

*Estate Homes "South"
Selections Guide*

Introduction

Congratulations on your new Wilkinson Home purchase!

The Estate Homes “South” Selections Guide serves as your reference, and perhaps even your inspiration, to design your new home. In the Selections Guide you will discover an array of desirable and attractive interior textures, finishes and fixtures that allow you to create the atmosphere, character and “look” that reflect your personal style. Your new Wilkinson home gives you an opportunity to personalize the design presentation and interior environment that reflects your style.

Referencing the Selections Guide you can express yourself and create combinations of cabinetry, countertop, flooring, appliance and lighting fixtures that embody the tone and tenor of your design ideals. Whether your style is relaxed casual, or transitional, or urban...draw your inspiration from the things that you love, from the design elements, colors and textures that make you feel comfortable. The variety of choices available in the Estate Homes “South” Selections Guide provides you with the opportunity to express yourself through your new home Selections.

A collection of photos and samples have been gathered to complete this selections guide. These photos feature Estate Homes “South” product offering but are not guaranteed to be the exact representation. Color, features and finished may vary. Please consult a Sales Manager and/or Design Consultant for additional information.
