PROFILE

Mohammed "Moe" Al-Thihabawy is a commercial real estate expert with Lee and Associates, specializing in the Southeast Michigan market. With a strong focus on market strategy, property acquisition, and client advisory, Moe brings a deep understanding of the region's commercial real estate landscape.

A graduate of the University of Michigan's College of Business with a concentration in Logistics Management, Moe is also a licensed real estate professional in the state of Michigan. A Metro Detroit native and fluent Arabic speaker, he values strong client relationships and brings cultural and regional fluency to every transaction.

CAREER SUMMARY

Prior to joining Lee and Associates, Moe built a successful career as a residential and commercial realtor at Keller Williams in Dearborn, Michigan. He also brings a wealth of operational knowledge from his earlier role as a logistics operations manager overseeing a large trucking fleet, giving him a unique edge in negotiations and property logistics.
