THE STATE OF THE PHLOCK

It’s that time of year when we celebrate all things PHIP Parrot Head Clubs and there is no better way to celebrate than presenting the 2017 PHIP State of the Phlock …

Here’s a recap of our 2016 Party with a Purpose.

We closed out the 2016 year with 25,323 members, and our membership figures paired with the volunteer hours and fundraising efforts reveal much more than someone’s payment of dues and the occasional annual involvement within the clubs. Those 25,000+ members make up the 221 Clubs who are the heart and soul of PHIP.

PHIP welcomed 3 new clubs to our ranks in 2016: Forgotten Coast PHC in Florida, Pirates of the Neuse in North Carolina and Parrot Heads of Southeastern Ohio.

Last year’s fundraising efforts amounted to a whopping $3,421,622. More importantly you generously donated 190,457 hours of your extremely valuable time! It is the Parrot Heads who go above and beyond the required 2 charitable or environmental projects per calendar year and volunteer when they see the opportunity to give something back … to their own communities, to the environment and to their fellow man, they do it in a big way. You make up the Meeting of the Minds volunteers, donate many hours to hosting successful club events and phlockings, volunteer as judges, work event information booths, man phone banks and generally pitch in when you see a need.

Your service projects are varied and many. You help the elderly, less fortunate families, and the homeless, providing clothing, meals, toys, senior services and youth camp donations, animal shelters/rescues and many clubs have Adopted A Manatee. On a national level clubs volunteered or raised money for Make A Wish, St. Jude’s Children’s Hospital, Toys for Tots, Ronald McDonald House, many walks for various cancers or diseases.

The Lone Palm Foundation, the non-profit charitable arm of PHIP had two successful fundraisers. The one day auction in July which raised over $11,000 and the live auction at MOTM which raised $10,170. The foundation exists to support PHIP Parrot Heads who could experience a personal need in the future.

We continue to exceed the National PHIP Alzheimer’s Team goal of $100,000. Last year our National Alzheimer’s Team members raised $227,236 and we increased our team participation numbers to 69!! Again, the PHIP Board would like to thank all of the clubs who stepped up to helped and donated to the Walk to End Alzheimer’s.

The lasting friendships we have built over these few years have gone beyond the life that Jimmy Buffett sings about. Our national membership focuses on harmony and pulling together for the greater good! It’s the music and lifestyle that drives us, but it’s also the needs within our own communities that compel us to help. We celebrate your club’s many accomplishments.

As with any organization, the right leadership is what makes a chapter succeed.
Our advice for this coming year is to surround yourselves with an incredible group of officers who really care about the success of your club. Take time to identify your talents within your membership. Some of your members are just waiting to be asked to be a part of your club’s success. In the long run you’ll have the much needed help.

We truly remain united, working to achieve the same goals. There really is a bigger picture and a brighter future when we all work together. Your reported numbers reflect another healthy year in the books. May you all have a very successful 2017!

Spring has sprung! Well, at least it has here in the Sonoran desert. We just wrapped up Spring Training and I was lucky enough to watch my lifelong team, the World Series Champion Chicago Cubs, play two games. (Man, it feels good to be able to type the World Series part of that sentence!)

It’s not just here that people are starting to get out more for some great events. March brought the New England Parrot Head Convention, St. MinneSomePlace’s This Hotel Room in Minneapolis, Music on the Bay in Tampa and Pirates In The Desert in Las Vegas. With April comes the 12th Annual Panama City Parrot Head Rendezvous, Angels in Tropical Shirts Music Fest in Texas, the 11th Annual Savannah PHC Scavenger Hunt, 27th Birthday Bash for the St. Louis PHC, and the San Diego Parrot Head Pub Crawl. Finally, One Particular Phlocking in New Jersey and the PHoPS 7th Annual Pub Crawl & Poker Run in Tacoma are coming up in May.

How do I know about all these great events? Well, I’ll let you in on my information sourcing secret. I know because the folks putting on the events A) put the event details on their respective PHiP Regional Calendars, B) talked the event up on the PHiP Club Leaders and Regional Yahoo Groups and C) posted about them on their Facebook pages (both club and regional).

