PROFILE

Ava Mouritzen is the Transaction Manager at Lee & Associates Commercial Real Estate Services, Inc. - Orange, a full-service commercial real estate firm. Ava joined the Orange office in 2026. Her goal is to deliver exceptional administrative and operational support to the office's roster of over 40 Commercial Real Estate Agents and staff, leveraging her background in financial analysis, data management, and high-volume coordination to ensure seamless deal execution and streamlined workflows.

CAREER SUMMARY

Ava studied Agricultural Business with an emphasis in Finance & Risk Management at University of Tennessee, where she built a robust foundation in financial modeling, operational efficiency, and data integrity. Prior to joining Lee & Associates, Ava gained valuable, multifaceted experience through dynamic internships and positions with leading organizations, including OneSource Distributors, Professional Choice Insurance, Rocky Top Wine Trail, and King's Fish House.

With a proven track record of managing complex file structures, analyzing budgetary data, and coordinating fast-paced environments, Ava possesses a unique blend of analytical precision and interpersonal communication. She focuses on driving internal efficiency, managing transaction compliance, and providing top-tier service to support the production goals of the entire brokerage team.

EDUCATION

- Bachelor of Agricultural Business, Finance & Risk Management - University of Tennessee
