HOME DESCRIPTION

The Forrester Farmhouse blends modern farmhouse charm with thoughtful design, offering 4 bedrooms, 4.5 baths, a main-level guest suite, a dedicated office, and a spacious upstairs loft. The open kitchen features two-tone cabinetry and flows into an inviting family room with a shiplap-accented gas fireplace. A formal dining room with a coffered ceiling and wainscoting adds an elegant setting for gatherings.

Upstairs, the primary suite offers a tray ceiling with faux beams, dual walk-in closets, and a relaxing bath with a separate tub and shower. A covered rear porch, additional patio, and 3-car side-entry garage complete this beautifully appointed home.
