

**CAMP
SOUTHERN
GROUND**

Thank you for your support of Camp Southern Ground. Our mission is to provide extraordinary experiences for children to recognize and magnify the unique gifts within themselves and others in order to profoundly impact the world.

As you know, Camp Southern Ground is the passion project of GRAMMY-Award winning musician Zac Brown. More than the typical camp experience, Camp Southern Ground's state-of-the-art campus will provide summer programming for children ages 7-17, from all races, religions, and backgrounds, with a special focus on children with developmental and learning challenges, children from at-risk environments, and from military families. During the Retreat season, Camp Southern Ground will serve special interest groups, including our military support partners, and act as a host facility for corporate meetings and special events.
