

HEATHER GLEN
SENIOR LIVING

Heather Glen in Our *Community*

At Heather Glen, we value being part of the Greater Lehigh Valley. Regularly, our staff and residents of our Personal & Memory Care communities take part in giving back in charitable ways.

Senior Movie Day

Heather Glen Senior Living had the opportunity to sponsor 130 seniors to an afternoon at the movies, complete with popcorn and drinks.

Pet Supply Drive

Our community collected Pet Supplies including dog food, cat food, and treats for local animals in need at The Lehigh Valley Humane Society. Our residents visited the shelter to hand-deliver the collected items and to get some one-on-one time with some adoptable pets.

Back to School Buddy Bags

Young students at PAC Cetronia Elementary School were heading back to class, and we wanted to add a little happiness to their first day by putting together 60+ school supply kits.

Be a Good Neighbor Bakers

We showed our appreciation to Cetronia Ambulance Corps by dropping off some delicious home-baked goodies to brighten their day for Act of Kindness Week.

Honoring Our First Responders

It was our pleasure to thank and treat our local First Responders to a Grab n' Go Lunch. It was great to meet the heroes who work so hard to serve our community each and every day.
