CAREER SUMMARY

In 2023, Matt joined the Industrial Team in Southwest Florida. Matt is an industrial specialist working on Landlord / Seller representation, Tenant / Buyer representation, and development / planning. Matt will focus on these areas in his work with the team in Southwest Florida.

Matt is also an Executive Vice President of Lee & Associates of Eastern Pennsylvania. His focus there is on the acquisition and disposition of multi-family properties, office properties, and mixed-use commercial space throughout Pennsylvania.

Matt has worked in commercial real estate since 2020. Prior to 2020, he was an Executive Director at a Wall Street investment firm, where he worked for over 22 years. His responsibilities there included the review, analysis, coordination and consummation of all institutional private equity investments globally for a \$12b business, as well as the management and coordination of the U.S. investment team's operations.
