section 7. Reservation of Easements With Respect to Common Areas.

(a) Easement Upon Common Areas. Declarant does hereby establish and reserve, for itself, the ARC, the Association, and their respective agents, employees, representatives, invitees, successors and assigns, a permanent and perpetual nonexclusive easement appurtenant over, across, under, through and upon all of the Common Areas for the purpose of (i) constructing, installing, repairing and replacing any Improvements to the Community or to the Common Areas, and (ii) doing all other things reasonably necessary and proper in connection therewith; provided, however, that nothing in this sentence shall obligate Declarant to undertake any of the foregoing. In addition to the other rights and easements established and reserved herein and regardless of whether Declarant continues to own any portion of the Property, Declarant hereby establishes and reserves for itself and its successor and assigns, a permanent and perpetual, nonexclusive easement to have access, ingress to and egress from and the right and privilege to use and enjoy the Common Areas and all Improvements thereon for such purposes as Declarant deems appropriate; provided, however, that Declarant should not exercise such rights so as to unreasonably interfere with the rights of the Owners to use the Common Areas.

(b) Changes in Common Areas. Declarant does hereby establish and reserve unto itself and its successors and assigns the permanent right to change, modify and realign the boundaries of any of the Common Areas, any Lots, or other portions of the Community or of the Development owned by Declarant. Declarant further reserves the right, but shall not have any obligation, to convey by quitclaim deed to the Association at any time and from time to time any portion of the Development, the Community, or any Improvements thereto to be utilized as Common Areas, as Declarant, in its sole discretion, may determine.

Section 8. Reservation of Self Help Maintenance Easement. Declarant does hereby establish and reserve for the Association, and each of their respective agents, employees, successors and assigns, a permanent and perpetual right and easement to enter upon any Lot for the purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds, stumps or other unsightly growth and removing trash so as to maintain reasonable standards of health, fire, safety and appearance within the Community; provided, however, that such easement shall not impose any duty or obligation upon Declarant or the Association to perform any of the foregoing actions.

Section 9. Landscaping by Owners on Easement Areas. The Declarant, the Association, any Governmental Authority, any utility company, and each of their respective successors and assigns, shall not be liable to any Owner, Occupant or any other party for and on account of damage to any landscaping or plantings placed on any easement area or road right-of-way within the Community by any Owner, Occupant or any other party.

**ARTICLE XIII
General Provisions**

Section 1. Enforcement. Each Owner and every Occupant shall comply strictly with the By-Laws, the rules and regulations, the use restrictions and with the design guidelines, all as

may be amended or modified from time to time, and with the covenants, conditions, and restrictions set forth in this Declaration, as may be amended from time to time, and in the deed to his or her property within the Community, if any. The Board may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the By-Laws, the rules and regulations, use restrictions, or design guidelines shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board, on behalf of the Association, or, in a proper case, by an aggrieved Owner or Occupant. Furthermore, the Board shall be entitled to recover costs and reasonable attorney's fees from the Owner and/or Occupant upon being the substantially successful party in any litigation resulting from an Owner and/or Occupant failing to comply with this Declaration in any material respect. Failure by the Board or any Owner or Occupant to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Board shall have the right to record in the appropriate land records a notice of violation of the Declaration, By-Laws, and to assess the cost of recording and removing such notice against the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

Section 2. Self-Help. In addition to any other remedies provided for herein, the Board or its duly authorized agent shall have the power to enter upon a Lot or any portion of the Community to abate or remove, using such force as may be reasonably necessary, any erection, thing or condition which violates this Declaration, the By-Laws, the rules and regulations, the use restrictions, or the design guidelines. Except in the case of emergency situations and towing, the Board shall give the violating Owner ten (10) days' written notice of its intent to exercise self-help. All costs incurred shall be assessed against the violating Owner and shall be collected as provided for herein for the collection of assessments.

