PROFILE

Originally from Orlando, FL, Grace moved to the Atlanta area and joined Lee & Associates as a Research Associate in August 2023. She is now a Research Analyst, focusing on supporting brokers and colleagues through market data collection and analysis. Prior to joining Lee & Associates, Grace double majored at Florida State University, earning degrees in Real Estate and Management. After graduating, she sought to broaden her skill set, which led her to teach English in Spain. Grace is an ambitious individual and is applying her education and experience at Lee & Associates.
