There are a number of items on the bulletin board for the Children's Home. We need to start collecting again. If you need a new coin can, there should be some in the office. Also, don't forget to save your "Christmas tithes!" We're gonna do something BIG for the kids!

"Let brotherly love continue"

Last week was wonderful as I was privileged to teach the teens at PTP Spark. This is the second year for this event and my second time to teach this great group of young Christians. Spark is a scaled back version of Polishing the Pulpit, and there are similar events scheduled in locations like St Louis (2019) and San Francisco (2020). There are even overseas events planned in the Bahamas (2021) and the Holy Land (a cruise from Rome to Jerusalem 2019). There is even a tentative event planned for India in 2021! Homer Smith (one of the Jacksonville elders) and I were discussing how no one was volunteering to attend or work at the event in India! However! I did volunteer to take Rhonda and help with the one in the Bahamas!

I am thankful to Lynn for taking care of class on Wednesday in my absence. I still have two more absences before the summer schedule arrives. There are enough lessons in Game Plan to get us there. I plan to use the afternoon class to work on getting some teachers to cover my absences this summer. I will be ordering a new book to start the summer term. What I would like is for three men to take one month at a time. Each teacher will work from four lessons in the book. The first teacher will have Lessons 1-4, the second Lessons 5-8, and the last will have Lessons 9-12. Any lessons that aren't covered can be used in the fall as needed.

I am thrilled to have Bill Burk back in the area as he will be preaching in a meeting at Cleveland this week! I picked him up at the airport yesterday and delivered him to Mom and Freeman's last night. He and I will get to spend a couple of days together before he returns to Texas on Thursday. He will also help me film a couple of TV programs on Thursday morning. We always enjoy our time together, especially when we can work together for the Lord. We have Bill scheduled to hold our fall meeting in October.

We've been honored by the church at Jacksonville for our work with House to House. We are in the top 3% of the more than 1500 participating congregations. We sent 36,774 copies of House to House into community in 2017, not including our help with the Desert church in Nevada. Our local mailings will exceed 45,000 copies in 2018!

We love you all.... Todd & Rhonda
