

Clean right to get GREEN

## Deep Scrub & Stripper for Floors

**e-clean Deep Scrub & Stripper** is an aggressive, non-ammoniated, emulsifying stripper that is concentrated, fast acting and very low in odor. It has superior stripping efficiency that translates into real labor cost savings.

**e-clean Deep Scrub & Stripper** is especially designed to remove zinc-free floor finishes and has been rated excellent in independent testing according to ASTM D-1792.

Use with the companion **e-clean Floor Finish<sup>25</sup>, Dri-Buffer** and **Floor Cleaner** to produce a safe, clean floor surface.

Use our other **e-clean products** for building maintenance: **Restroom Cleaner, Glass Cleaner, Spray Cleaner, Carpet Cleaner and Carpet Spotter.**

### How to use:

Dilute 1 part e-clean Stripper to 5 parts cold water (25.6 oz. / gallon).

Apply e-clean **Deep Scrub & Stripper** solution to floor so it covers approximately 100 square feet. Apply enough stripper solution to ensure complete wetting. Allow to stand 3-5 minutes minimum.

DO NOT ALLOW SOLUTION TO DRY. For best results wet-vacuum residue. If not possible, use a damp mop for recovery. Rinse with clear water.  
Deep Scrub Use- Dilute 1 part e-clean Stripper to 64 parts cold water (2 oz. / gallon).

Apply **e-clean Deep Scrub & Stripper** solution to floor so it covers approximately 100 square feet. Apply enough stripper solution to ensure complete wetting. Allow to stand 3-5 minutes minimum.

DO NOT ALLOW SOLUTION TO DRY. For best results wet-vacuum residue. If not possible, use a damp mop for recovery. Rinse with clear water.

### Specifications

Appearance....Clear Colorless Liquid  
Odor.....Mild  
Biodegradability.....Readily  
Phosphates..... None  
Green Seal™ Certified.....Yes  
pH..... 11.5  
Flash Point.....>165°F

Packaged in 4x1 Gallons & 5 Gallon Pails

This product meets Green Seal™ Standard GS-40 based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.
