## Projected HERS Score

54

Your home's HERS score is a projected score based on plans. The lower the number, the more energy efficient the home. To learn more, visit [www.hersindex.com](http://www.hersindex.com)

## Annual Savings

\$2,122

\*Relative to an average U.S. Home

\*This information is presented for education purposes only. The HERS index for a confirmed rating will be determined by a third party HERS rater based on data gathered from on-site observations and, if required, testing of rated features for a home as featured, opinionated, oriented, and/or built. Standard new home is based on the RESNET Reference Home definition with a HERS index of 100 (based on the 2006 International Energy Conservation Code). Typical resale home is based on the U.S. Department of Energy definition with a HERS index of 130.
