BIOGRAPHY

Cade is a licensed California Real Estate Agent at Lee & Associates Commercial Real Estate Services, Inc. Orange and a member of the Newton Service Team. He specializes in tenant representation and corporate real estate services, representing clients with industrial, office, medical office, and retail real estate needs throughout Southern California and across the country. Cade works with companies to develop real estate strategies that support portfolio growth, lease negotiations, renewals, relocations, and long-term occupancy planning.

CAREER SUMMARY

Since joining Lee & Associates in 2023, Cade has focused on representing tenants with regional and national real estate portfolios. As a member of the Newton Service Team, he helps clients simplify complex real estate portfolios through strategic planning, transaction management, and portfolio analysis. Working alongside one of the firm's leading corporate services teams, Cade assists clients with lease negotiations, renewals, relocations, expansions, consolidations, site selection, and portfolio management.

Prior to joining Lee & Associates, Cade gained several years of professional sales experience across multiple industries, where he developed strong relationship management and negotiation skills. He also worked at Monarch Beach Golf Links in several roles, building a foundation in customer service and operations.

EDUCATION

Cade earned a Bachelor's degree in Business Management from California Baptist University.

AFFILIATIONS/INTERESTS

Outside of commercial real estate, Cade enjoys golfing, snowboarding, riding dirt bikes, and spending time with family and friends. Having played competitive baseball throughout high school, he continues to value the teamwork, discipline, and competitive mindset the sport instilled in him.