Section 3. Term. The terms, covenants, conditions and restrictions set forth in these Covenants shall run with and bind all of the Community, shall inure to the benefit of all Owners and Mortgagees and their respective heirs, executors, personal representatives, administrators, successors and assigns, and shall be and remain in effect for a period of ninety-nine (99) years from and after the date hereof, after which time these Covenants shall be automatically renewed and extended for successive and continuous periods ten (10) years each, unless, at any time after twenty (20) years from the date hereof, an agreement executed by the Owners of at least three-fourths (3/4) or more of the Lots within the Property agreeing to terminate or modify these Covenants has been recorded in the Probate Office of Madison County, Alabama; provided, however, that the rights of way and easements established, granted and reserved in Article XII hereof shall continue and remain in full force and effect for the time periods and duration specified therein.

Notwithstanding anything herein to the contrary, these covenants and restrictions must remain in force and effect so long as Common Property is owned by the Association.

Section 4. Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots

subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of Mortgage loans, including, for example, without limitation the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, or a State or National Bank, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's property unless any such Owner shall consent thereto in writing. Further, so long as Declarant has the right unilaterally to subject additional property to this Declaration as provided in Article X hereof, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not adversely affect title to the property of any Owner without the consent of the affected Owner or Occupant.

Furthermore, so long as Declarant owns any Lot within the Community, or until such earlier date as Declarant elects, in Declarant's sole discretion, **Declarant may amend these Covenants by a written instrument** filed and recorded in the Probate Office of Madison County, Alabama, **without obtaining the approval of any Owner or Mortgagee**; provided, however, (a) in the event any amendment proposed by Declarant materially and adversely alters or changes any Owner's rights to the use and enjoyment of his or her Lot or materially or adversely affects the title to any Lot, then such amendment shall be valid only upon the written consent thereto by the affected Owner, or, alternatively, by fifty percent (50%) of all of the Owners (including Declarant who shall have the voting rights attributable to any Lots owned by Declarant), or (b) in the event any such proposed amendment by Declarant would materially and adversely affect the title and interest of any Mortgagee, such amendment shall be valid only upon the written consent thereto of all such Mortgagees affected thereby. Any amendment made pursuant to this Section shall be certified by Declarant and shall be effective upon recording of the same in the Probate Office of Madison County, Alabama. Each Owner, by acceptance of a deed or other conveyance to a Lot, and each Mortgagee, by acceptance of a Mortgage on any Lot, agrees to be bound by all amendments permitted by this Section and further agrees that, if requested to do so by Declarant, such Owner and Mortgagee will consent to the amendment of these Covenants or any other instruments relating to the Community or the Association if such amendment is (i) necessary to bring any provision hereof into compliance or conformity with the provision of any law, ordinance, statute, rule or regulation of any applicable Governmental Authority or the judicial decision of any state or federal court, (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any Lot, (iii) required by any Mortgagee in order to enable such Mortgagee to make a Mortgage loan on any Lot, or (iv) necessary to enable any governmental agency or reputable private insurance company to insure Mortgages on any Lot within the Community.

In addition to the above, this Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of at least a two-thirds (2/3) vote of the total Association vote entitled to vote thereon or three-fourths (3/4) of the Board and, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article X hereof, the consent of the Declarant. In the event of a conflict between the Board and the Association, the Board's decision controls. A meeting may be called (but shall not be required to be called) to consider and vote upon any amendment. Amendments to this

Declaration shall become effective upon recordation, unless a later effective date is specified therein.

Any procedural challenge to an amendment must be made within six (6) months of its recordation. In no event shall a change of conditions or circumstances operate to amend any provisions of the Declaration or By-Laws.

Notwithstanding anything contained herein to the contrary, any amendment which affects the maintenance of the Common Property must be approved by the City of Owens Cross Roads, Alabama.

Section 5. Partition. The Common Property shall remain undivided, and no Owner nor any other Person shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community, the written consent of all holders of all Mortgages encumbering any portion of the property located within the Community, and, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article X hereof, the consent of the Declarant.

Section 6. Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.

Section 7. Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any Person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and, to this end, the provisions of this Declaration are declared to be severable.

Section 8. Captions. The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed as defining, limiting extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

Section 9. Perpetuities.
