## PROFILE

RJ Flores, an Associate with Lee & Associates DFW, specializes in tenant representation and leasing for users and tenants in the Great Southwest (GSW) submarket, with a focus on industrial real estate. He works with large institutional owners and occupants, as well as private landlords. RJ draws on his resourcefulness and critical thinking to better market the properties he represents and help clients find the most functional, cost-effective spaces.

RJ grew up in the Los Angeles area before moving to Fort Worth, Texas, where he graduated from Texas Christian University with a Bachelor's Degree in Communication and Writing.
