CAREER SUMMARY

Brock Rasmussen joined Lee & Associates | Naples - Ft. Myers in 2016 and currently serves as an Industrial Broker in the Naples office. Brock has a well-rounded real estate background in addition to brokerage; he has in-depth experience in asset management as well as Business management. His background in real estate sales, development and management brings a diverse, comprehensive and knowledgeable viewpoint when assisting property owners and tenants in successfully obtaining their real estate goals and objectives.

Brock focuses on industrial real estate along the I-75 corridor in Southwest Florida. Along with his team members, Brock utilizes his experience in developing successful business relations with local and national companies throughout Lee, Collier and Charlotte Counties and surrounding areas. Brock's team is skilled in property and investment valuation, marketing, research, negotiating commercial leases, transaction management and site analysis.