That’s it! It’s easy-peasy to find out about what’s going on if people get the word out. So, consider this your annual reminder to make your event “findable”. And, follow up when it’s done with results, stories, pictures, etc. You want to make people think, “So glad I was there!” or “Dang, I’m sorry to have missed it so I’m putting in my calendar for next year.”

Of course, the BIG event of the year. Meeting of The Minds, is on everyone’s agenda for November. Right? Haven’t signed up yet? You can at http://www.phip.com/motmregistration.

Hope to see you on the road somewhere this year!

Kathy Pfister, President Parrot Heads in Paradise, Inc.

PHIP INTERIM REPORTS

Just a reminder that with summer comes Interim Reports, which are due beginning July 1st and must be received no later than July 31st.

As always, these should be submitted electronically to phipmembership@gmail.com and labeled as INTERIM REPORT in your subject line.

For new officers or new chapters, the Interim Report is simply a brief free-form synopsis of your Club’s charitable, civic and environmental activities for the period 01/01/17 - 06/30/17. It should contain who, what, when & where and should provide a contact name, if appropriate. All Chapters must file an Interim Report ...

If there is nothing to report, please so state. Reporting of volunteer hours donated is not required on Interim Reports. However, please continue to track these figures throughout the year ... Your cumulative annual totals are due with your Annual Renewal.

As approved by the PHiP Board, effective 2008, there is a $100 penalty for any Chapter filing an Interim Report after 07/31/17.

Please do not hesitate to contact my office with any questions or concerns.

**The Casa Marina Remains Sold Out!**
We are still sold out at the Casa Marina but we are collecting names for the wait list as some level of cancellations will always happen and we need to keep the hotel sold out! If you want to be on the wait list just follow the steps below:

1) Register for Meeting of the Minds 2017.
2) Book your room at the Reach Resort. While our awesome Parrot Head rate is only valid at the Casa Marina the Reach is offering a discount to our group this year. This Reach Resort rate will not be as low as the Casa rate but it is a booking discount. There are some Casa Marina cancellations every year so booking early will put you up the list as we do go in order to move people over as vacancy happens through the year. This can happen right up to the event so give the hotel your cell number not your home number for con
3) Email our MOTM Director of Registration Rick Fyffe at rjfyffe1@ymail.com
Put in the title of your email "MOTM Casa Marina Wait List." Tell Rick you are booked at the Reach and registered for MOTM. Rick will add you to the Casa Marina wait list in the
order in which you contact him. We have to fill the Casa Marina so we will work very hard to move everyone we can as cancellations occur. We will be working down the order in which you reply to Rick Fyffe. Sorry for any confusion but it is best to manage this list through Rick vs. contacting the hotel.

Here is the special link to the Reach Resort for our group discount – Again this is NOT the same rate as the Casa Marina. Simply copy and paste the URL below into your browser to access the exclusive rates available for this group:

The Call in code is: ZZPAR9
The Reach reservations line is: 305-296-5000.

Parrot Head Club of Tidewater raises over $70,000 in 2016 for Walk to End Alzheimer’s® #1 Ranked Parrot Head Team

The Parrot Head Club of Tidewater was founded in 1996 by Andy and Bonnie Harrell. Throughout 20 years of philanthropy for numerous national and local charities including the Alzheimer’s Association, members have given back countless volunteer hours helping to raise over a half million dollars. One of their largest fundraisers, the charity Beach Ball, raises money for the Alzheimer’s Association. Last year, the event raised over $67,000 and helped catapult this club to the #1 Parrot Head Walk to End Alzheimer’s team in the nation.

This year’s sold-out event raised over $73,000. The event featured live and silent auctions, live music, dinner, and a guest speaker, Karen Garner. Karen is a member of the Alzheimer’s Disease and Related Disorders Commission for Virginia and former caregiver to her late husband, Jim Garner. Jim, a retired Air Force senior master sergeant, was diagnosed with younger-onset Alzheimer’s disease in 2011 and passed away in 2016.

