

# HE REMEMBERS

---

Sung by TLC Lifesong

## Verse

Peter sat in the boat and wondered  
How it came to this  
I once was walking with the Lord  
Now I am counting fish

Moses stood at the way before him  
Miles of dessert heat  
I once was a prince in Egypt  
Now I am herding sheep

## Chorus

He remembers we are dust  
He repairs the broken heart  
He restores our tears and bottles  
And hears our anxious prayers

He rebuilds the walls that are broken  
He's the rock on which we are found  
He is the King of kings forever  
The Everlasting One

## Verse

Mary sat in the room and cried  
Her brother's dead  
Maybe if Jesus had been here  
He'd be alive instead

## Chorus (repeat x 4)

He remembers we are dust  
He repairs the broken heart  
He restores our tears and bottles  
And hears our anxious prayers

He rebuilds the walls that are broken  
He's the rock on which we are found  
He is the King of kings forever  
The Everlasting One
