

- Customers rate Bush's Best® Baked Beans as their #1, and they love to see them on your menu
- Versatile enough to complement steak, chops, chicken and fish
- Their low-fat, high protein and fiber status appeals to customers looking for healthful options
- Quick and easy to prepare and serve
- The low portion cost can increase your check average

YOU DON'T HAVE TO KNOW OUR RECIPE TO RECOGNIZE THE GREAT TASTE OF OUR **BAKED BEANS.**

We can't tell you everything about our secret family recipe, but you can be sure that every batch includes cured bacon, fine brown sugar and a delicate blend of spices. These ingredients, combined with a few we'd prefer to keep to ourselves, have made us a #1 consumer brand.

| UPC# | SIZE | DESCRIPTION | APPROX. SERVINGS PER CAN/CASE |
|------|-------|-------------------------------------|-------------------------------|