This momentous anniversary marks 20 years of support to help the Alzheimer’s Association advance research focused on preventing and effectively treating Alzheimer’s disease as well as sustaining free programs and services for families facing daily challenges of this insidious disease.

“We, as a community, are making a difference. We, as a community, are the hope that shines brightly for those navigating the maze of Alzheimer’s disease. With the support of the Parrot Heads, we will see the day when someone stands before us and says, ‘I am an Alzheimer’s survivor.’” — Gino Colombara, Executive Director Alzheimer’s Association Southeastern Virginia Chapter

In 2016, 82 Parrot Heads clubs participated in Walk to End Alzheimer’s events across the country, raising over $230,000, which represented a 50 percent increase over 2015. Bob Noonan from the Chicago Parrot Heads Club took over as National Team Captain and sent out a series of e-newsletters called “Walk Wednesdays.” This year, Bob is proud to continue serving in this role and hopes to get over 100 clubs participating and raise more than $250,000!

To join the Parrot Heads National Team, simply visit alz.org/parrotheads and “start a team.” Your contributions will help support the Alzheimer’s Association and its chapters in communities where you live across the country. It’s a great way to support a cause that affects so many of our members, including the Buffett family.

For more information, please contact Bob Noonan at noon-er@aol.com
San Antonio, Texas, is well known for The Alamo and the famous River Walk, but in 1998 when Garrett Van Delden, and several of his family and friends returned from a Jimmy Buffett concert in Las Vegas, energized and looking for a local parrot head club – there was none in San Antonio. They had been Jimmy Buffett fans for a long time and realized that they wanted to join the Parrot Heads in Paradise (PHIP) community and “Party with a Purpose”. He gathered a small group of dedicated people, his family members and close friends to form the first Board of Directors for the San Antonio Parrot Head Club (SAPHC) in March 1999. Then they set out to grow the membership and support for the community.

The SAPHC has two events a year on a consistent basis, the first being the club's anniversary party. This party is the biggest fund raiser of the year. We have a full band play because our members love to dance. It includes a silent auction and other raffles for other donated items. This event supports the San Antonio Food Bank and we also collect non-perishable food for them. We just concluded our 2017 event and though totals are not in yet, it was very successful for us. The other annual event that we have is our “Survive" weekend on the Texas coast for our members. We take about 150 club members and family about 170 miles to the coast for a three day event to “get away and unplug”. We have live music, provide food, activities at the host hotel pool, a bonfire on the beach and other beach activities. We have several fun contests as well. Keeping this in “the family" has fostered a sense of closeness and comradery between members which benefits the club all year round. Any money collected above expenses goes to the Alzheimer's Association. This has helped us be among the top ten Alzheimer's Walk Teams in PHIP and locally.

While SAPHC supports numerous charities throughout the year, we have a strong tradition of helping the San Antonio Food Bank in a variety of ways. Quarterly, we have a Food Bank work day and work packing and sorting food items to be distributed to families in the local area. Additionally, we always have a team for their Great Turkey Challenge, a 5K walk/run on Thanksgiving Day. One of our continuing efforts for the last seven years is supporting the County Line Music Series at the County Line Bar-b-q off IH-10. Every Thursday evening from Apr-Aug we gather at the County Line and collect both food and monetary donations for the Food Bank. Our efforts have not gone unrecognized as we were the 2011 Food Bank Volunteer Group of the year. Additionally, nominated by the Food Bank to the United Way, we won the 2014 San Antonio United Way Volunteer Group of the Year for our continuing support of the Food Bank.

We have a great core membership group that works together plays together well. Though members come and go, we have some that love to volunteer for our charities and others that come for the social connections. We were fortunate to win the PHIP Golden Coconut Award in 2009 and feel we still embody those qualities that made us worthy of the award. No matter what the activity, we always have fun - even when picking up trash, sorting food, collecting donations, wrapping and delivering presents or listening to great music – we've been told that we always bring “the party" to whatever we are doing. We also have members that love to travel and support many other parrot head clubs and events, and you can usually pick us out from the crowd!

Thinking about entering the Golden Coconut Contest?? PHIP Director of Membership will begin accepting entries on July 1st!!

