The Basics

Counselors and Staff
Camp Southern Ground carefully selects young men and women for their interest and commitment to working with children in the outdoors. Each staff member must meet a high standard of dedication and skill. Interviews are conducted and references are checked. Staff members attend staff training designed by camp professionals to prepare them for the camp experience, which emphasizes counseling skills, group dynamics, safety procedures and activity skills. Our counselors are a strong, committed team with a single focus: a safe summer filled with fun, learning and growth opportunities for all.

Community of Camp
Camp Southern Ground offers a secure and welcoming community. Each camper is placed in a same-gender, similar-age “tribe”. Tribes sleep in our state-of-the-art lodge, with indoor bathrooms and showers. Each room contains 4 bunks (8 beds) where campers are supervised at all times. We know that living in close quarters allows for an experience of group cohesion, which promotes life skills in sharing, cooperation, and compromise. Campers try new activities, broaden interests, make friends, express themselves, and feel a special sense of belonging. They gain the pride of being supportive members of their tribe group. We ask that you offer encouragement to your child around issues concerning the camp community, adjustments, and conflicts, should they develop. A roommate request can be made in the camper application.
Electronics Policy
Camp Southern Ground is a place to celebrate and enjoy the great outdoors—to take a break from everyday life and electronics. For this reason, please don’t send your camper with a cell phone, tablet, computer, camera, or iPod! (We do however encourage reading and e-readers that cannot play video are welcome.)

We know that everyone has a cell phone today, but we request that you don’t send one with your child. We want your child to make new friends, not spend camp time talking to friends back home. Also, the “photo” option on phones today poses a privacy risk to kids who are living together in a group setting. Cell phones also tend to make the traditional “home sickness” problem worse. We welcome communication in the camp office, and if there is any significant problem, we will call you. However, cell phones and other electronics brought by students will be collected and returned at week’s end.

Food and Beverage Policy
All meals are served in the Dining Hall. In order to minimize the possibility of outdoor creatures and rodents, no eating or drinking is allowed in the lodge. Help us avoid problems with animals by not sending any food, snacks, or treats with your camper. If your child has a special diet, we will accommodate those needs on a case by case basis. Please contact us and tell us how we can help with your child’s needs.

Care Packages
If you would like to send your child notes or small gifts from home, we encourage you to do so. However, we ask that you please follow some simple guidelines:

- Please NO FOOD! Nutrition is an important part of our camp. Your kids will be fed amazingly well (including snacks and some sweet treats).

- One package per week is more than enough. We know you love your camper, but multiple packages can become a distraction to the camper’s overall experience.

- Be POSITIVE! Anytime you communicate with your camper, especially if they may be homesick, it is important to encourage them to be independent. Check out Audrey Monke’s sunshine parenting blog on messages to send to your camper.

- Send something fun! Small toys, books, or photos from home are great items!
Medical

All staff at camp are trained in First Aid and CPR. Campers are supervised 24 hours a day and all health care and medication administration is overseen by the camp physician. General care and first aid is always provided. If your child requires more detailed medical treatment, you will be notified and your wishes carried out. In the event of an emergency, your child will be transported by ambulance to the nearest hospital. At the hospital, a senior staff member will stay with your child and act as their advocate until you are notified and can arrive to proceed with treatment decisions.

**COVID Safety Practices** – Visit this website for our up-to-date COVID plans for 2021
https://www.campsouthernground.org/summer-camp-covid-safety

**Medication Management**

All medications brought or sent to camp will be kept in the Health Center and administered by our staff. **Medications must be in the original prescription container**, complete with doctor’s instructions. We ask that you send only essential medications. Camp Southern Ground has a supply of over-the-counter (OTC) medications and can provide those to your child with written authorization.

*If your child takes medication to help them cope and excel in school settings, we strongly advise you to provide your child’s medication to our camp nurse.* We follow a structured schedule, so it is important that your child has all the tools necessary to succeed.

