

The Mackenzie Plan

By Great Lake Construction

The Mackenzie Plan welcomes you home with inviting warmth and understated luxury. Designed for everyday comfort and timeless appeal, its open floor plan connects living, dining, and kitchen spaces with effortless flow. Large windows fill the home with natural light, while fine craftsmanship and curated finishes ensure enduring beauty. Each elevation — the modern **Farmhouse** and classic **Craftsman** — celebrates Northern Michigan's architectural heritage, blending rustic charm with refined design.

Square Footage:	1,860 sq. ft.
Bedrooms:	3
Bathrooms:	2
Basement:	Full
Garage:	2-Car Garage
