PROFILE

Brian Vanosky is a Principal with Lee & Associates' Industrial Services Group focusing on local and national tenant and owner representation. He has over fifteen years of extensive experience in acquisition, disposition, build-to-suit and investment sale transactions. Brian's high levels of service have allowed him to consistently develop on-going, long-term relationships in which his clients benefit from his superior work ethic and comprehensive market knowledge.

Prior to joining Lee & Associates, Brian worked for several years in the management consulting practice of PricewaterhouseCoopers where he was involved in a diverse array of supply chain/ logistical assessments, designs and implementations.

CAREER SUMMARY

Brian has successfully represented clients on over \$750 million worth of industrial property transactions.

EDUCATION / AFFILIATIONS

Brian graduated from the University of Illinois at Urbana-Champaign, where he received a double Bachelors of Arts and Masters of Arts in Human Resource Development. He has completed additional coursework in land annexation, financial investment analysis, land development and agency and license law.

Brian is a member of the Association of Industrial Real Estate Brokers (AIRE). He holds his real estate license in Illinois and Indiana.