Entries for the 2017 Golden Coconut Award of Excellence, presented by a representative of Margaritaville, Inc., will be accepted via email from July 1st until August 30th, 2017.

For all the new clubs and new leader's out there, here's a little history lesson: In 1996, Margaritaville and ParrotHeads In Paradise, Inc. decided to create an award to be given to a deserving Parrot Head Club, emblematic and in recognition of the outstanding Charitable and Environmental efforts of ALL Parrot Head Clubs.

Today, competition for the coveted award is waged through a "blind essay" submitted to an illustrious panel of judges composed of previous Golden Coconut Award recipients.

If your club hasn't entered or has entered in the past and didn't win, then you should submit a first time entry or enter again!!!

Did you know:
* Many clubs who submit a blind essay for the contest have submitted an essay before
* Many clubs don't enter because they think it's based on membership or fundraising numbers.

NOT TRUE!! Here are a few hints that might help:

1. BE CREATIVE!! (if it looks boring & not fun to read and it really has nothing but fundraising figures, it's probably going to get a low score). Make it fun to read! We know you all are creative out there! You show your creativity in your concert attire, tailgating, event decorations and events! Put that same creativity to paper!!

2. Read last year's winning essay, as well as previous winning essays!! They are posted at: http://www.phip.com/club-winners Use their creativity as a guideline!

3. You can't win if you don't enter!! The Golden Coconut Award is like winning the Lottery of PHIP and gives your club membership into a very unique and small group of Clubs who use their win to their advantage! You have bragging rights to use on your website, on your club merchandise! You know you love to talk about your club to anyone who will listen!! Imagine telling a potential sponsor of your event or club that your club is a Golden Coconut Winner and then explaining what it stands for!! We know you can be loud & proud .. put that spirit down on paper!!

4. Follow the rules!! Yes, we gotta have some stinkin' rules ... (as all contests do). (see rules below)

5. Don't have time to write a blind essay to submit?? I would be willing to bet that you have someone in your club who is a creative writer! Tap them as a resource!! There is NO rule that the Golden Coconut SUBMISSION must be written by a Club's Officer, the GC just needs to be submitted by the club's contact!! Sometimes a member who would love to contribute in some way just needs to be asked!

6. Every chapter, with the exception of previous Golden Coconut recipients after 2011, regardless of size or age, has an equal opportunity to win this most coveted designation!

CONTEST CLOSES AUGUST 30th, 2017.

THE RULES:
* All clubs, with the exception of previous Golden Coconut recipients after 2011 are eligible to enter the contest
* Entries must be received by this office no later than August 30th, 2017
* Entries received after 8/30 will be returned unopened
* Electronic submissions, in MSWORD format, are acceptable and encouraged
* Entry is to be by blind essay – No recognizable references to club name, city, state, local charities, etc. may be included. Entries with any discernable reference will be returned to the author for editing, if time allows

**FINS WAY UP** to all of you that “Partied with a Purpose” this past quarter! To be included in this list you need to post on the PHIP Club Leader’s Yahoo groups lists when you have a charitable or community service activity. Or you can send an email direct to me at ssspenny@att.net. Some clubs write a short “quarterly report” or recap of their activities and post or send that to share their accomplishments. If you post on a facebook page, please copy the information and put it in an email to send out - not everyone is on facebook and newsfeeds do not reach everyone!

**PHIP FEATURED CLUB**

Did you know there’s a Featured Club page on the Parrot Heads in Paradise website? Well, now you do! It can be found at [https://www.phip.com/featured](https://www.phip.com/featured) and is currently featuring the San Antonio PHC. Past posts have been on the San Diego PHC, Chicago PHC, Virtual PHC and several other very worthy clubs.

This feature is a great way to not only be recognized by the Parrot Head world but also a good recruiting tool for your club. Imagine saying to prospective members, “We’re being directly promoted by our National organization! Check it out!”

Think your club is awesome and worthy of its own spotlight? I’m pretty sure you’re right so send me a note at cheese-head_in_paradise@yahoo.com and we’ll talk. Thanks for participating!
