

Vision Views are meant to inspire the vision for your home. European influenced architecture has a lengthy history in the United States. During the last 100 years there have been numerous periods of renaissance in European architecture. Dallas, Houston, and San Antonio all have beautiful communities reflecting a European style.

## European Architecture General Characteristics

- Very high pitched roofs
- Composition, metal, slate, or flat tile roofs
- Divided lite windows
- Rustic elegance
- Beams
- All stone, stone/stucco

## Fine Details

- High peaked and steeply sloped roofs
- Instead of sliding glass doors, hinged French doors leading to balconies or patios
- Arched doorways
- Rounded entryway towers topped by cone-shaped roof
- Masonry exteriors, particularly stone
- Barrel vault or eyebrow dormers
- Slate roofs
- Board and batten shutters
- Broad, curving front walls
- Paired casement windows hinged at the side and opening at the center
