

BLAKE BURGESS

Associate

*SPECIALIZING IN
INDUSTRIAL & OFFICE*

PROFILE

Blake has several years of business development, sales, and management experience and will focus on assisting with leasing and sales for existing Lee & Associates clients as well as new prospect development. His customer relations and sales background, as well as an enthusiastic entrepreneurial spirit, will allow him to prosper under the Lee platform and provide effective real estate solutions that align with client business objectives.

Prior to joining Lee & Associates, Blake was a Sales Account Manager and Recruiter with a global staffing firm in Columbus. He is a Canton, Ohio native and a graduate of Kent State University. Blake has a passion for golf and travel.

CAREER SUMMARY

After graduating from Kent State University in 2017 with a degree in Finance, Blake immediately jumped into a sales role with a global staffing firm. He assisted customers in the Oil and Gas Industry by helping them staff a wide variety of skill sets. Through his various professional relationships within Columbus, he was presented with an opportunity to join Lee & Associates Columbus office as an associate in January 2020. Blake's ability to work with different types of people and unmatched work ethic, made his transition to the real estate industry very smooth.

Since joining Lee & Associates, Blake has made a major impact in assisting the existing leasing and sales efforts of the office. He has developed new business relationships throughout Central Ohio and is growing his client list.
