PROFILE

Erica Davidson is a Vice President with the Office and Healthcare Brokerage Division. She brings a broad range of skills, with extensive experience in Tenant representation, Landlord representation, leasing and sales. A skilled communicator and accomplished negotiator, she is particularly adept at defining real estate requirements, and translating them into successful results, in a practical and cost effective manner.

Ms. Davidson's exceptional interpersonal skills and clients relations lend itself naturally to new business development. She is a trustworthy strategic partner to her clients, and has an excellent track record because of her consistent and thorough approach to representing tenants and property owners.

She is unique in that she has represented a wide variety of office tenant and owners, and is also familiar with the special requirements of healthcare real estate, and has worked with hospitals, physician practices, ambulatory surgery centers, urgent cares, among other medical related uses.
