

How To Make Boozy Hot Chocolate

Makes 6-8 cups

You will need:

4 cups milk

Hot Chocolate mix from gift

Bailey's Irish Cream

Preparation

- 1.** Remove marshmallows with a spoon and set aside (it's okay if not all of the marshmallows are removed, or if some of the cocoa powder or sugar get mixed with the marshmallows).
- 2.** In a medium sauce pot, heat 4 cups of milk with all ingredients except marshmallows and Bailey's over medium heat, stirring occasionally, until chocolate is melted and sugar is dissolved.
- 3.** To serve, pour into 6-8 mugs. Add Bailey's to taste and garnish with marshmallows.