**Medical Costs**

In some emergency situations, there may be costs incurred for the proper care of your child. Physician care, hospitalization fees, emergency transportation and other related expenses are your sole responsibility, and you will be billed by either Camp Southern Ground or the treating organization.

**Medical Forms**

We require that all campers have up-to-date medical records on file. Basic medical forms must be filled out each year.

**Routine Health / Medical Treatment**

The Camp Nurse (RN) treats campers under the authority of the Camp Doctor, according to “Standing Orders”, which are the procedures for treatment of reasonably anticipated illnesses and injuries. The US FDA approved over-the-counter medications are given based on the Standing Orders which include, but are not limited to, the list provided in the Health Form.

Parents may request a copy of the Standing Orders at any time, if they so wish. All health forms are reviewed by the Camp Nurse prior to administration of any over-the-counter medications to confirm parent permission.
Arrival and Departure from Camp

If your camper is registered for a session, but does NOT show up on the first day, a member of the camp staff will call to ensure that they are safely in your custody.

**Dropping Off at Camp:**
Campers are to arrive between 2:00 and 4:00 pm on Sunday, the first day of their session.

**Please note:** If you arrive early at camp please wait on the paved road on the way into Camp Southern Ground. If you are very early, call the office for some ideas of things to do around town. Please do not block the camp driveway as vehicles may need to exit AND DO NOT FOLLOW AUTHORIZED VEHICLES THROUGH THE GATE. We will open the gate at check-in time.

**For COVID safety** – Drop-off at camp will run as a drive through process. A staff member will greet you at the front gate and direct you to the next station. Please follow the signs and instructions from the CSG staff members.

In previous years we have allowed returning campers to arrive early, we will not have this option for 2021 but expect to return to it in 2022.

Adults and family members will not be allowed to enter the main buildings of camp, including the residential lodge and the dining hall. A bathroom will be accessible for those who need it.

**Picking Up from Camp:**
Check out for all sessions is between 1:30 pm and 2:30 pm on Friday.

**For COVID safety** – We unfortunately will not be hosting a family lunch during pick-up this summer, and pick-up will also be a drive through process. A staff member will greet you at the gate and direct you. Please follow the signs and directions from the staff members.

*You MUST have a photo ID to pick-up your child*
If someone other than a parent/guardian is picking up your child, you must notify the camp and that person must have a photo ID.
Travel by Air

Many of our campers fly in from out-of-state and from all over the world! If you would like Camp Southern Ground to pick-up your child from the Atlanta Airport upon arrival, drop them off on their departure (or both), you will need to book your travel through our travel agency, Uniglobe. Once your camper’s travel is booked, our staff will confirm the details with you as well. A Camp Southern Ground staff member will be at the airport to greet your camper and ensure they make it safely to camp. We will call you once your child has been picked-up from the airport. Contact Hope for more details about booking your child’s travel.

You do not need to do this if you are flying with your child and dropping them off at camp yourself. Only if your child is flying alone.

CSG Travel Agent

Sunday flight arrival times at the Hartsfield Airport – between 11am to 2pm.
Friday flight departures – 1 to 4 pm
- Joy Chapman
- 770-487-0487 say “Joy”

Unaccompanied Minor

If your child is under the age of 15 and traveling alone, you will need to sign them up for the unaccompanied minor program with your airline. This service allows an adult to take the child through security, drop them off at their airplane, and leave them in the safe care of the airline staff. In Atlanta, the CSG staff will pick up your child at their airplane and take them through the airport to get their bags and meet the shuttle to camp.

- Delta’s unaccompanied minor program:
  - Required for all children 14 or younger, traveling alone.
  - Fee: $150 per family, each way.
- Southwest’s unaccompanied minor program:
  - Required for all children 12 and younger, traveling alone. If the child is over the age of 12, Southwest will still allow an adult to go through security, but they will not have to pay the fee.
  - Fee: $150 per family, each way.

One week before your child’s flight, Hope will send you the contact details for the CSG staff who will pick-up your child in Atlanta. Have all of your child’s flight details ready when you make the call. You may only list one person as the drop-off and pick-up person. Please send contact details for whoever is listed as the home drop-off person to Hope@campsouthernground.org.
What to Bring to Camp?

