PROFILE

Tony Russo joined Lee and Associates in 2020 and possesses over 23 years of commercial real estate experience in the suburban Chicago area. Prior to joining Lee, Tony was a Principal at a competing real estate company where he was particularly successful in the leasing of assets with high vacancy rates and time on market.

In addition to running the office brokerage team at Lee, Tony represents landlords, sellers, tenants and buyers in the acquisition, disposition, leasing and/or marketing of commercial office, medical and flex properties.

As an owner of investment properties himself, Tony offers a creative and entrepreneurial approach for his clients. Tony has successfully negotiated over 3,000,000 square feet of leases and sales with a total value in excess of \$500,000,000.

Tony has a well-rounded and diverse real estate background and works diligently towards meeting the goals of every client he represents.
