XVI. CERTAIN ANIMALS PROHIBITED.

No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot except that dogs, cats and other common household pets may be kept so long as they are not kept, bred or maintained for commercial purposes. In no event, however, shall more than a total of three (3) dogs and/or cats be kept at any single Building Lot at any one time. Dogs may not be kept outside of the dwelling overnight.

XVII. NO ACCESSORY STRUCTURES.

Except as specifically set forth herein, no Lot may have any accessory structures, including, without limitation, any garden houses, tennis courts and dog runs. No above-ground or non-permanent swimming pools shall be permitted on any Lot.

XVIII. HOT TUBS.

Each Building Lot may have no more than one (1) hot tub. No hot tub shall be located farther than the front line of the residential dwelling extended to the side Lot lines, and no hot tub shall be located in any manner that allows such hot tub to be visible from the street adjoining the Building Lot.

XIX. SURFACE WATER.

The topography of the Plat is such that surface water may flow from certain Building Lots onto other Building Lots. In regard to all matters concerning surface water, each Building Lot shall be

subject to and benefited by such easements as may exist from the flowage of surface water under the laws of the State of Iowa, as may be in effect from time to time; and all Owners shall have such rights and obligations with respect thereto as may be provided by such laws. When construction of a dwelling is complete, the Lot, as well as all adjacent Lots on which the finish grades have been disturbed by the construction activity, must be restored to the finish grades which are consistent with the original engineering design of the Plat. In addition, the Owner must restore all Lots on which their building activities may have caused a disturbance of final soil stabilization, a disturbance of newly seeded ground for soil stabilization or a disturbance or removal of silt fence to their original condition prior to the construction activities. This work must be done within seven (7) days after construction of the dwelling has been completed.

XX. ENFORCEMENT OF COVENANTS.

This Declaration shall be deemed to run with the land, and the Declarant or the Owner of any Lot may bring an action in any court of competent jurisdiction to enforce this Declaration to enjoin its violation or for damages for the breach thereof, or for any other remedy or combination of remedies recognized at law or in equity.

XXI. AMENDMENTS OF COVENANTS.

Except as set forth below, this Declaration may be amended from time to time with the approval of the Owners. Such approval shall be given by the affirmative vote of not less than three-fourths (3/4) of the Owners. The Owner of each Lot (or the joint Owners of a single Lot in the aggregate) shall be entitled to cast one vote on account of each Lot owned (e.g. an Owner of two (2) Lots is entitled to two (2) votes). **Provided, however, until the Declarant has sold all of the Lots, it may make amendments or modifications to this Declaration without the approval of any other Owners or other party.** Such amendments or modifications by the Declarant shall be effective as of the date the amendment or modification has been filed with the Dallas County Recorder.

XXII. PERIOD OF COVENANTS.

This Declaration shall continue and remain in full force and effect at all times as to the Plat and as to the Owners of any Lot, regardless of how title was acquired, until the date twenty-one (21) years after the recording of this Declaration. This Declaration may be extended by the filing of a claim by any Owner with the Dallas County Recorder pursuant to the provisions of Section 624.24 of the Iowa Code prior to the end of the original term or prior to the end of any succeeding term of this Declaration.

XXIII. ENFORCEMENT AND WAIVER.

- A. In the event that any one or more of the foregoing covenants, conditions, easements or restrictions shall be declared for any reason by a court of competent jurisdiction to be null and void, such judgment or decree shall not in any manner whatsoever affect, modify, change, abrogate, or nullify any of the covenants,

conditions, easements and restrictions not so expressly held to be void, which shall continue unimpaired and in full force and effect.

- B. The Properties shall also be subject to any and all rights and privileges of the City, now held or hereafter acquired, by dedication or conveyance, by reason of the platting and recording of the Properties, by this Declaration or by law. Wherever there is a conflict between this Declaration and the zoning ordinance of the City, the more restrictive shall be binding.
- C. This Declaration shall not be applicable to property dedicated to the City, and the City may allow appropriate public use on city-owned property within the Plat.

XXIV. OWNER'S ASSOCIATION.

- A. Definitions. In addition to the definitions set forth above, the following terms shall have the following definitions, except as otherwise specifically provided:
 - "Association" shall mean and refer to Bentley Ridge Owners Association, Inc., its successors and assigns, a non-profit corporation organized pursuant to Chapter 504 of the Code of Iowa.

 - "Board of Directors" shall mean and refer to the Board of Directors of the Association.
 - "Member" shall mean and refer to those persons entitled to membership as provided in this Declaration or the Bylaws of the Association.
- B. Membership and Voting. Every Owner of a Lot shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot that is subject to assessment hereunder. Subject to provisions hereof and of the Bylaws of the Association, the Owners of a Lot shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to any Lot.

