**A note on square footage:** Square footage is calculated by the architect according to ANSI Z765, the American National Standard for measuring single-family homes. Finished area is measured to the outside face of the exterior walls and includes heated, finished living space with ceilings of 7' or more. Finished basement area is included only where an optional finished basement is shown. Garages, porches, decks, patios, terraces and unfinished areas are not included. Square footage is approximate and varies with elevation, options selected and field conditions; it may differ from appraisal, tax or listing records. Plans, dimensions, features and availability are subject to change without notice. See a Sales Manager for details.

EQUAL HOUSING OPPORTUNITY. Renderings are artist's concept only and elevation illustrations may include optional features. It is recommended that the architectural blueprints be reviewed for clarification of features. Window sizes, window locations, and room sizes vary per elevation and all dimensions are approximate. Actual product and specifications may vary in dimension or detail from these drawings and are subject to change without notice. Standard features vary by community and some features may not be available at all communities. Please consult a Neighborhood Sales Manager for more detailed specifications.
