About This Two Story, Crawl Space

Welcome to the Granby, a two-story home that offers the space and flexibility to fit your lifestyle. Featuring 4 bedrooms and 2.5 bathrooms, this inviting design includes a versatile upstairs loft that can serve as a game room, home office, or additional hangout space. The open great room creates a comfortable setting for unwinding or spending time together, while the roomy dining area makes entertaining a breeze. In the kitchen, a spacious pantry keeps groceries and essentials close at hand, and the owner's suite provides a relaxing escape with a walk-in closet. With two levels of well-planned living space and room for everyone to spread out, the Granby is ready to make everyday moments feel special.
