VIRTUAL V ACADEMY®
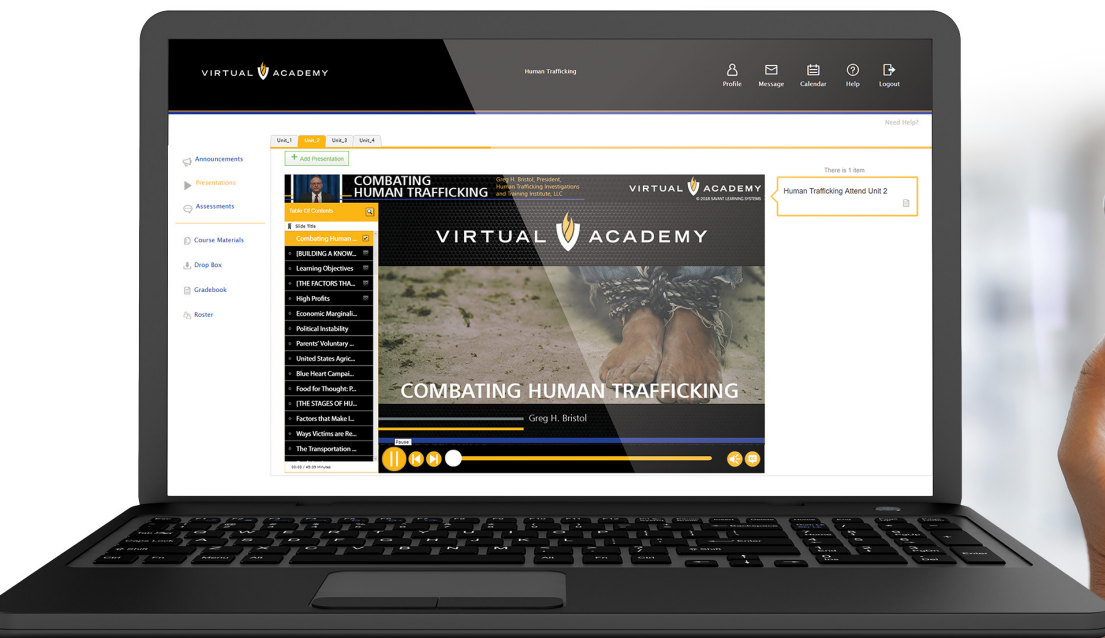

In-Service...*Simplified*

Log into one all-inclusive system to satisfy your training, policy, and accreditation needs.

- Over 250 hours of training for General Patrol, Leadership, Investigations, and others

- Streamline training processes with features such as:
  - Roll Call—assign or create training
  - Streamline reporting internally and externally
  - General orders (policies and procedures)
  - "Set it and forget it" course assignment
  - One location for creating, managing, and tracking all your training
  - Built-in anti-cheating

- Replicate training-room instructions, presentations, and testing

- Bring the top training experts and FBINAA instructors to your department...anytime, anywhere

- Reduce cost of paper, testing services, outside instructors, and travel

- Virtual Academy's Training Management System (TMS) does not replace face-to-face training. It subsidizes your program, allowing you to budget for more specialized training.
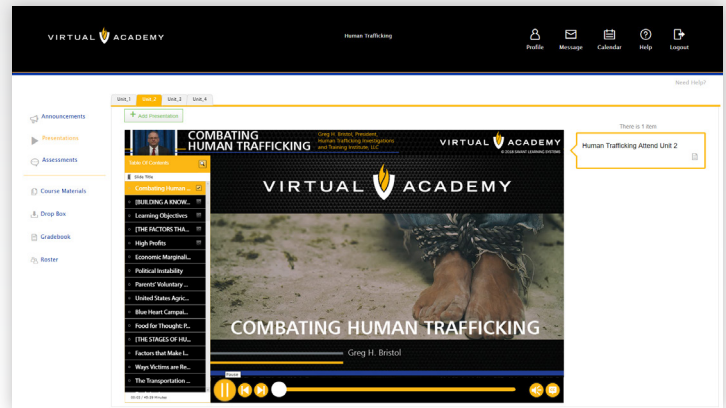

Go-anywhere mobile app provides access to courses and assessments for officers

# Virtual Academy's Training Management System is All-Inclusive

Training

- Immediate access to over 250 hours of high-quality, up-to-date public safety courses
