BIOGRAPHY

After previous experience as a real estate analyst at another firm, Connor Howland began at the Orange office of Lee & Associates Commercial Real Estate Services in July 2018 as an industrial property specialist. He focuses on the leasing, purchasing and selling of industrial buildings on behalf of his clients in the geographic area along the border of Southeast Los Angeles and North Orange County, known as the "Mid-Counties Market." One of his primary goals is to bring value and resources to his clients so that they can find success in their immediate and long term real estate decisions.

Leveraging a strong foundation from Chapman University and years of industry experience, Connor serves on the Destino Industrial Team at Lee & Associates. He and his team are known for their proven ability to deliver results across diverse and complex transaction types.