We recommend that campers be sent with clothes to play and have fun in! Campers will get involved in a hands-on way and their clothing may show wear and tear. Camp is not responsible for lost or damaged articles. Please label everything with your child’s first and last name.

Children lose things. Clothes or items that are not labeled will be placed in our Lost and Found, which is donated at the end of the summer. If we find a lost item that does have a label, we will happily ship it out to you. Parents will be responsible for shipping fees of returned items.

**Clothing:**

- T-shirts (5)
- Shorts (5)
- Underwear (7)
- Socks (7)
- Sweatshirt (1)
- Long pants (2)
- Light rain jacket
- Swimsuit (2 are recommended)
- Pajamas
- Sun/ baseball cap
- Shoes
  - Tennis shoes/Sneakers
  - Water shoes (old tennis shoes or crocs work great!)
  - Flip flops/Slides-- these may only be worn in the shower and pool area

**Toiletries:**

Campers will be mainly using shared restrooms, so placing these kinds of items in a separate labeled toiletry bag can be helpful!

Ziploc freezer bags work great!

- Comb / hairbrush
- Toothbrush & paste
- Shampoo, soap, lotion
- Sunscreen
- Insect repellent
- Bath towel

**Other Adventure Gear:**

- Flashlight
- Sunglasses
- Reading material
- Notebook & pen
- Pillow
- Sleeping bag or blanket (sheets are provided)
- Hard plastic/metal water bottle
- Small backpack
What Not to Bring to Camp:

**Food**
Please don’t bring any snacks, we have a very strict food policy at camp. All meals will have a variety of options and plenty of food for your child to enjoy. We also provide snacks between meals.

**Money and Valuables**
Campers will be living in a group environment and are asked to be careful with money and valuables brought to camp. Please speak to your child about putting their valuables in a special compartment of their duffle or they may ask that a staff member keep it for them in an envelope with the child’s name.

**A REMINDER - DO NOT SEND ELECTRONICS TO CAMP!**
Items like cell phones, iPads, cameras, or video games are both a distraction and a potential cause of serious issues. If you would like your child to have any of these items during their travel time, they may check them in with the director upon arrival and be checked out when they leave. Camp Southern Ground is not responsible for lost or stolen items at camp.

**A Few Common Sense Points. . .**
You know these things already, but our standards require that we let you know the following:
1) Campers are NOT allowed to use drugs or alcohol when at camp.
2) Sports equipment is provided, so campers do not need to bring anything, like for example, a basketball.
3) Use of vehicles at camp is restricted to roads and parking areas - Please drive slowly. No one is allowed to ride in the back of a truck, or anywhere without a seat, and everyone must wear a seatbelt.
4) Pets are not allowed at camp, no matter how cute your puppy is.
5) Weapons are not allowed at camp, including pocket knives. (We know, pretty silly, but we just wanted to say it.)
Contact

How we Contact You
We will communicate with you in several different ways, but we can only do that if we have accurate contact info for you and your family, as well as your emergency contacts.

Email:
We use several services to help us communicate better with our parents. For email we use a service called CampSite. Please make sure that you do not have our email blocked as important information is sent through our emails.

Phone:
In some situations, we use a service called “call-em-all”. It allows us to call all of our parents and give a brief message about what is happening at camp. We use this for non-emergency situations that we think parents should be informed about.

Emergency contact to parents is essential for the camp. Please make sure you include all numbers where you and your secondary contact may be reached day and night. Home, work, cell, and e-mail are all important in the event of an emergency.

A Note from the Director
Feel free to contact the camp at any time. We are here for you and your child. We hope we can foster an important partnership as your child grows.

The Camp Southern Ground staff and I look forward to meeting you on registration day. Please make a point of finding me and introducing yourself. It is important to me to know who you are and to share with you a bit of our vision for the future.

Thank you for including Camp Southern Ground in your summer plans.

Scott Hicok
