# Proform™

## Posi-Track Deep Recessed System

Heaviest rolling load in the industry with a wide range of **designer insert options**.

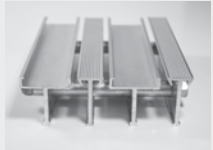

Combination of scraping rails and drying strips removes debris and absorbs moisture.

### Designer Insert Options

**Southampton** Aggressive and attractive polypropylene fiber

**Princeton** Premium high durability nylon fibers (6.6)

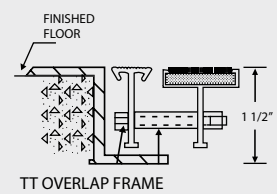

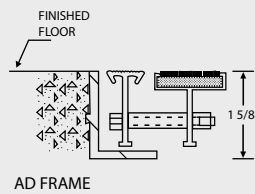

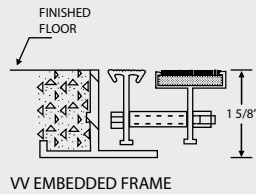

**Maximum Rolling Load**  
Pounds per wheel for Level Base Installation

| 2' Span | 2' 8" Span | 3' 6" Span |
|---------|------------|------------|
| 3,831   | 2,653      | 1,583      |

| Depth                                  | VV or AD Frame (New Construction) | TT Overlap Frame (Retrofits) |
|--|-----------------------------------|------------------------------|
| <b>Grille Only</b>                     | 1-1/2"                            | 1-1/2"                       |
| <b>Grille &amp; Frame (Level Base)</b> | 1-5/8"                            | 1-1/2"                       |
| <b>Grille &amp; Frame (Drain Pan)</b>  | 2-1/2"                            | 2-1/2"                       |
