

# 3-D SUPER CLEANER

Butyl Based Degreaser Emulsifier

## DESCRIPTION

3D is a heavy duty cleaner/degreaser that combines modern hard water tolerant, free rinsing surfactants with water miscible, fast acting grease cutting solvents for economical, thorough removal of heavy, built-up greasy soil.

## BENEFITS

**ALL PURPOSE:** This one product does hundreds of cleaning jobs merely by changing dilutions.

**3D DOES THE WORK:** It penetrates, dissolves, lifts, suspends and floats away the toughest soil without hard scrubbing.

**LOW FOAM:** Use with a sprayer, pressure washer, automatic scrubber or just a mop and bucket.

**BUFFERED:** Formulated to maintain its power and cleaning ability when a used solution is spread to a new area.

**VOC COMPLIANT:** Meets today's restrictions on Volatile Organic Compounds.

## HOW TO USE

Experience and the type and amount of soil will indicate more exact dilutions. The dilute solution may be mopped, sponged or sprayed on. 3-D is also excellent for use with automatic scrubbers and pressure washers.

INDUSTRIAL PLANTS, AUTOMOTIVE USE, PRINT SHOPS, KITCHENS, SCHOOLS, FLOORS, GENERAL USE.

**NOTE:** See back panel of label for suggested dilutions.

**NOTE:** 3-D is formulated for heavy duty cleaning and should be tested on an out of sight spot before use to be sure the surface is not affected. When cleaning aluminum, other non-ferrous metals and glass, rinse well with clear water immediately after use.

## SPECIFICATIONS

APPEARANCE.....	Blue green liquid
ODOR.....	Characteristic
SPECIFIC GRAVITY.....	1.040 ± 0.005
DENSITY.....	8.68 ± 0.05 lb/gal
BOILING POINT.....	Near 212°F
pH.....	13.3 ± 0.5
FLASH POINT.....	None to boiling
STABILITY.....	One year minimum
USDA RATING.....	A1
BIODEGRADABILITY.....	Complete

PRODUCT CODE.....3DB
