# ABOUT US

## Discover the Difference with a Hometown Builder

---

Founder, Bob Goodall, Jr., established Goodall Homes. Using the homebuilding knowledge he learned from his father, he set out to develop a unique style of homes and communities he hadn't seen being used yet in this area. While Goodall Homes began in 1983, we adapt to the times and different lifestyles around us. We have withstood the test of time and continue to grow!

We continue to thrive by sticking to our 6 Core Values: Glorify God by doing the right thing. Treat others like we want to be treated. Be humble. Relentlessly pursue improvement. Teach every team member to be a business owner. Build a positive team and family atmosphere.

By living by these core values, we get to achieve our company's purpose every day: To create opportunities to improve the lives of our team members, business partners, and customers.

Throughout Nashville, Knoxville, and Southern Kentucky, Goodall Homes designs and builds single-family homes, townhomes, courtyard cottages, and villas — because we realize that "home" has its own meaning to you..... it's a 'lifestyle'. No matter what we build and where, every home that bears the Goodall name carries our pride in craftsmanship, meticulous attention to detail, and personal commitment to our homeowners.