Notwithstanding any other provision of this Declaration, Declarant shall be the sole voting Member of the Association until Declarant waives, in writing, its right to be the sole voting member, which will not occur until such time as Declarant has conveyed all lots located in the Plat. During such time period, Declarant shall have the sole right to elect Directors and cast votes as Declarant deems

appropriate. **EACH OWNER BY ACCEPTANCE OF A DEED FOR A LOT SHALL BE DEEMED TO HAVE RELEASED DECLARANT FROM ALL CLAIMS WITH RESPECT TO ACTIONS TAKEN OR NOT TAKEN WHILE DECLARANT CONTROLS THE ASSOCIATION.**

The voting Members shall elect a Board of Directors of the Association as prescribed by the Bylaws of the Association. The Board of Directors shall manage the affairs of the Association.

The Association shall suspend the voting rights of a Member for any period during which any assessment hereunder against his/her/its Lot remains unpaid and for a period not to exceed sixty (60) days for any infraction of the published rules and regulations of the Association.

Unless the Articles of Incorporation or the Bylaws of the Association otherwise provide, written notice stating the place, day and hour of the meeting and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered no less than five (5) nor more than fifty (50) days before the date of the meeting, either personally or by mail, by or at the direction of the President or Secretary, or the officer or persons calling the meetings, to each Member entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States Mail addressed to the Member at his/her/its address as it appears on the records of the Association, with postage thereon prepaid.

C. Assessments.

- ***Creation of Lien and Personal Obligation of Assessments.*** Declarant hereby covenants for each Lot and the Owner of each Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (1) a general annual assessment and (2) special assessments to be established and collected as hereinafter provided. The annual assessment and special assessments, together with late fees, interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessments are made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall further be the joint and several personal obligation of each person who was the Owner of such property at the time when the assessment became due. The Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any repair or replacement of improvements that the Association is required to maintain or for operating deficits that the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the Members who are voting in person or by proxy at a meeting duly called for this purpose

- ***Purpose of Assessments.*** The assessments levied by the Association shall be used exclusively to maintain, repair and replace the Association Responsibility Elements. A portion of annual assessments shall be set aside or otherwise allocated in a reserve fund for the purpose of providing for any repair or replacement. Notwithstanding the foregoing, Declarant may use any reserve funds, if established, to defray operating costs, as it deems appropriate.
- ***Limitation on Assessments.*** Until January 1 of the year immediately following the conveyance of the first Lot to an Owner other than the Declarant or an affiliate of Declarant, the maximum annual assessment shall be one hundred dollars and no/100 (\$100.00) per Lot. Thereafter, the maximum annual assessment may be increased effective January 1 of each year at an amount fixed by the Board of Directors. The Board of Directors shall fix any increase or decrease in the amount of the annual assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every Owner subject thereto. The Board of Directors shall establish the due dates for all assessments. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in a recordable form signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments on a Lot shall be binding upon the Association as of the date of its issuance. **DECLARANT SHALL NOT BE LIABLE FOR ANY ANNUAL ASSESSMENTS OR SPECIAL ASSESSMENTS UPON LOTS OWNED BY IT. DECLARANT IS NOT RESPONSIBLE FOR THE ESTABLISHMENT OF A BUDGET AS LONG AS DECLARANT IS THE SOLE VOTING MEMBER OF THE ASSOCIATION.** The Association and Declarant are not required to submit statements for assessments to any Owner.
- ***Uniformity of Assessments.*** Both annual assessments and special assessments must be fixed at a uniform rate for all Lots, except as otherwise set forth herein.
- ***Effect of Nonpayment of Assessments.*** The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in the manner provided for foreclosure of a mortgage, or both, and there shall be added to the amount of said assessment all cost and expenses incurred by the Association in collecting said assessments, including reasonable attorney's fees, whether or not legal action is required in connection therewith.
- ***Subordination of Lien to Mortgages.*** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The assessment shall be paid prior to or at the closing of sale or transfer of any Lot. However,

the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

- D. Maintenance. The Association shall provide all maintenance, repair and replacement for the Association Responsibility Elements. In the event that the need for maintenance, repair or replacement is caused through the willful or negligent act of any Owner, or the Owner's family, guests, invitees, agents or contractors, the cost of such maintenance, repair or replacement shall be assessed to such Owner pursuant to subsection (C).
- E. Addition of Association Responsibility Elements. Declarant shall have the right at any time to allocate and/or convey additional Association Responsibility Elements to the Association. The Association shall be obligated to accept any additional Association Responsibility Elements allocated and/or conveyed by Declarant and to hold and maintain the same pursuant to the terms of this Declaration.

XXV. ADDITION OF LAND.

Declarant shall have the irrevocable right to subject additional land to the terms of this Declaration at any time in the future without the consent or approval of the Association or any Owner. The additional land shall be automatically subject to the applicable terms and conditions of this Declaration and Owners of Lots within the additional land shall automatically become Members of the Association in the same fashion as described in this Declaration and shall be subject to the same applicable terms, conditions, rights, duties and assessments as described in this Declaration. Declarant shall signify the addition of land by filing an amendment to this Declaration with the Recorder of Dallas County, Iowa.

XXVI. DISCLAIMER.
