

CLAUSEN

CARPET SOLUTIONS

**ALLEVIATE THE ODORS
CAUSED BY THE STAIN**

**IT ENCAPSULATES SOIL,
MAKING IT NON-STICKY FOR
REMOVAL BY VACUUM.**

**JETCLEAN TECHNOLOGY
PREVENTS SPOTS FROM
RETURNING AND RESOILING.**

**IT'S A BETTER CLEANER,
YET STILL MEETS NYLON
AND VOC REQUIREMENTS.**

DISTRIBUTED BY:

JET CLEAN WIPES

Anti Resoil Stain Remover Wipes

DESCRIPTION

Featuring the same advanced encapsulation technology as our JetClean and Stay Clean for spotting and the quick cleaning of carpeting and other textiles, now our superior spotting chemistry is available in a convenient, ready to use package. JetClean Wipes are safe to use on all carpet fibers including the latest generation of stain resistant nylon and wool. Allows for fast and easy spotting when you need it!

HOW TO USE:

- All spots should be treated as soon as possible to minimize the setting of the stain.
- Always test carpet fibers for color fastness.
- Blot the spot gently with the Jet Clean Wipe starting from the outer edge working toward the center.
- If the spot remains, turn the wipe over and gently agitate the area.
- Difficult spots may require additional treatments.
- Keep container closed to keep wipes moist.

USES

JetClean Wipes safely remove spots from carpets, clothing, upholstery and other textiles.

BENEFITS

- No sticky residue and no re-soiling
- Convenient and easy to use
- VOC compliant
- Safe on most carpeting
- Professional grade formula
