## LOCAL NEWS

Today is our monthly singing at the Hamilton Nursing Home at 1 p.m.

Ryan has volunteered to teach in my absence on May 9. He is preparing his own lesson and not using a book. I still need Wednesday night teachers for several weeks over the summer and a couple in the fall. A sign-up sheet is on the bulletin board for any men who are willing to teach.

Logan Cain and Jamie Moody will be married on June 9 at 4 p.m. in Henderson TN. An invitation is on the bulletin board; see Stephanie any additional info.

Don Williams is planning to come by and get the supplies for the children's home if I don't take them to Florence in the coming days. Also, don't forget to save your "Christmas tithes!" We're gonna do something BIG for the kids!

“Let brotherly love continue”

Last week was an interesting one at the Clippard house. A couple of weeks back, Rhonda and I rescued a cat from the school. She was about the sweetest thing ever! When I took her to the vet last Tuesday for a check up and shots, we discovered she had feline leukemia. We didn't have many options, so we decided to have her put down. When I arrived home from Dr. Cashion's in Haleyville, there was a puppy on the front steps of the church building! Phillip found the church surveillance video of the (insert derogatory term here) who dumped her. So, we have a new puppy, and she is a great addition to the crew. We lost our chocolate lab a month ago and Mollie hasn't been happy since. Our kids are also excited about the new dog.

Looking ahead! Our VBS will be July 22-25 with the group from Arnold MO coming down to help us with this effort. We need everyone to be here as well as a few volunteers to house our guests who will arrive on Saturday, July 21. Rhonda and I anticipate our house will be full, but with 20+ guests coming, we'll need a few more folks to help with housing.

With our VBS quickly approaching, we need to make some progress on our building repairs and other improvements. Our new security doors were ordered a few weeks ago, but the wrong doors were sent. We finally have the proper ones on hand and will have them installed very soon. Other immediate improvements needed include replacing the lighting in the church building and fellowship building. Finally, we still have the parking lot and new sign to address. Hopefully, both of these can be put behind us before our VBS.

Also looking ahead, Ryan Gallagher and I have coordinated a combined congregational effort for Wednesday, August 1. On that evening, starting at 6 p.m., we will have a public reading John's gospel in its entirety. This should take about an hour and a half or so. We need a handful of men to volunteer to participate in the reading. Each volunteer will have a chapter or two to read, and you can work with me on which chapter(s) you prefer. We will be advertising this event in the next two issues of House to House.

We love you all.... Todd & Rhonda
