

I BELIEVE

Sung by TLC Lifesong

Verse 1

I believe Oh
I believe You
Came and died and rose to heaven

I believe Oh
I believe In
The presence of the Holy Spirit

I believe Oh God
In miracles and signs and wonders
I believe Oh
I believe In
Power from above

Chorus

They are a sign
You are God
They Testify
You are Lord (Repeat)

Verse 2

I believe Oh
I believe You
Walked on water, yes you my Saviour

I believe Oh
I believe That
Dry bones walk the earth

I believe that
You came and walked among men
Heal the sick, raised the dead, yet rejected by
them
I believe in the blood that set me free
Took my burdens and sins, when you died on
that tree

Chorus

They are a sign
You are God
They Testify
You are Lord (Repeat)

Bridge

I believe In your undying love
I believe You're the Son of Majesty
I believe in your undying for me
I believe You're the Son of Majesty
