The elders need your input to move forward on the purchase of a new sign. Once the order is placed we should expect everything to be prepared and finished in 5-6 weeks. The four line, red letter sign is right at \$20,000. The full color sign is \$28,000. As I mentioned before, the money for this project is already built into our budget for this year, only it was originally assigned to the parking lot renovation.

Our VBS will be July 22-25 with the group from Arnold MO coming down to help us with this effort. We need everyone to be here as well as a few volunteers to house our guests who will arrive on Saturday, July 21. A sign-up sheet is on the bulletin board for those willing to house some of our guests. Your primary responsibility as host is to provide a place to sleep and breakfast. We can handle any transportation and pick up of guests.

VBS SCHEDULE

Ryan Gallagher and I have coordinated a combined congregational effort for Wednesday, August 1 at the Hamilton building. Starting at 6 p.m. that evening, we will have a public reading of John's gospel in its entirety. Ryan and I titled this event 10:17, from Romans 10:17. This should take about an hour and a half. Each volunteer will have a chapter or two to read, and you can work with me on which chapter(s) you prefer. We are advertising this event in the next two issues of House to House. I need six male volunteers to read at this event.

We love you all.... Todd & Rhonda
