“Let brotherly love continue”

Last week was a difficult one for many of our brethren. Many of us were saddened at the passing of W.T. Allison. Truett was the preacher at Hamilton for many years before going to Mobile. He and we were blessed to have him back here for the last 15 years or so. Truett was 79. In speaking with an area brother in regard to Truett's passing and arrangements, I was told that he was scheduled to hold a meeting at Goodsprings in May. Because of the nearness of the date, I was asked to cover that meeting for them, which I am happy and privileged to do.

A little closer to home, many of us were stunned at the passing of Dennis Mills Jr. Dennis grew up in this area and was raised at Barn Creek. He was the oldest brother of Denise Mann, Wade and Ann's daughter in law. He was 57 years old and a member at Cherry Hill at the time of his death.

Lord willing, I will leave early tomorrow morning for Jacksonville to teach the teens at PTP Spark. This is the second year for this event and my second time to participate. Spark is a miniature version of Polishing the Pulpit, and there are similar events scheduled across the country over the next few years in locations like St Louis, San Francisco, Valdosta GA, and Salem VA. There are even overseas events planned in the Bahamas, India, and the Holy Land (a cruise from Rome to Jerusalem).

I still need a volunteer to teach Wednesday night class. There are several lessons remaining in the Game Plan book. I suggest using Lesson 10 on Evangelism. While on this subject, my travel schedule is about to begin in earnest. I have my Sunday absences covered for the most part, but Wednesdays are a different matter. I have placed a sign-up sheet on the board for the Wednesday nights that I'll be gone. When we run out of lessons in Game Plan, I will secure another book to provide study material and guidelines. I also need someone to take the devotional Wednesday. I told Ryan I would cover for him, but later remembered that I will be in Jacksonville on Wednesday! (I'm dumb that way sometimes!)

We love you all.... Todd & Rhonda
