PROFILE

Daniel Cobb works with a team of experts who specialize development and entitlement for land. He is passionate to work with such a skilled team, bringing clients the highest level of expertise for real estate sales/brokerage, valuation, and consulting. Daniel helps clients achieve the best possible return on their properties, from listing to closing, and we have experience in handling investment-grade Ag land, wineries, vineyards, commercial real estate and housing developments. He brings diverse perspectives and experiences to the team, as well as strong communication, negotiation, and analytical skills.
