

MILDEW UN-DO

RTU Mildew Stain Remover, Cleans Without Scrubbing

DESCRIPTION

Works like magic! There's nothing to mix with this amazing product. Just spray the ready-to-use liquid over mildew stains and both the stain and any odor from the stain disappear immediately...

That's immediately, with no scrubbing, no rubbing, leaving sprayed areas restored with no evidence of the past condition.

BENEFITS

READY TO USE: No mixing. Just spray it on when and where needed.

FAST ACTING: Works immediately. Requires practically no dwell time.

EFFORTLESS: Just spray it on. Works like magic with no rubbing or scrubbing.

PENETRATES: Reaches deep into the pores of grouting and painted surfaces where brushing the surface would have done little good.

GREAT FOR THE SEASHORE: Needed everywhere, but especially at the seashore and other humid areas.

HOW TO USE

For best results start by spraying at the bottom of the stained surface and move up as you progress.

Just spray on to completely cover the problem area. Watch mildew stains disappear, then rinse with clear water. No need to rub or scrub.

NOTE: Rinse sprayer after use. Do not mix this product with other chemicals or cleaning materials. Do not contaminate water by use or disposal. Rinse empty containers with water before disposal. Do not use on surfaces that will touch food. Use in well ventilated areas. Rinse all surfaces after use.
